

**Incoming Latin 1H:**

Read the Introduction to *Wheelock's Latin* (Introductio: Alphabet and Pronunciation), and learn the alphabet and pronunciation. We will be using the electronic version of the textbook. You may purchase your Kindle edition of the textbook online from Amazon.com. You will be able to access this digital copy by using your Amazon account on your personal and school computers.

**Incoming Greek 1H:**

Read the introduction to *Athenaze*, pages xxvi-xxxiii. Memorize the Greek alphabet and pronunciation.

**Latin 2H Summer Assignment**

Study all grammar and vocabulary in chapters 16-18. Try the self-tutorial exercises and check your answers with the key. For each practice sentence either correct your errors (in red), or write down a question if you cannot understand where you made an error (also in red). This will be better done in small segments, rather than one long segment the day before school starts.

**Latin 3H Summer Assignment**

Review all grammar and vocabulary in chapters 1 through 39. Try a few self-tutorial exercises for each chapter and check your answers with the key. Write down a question if you cannot understand where you made an error. This will be better done in small segments, rather than one long segment the day before school starts.

**Greek 2H Summer Assignment**

Review all grammar and vocabulary in chapters 1-9. Try a few translation paragraphs from each chapter. Write down a question if you cannot understand something. This will be better done in small segments, rather than one long segment the day before school starts.
