Polo shirts will have the new Pope Prep logo.

## Hair and Grooming Policies

- Men and women's hair coloring must appear natural and may have highlights.
- Mohawks and "Faux Hawks" are not permitted.
- Carving of words, symbols, logos etc. into a student's hair is not permitted.
- Men's hair must not touch below the collar and must be trimmed above the eyebrows. The hair on the side ear area and sideburns must be groomed. Administration reserves the right to require a haircut at any time even if the hair meets current hair length standards. This is to ensure that hair is not too unruly and has a presentable, groomed appearance.
- Men should be clean-shaven at all times. The nurse has razors and shaving cream available.

## OPTIONAL OUTERWEAR

### Guidelines for Pope Prep Approved Outerwear

Students may wear outerwear that is purchased through the Pope Prep Armory (first two pictures) or BSN (athletic team/club stores; third picture). Outerwear must be worn over the required uniform shirt (either an oxford or polo).

### Mondays - Thursdays

Approved outerwear for Mondays through Thursdays may NOT have a hood. (The first three pictures are examples of approved outwear for all days of the week.) Quarter-zip, full-zip, and crew neck styles *without hoods* fall into this category.

### Spirit Wear Fridays

On Fridays, Pope Prep enjoys spirit wear days, and students may wear outerwear with a hood on this day. The bottom picture has examples of outerwear approved ONLY for Fridays. On Fridays, students are also allowed to wear jeans (without rips or holes). *Students are NOT ever allowed to wear leggings, sweat pants, or shorts during the school day.* (The fourth picture shows examples of spirit wear with hoods purchased through the Armory.)

### Process for Purchasing Outerwear

The Armory school store and online store is designed to sell outerwear and other school-branded items for all students, parents, and families. As a new part of the Innovation and Entrepreneurship program, the Armory will soon be outfitted with items based on students' market research and designed by marketing students. The Armory is also where students may purchase school uniform polos (however, stock of polos will be limited, and families are encouraged to pre-order polos during the uniform sizing days).

Although we will be developing new merchandise for the Armory throughout next year, we will have several approved outwear and spirit wear items with our new Pope logos available for purchase at the July 30th Registration event.

BSN is used by teams/clubs to sell items that are specific to their team/club. BSN stores are open for a short amount of time and only during specific seasons, according to the team/club schedule. Coaches and club sponsors will email ordering information to families of those students on the team or club rosters.
