

LARGE NAME TAPES FOR SPORTS KIT PUPILS IN YEARS 3 - 8

We ask parents to label the outside of sports kit with large name tapes - this increased visibility helps sports staff to identify children and makes it easier for children to find their own items of clothing.

The large name tapes are available from the company 'Easy2Name' and can be ordered online through their website www.easy2name.com.

A direct link to the correct tapes ('Sew on ID tags - 1 inch) can be found [here](#)

Please select:

Background colour: **White**

Text colour: **Navy**

Lettering should be first initial / fullstop / space / surname
e.g. **A. SMITH**

When making an order, we would be most grateful if parents would quote 'St Hugh's School SN7' as the reference, to enable us to benefit from the commission offered to FOSH by this company. Any commission FOSH receives will go to the House charities.

Please refer to the instructions on the school website for details of where to position the large name tapes on to your child's sports kit.
