Comprehensive Needs Assessment

Revised/Approved: May 27, 2019

Needs Assessment Overview

Judge Reynaldo G. Garza Elementary School, built in 1976, is one of the most historical schools in the Brownsville Independent School District. It is located in the cultural-rich Southmost area of Brownsville, Texas. Presently, it serves approximately 448 students in Pre-Kindergarten-3 through fifth grade and offers a myriad of special programs to meet the needs of a diverse population. According to the PEIMS data review, 100% of our student population is Hispanic and 99.5 % are identified as Economically Disadvantaged.

The Garza staff is comprised of 3 administrators, 20 regular education teachers, 4 special education teachers, professional support staff, 1 counselor 3 non-classroom office staff, 10 educational aides, and 3 custodians.

Garza's recent initiatives in the area of technology include the following: Living with Science; numerous software programs for kindergarten through 5th grade students; including Pearson, Study Island, Star Fall, ABC Mouse, PBS, and Prodigy. We also have both Intranet and Internet capabilities in all instructional classrooms.

Garza Elementary students are encouraged to participate in a variety of activities such as school, district, state, and nationwide contests featuring essay, poetry, and art contests, the Accelerated Reader Program, UIL, Science Fair, Spelling Bee, and Chess. Other activities offered include Coding, Brainsville, Destination Imagination and Jump Rope for Heart.

The Newspapers in Education (NIE) Program and Campus Beautification Project offer the students the opportunity to be recognized and rewarded.

Activities for our students continue in the summer months with programs such as the Summer School Program sponsored by the Brownsville Independent School District Project SMART sponsored by the Federal Program Department, and the Summer Recreation Program sponsored by the City of Brownsville and the Brownsville Independent School District.

Our parents and community are active in the Parent Volunteer Program, Adopt-A-School Program, UTB Student Teaching Program and Early childhood Field-Based Mentoring Program, and numerous school rallies. In addition, our adult community has the opportunity to further their education through the family learning events, computer literacy classes, and language development classes provided by of the Brownsville Independent School District.

No spring testing for 2019-2020 due to COVID.

Demographics Strengths

Garza is improving in academics, including achievements in extra-curricular activities. The school along with the community, works to make sure students have a variety of opportunities for education and enrichment. We have added several programs to give each student an opportunity to be in a well rounded environment.

Strengths:

1. Extended Day
2. Variety of after school activities

Needs:

1. Garza has a declining enrollment
2. Incentives for student success/attendance
3. Parental involvement

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Garza has a declining enrollment **Root Cause:** No growth in the area and no new students coming into the area.

Performance Variation Between All Student Groups and All Grades

Student Academic Achievement Strengths

1. All PK-5th grade teachers have access to to the scores on Tango, in order to drive instruction.

2. Provided Tutorials and Saturday Academy to students to help improve STAAR and TELPAS scores.
3. Provided Tier II and Tier III Interventions and Periods to improve Reading for all grade levels.
4. Students were able to participate in extracurricular activities: Coding, UIL, Science Fair, Brainsville, DI, and Chess.

Needs: 1. To increase the percent of all 3rd-5th grade students who attain the meets and masters standard on the staar in all areas.

2. To decrease the gap between all students and special education population for success in all areas
3. Vertical alignment in all areas to close the gap
4. Increase student attendance in order to help the success of our students.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: Low percentage of 3rd-5th grades passing the STAAR. **Root Cause:** Mobility, attendance, identifying students academic needs.

School Processes & Programs

School Processes & Programs Summary

The goal of Garza Elementary is remain focus on the academics while also providing enrichment classes. At Garza Elementary the master schedule incorporates all the areas being taught. A schedule is built in for the physical education, fine arts, computer, library and other special assignments. This schedule is completed in order to stay on track and work towards our goal of success in all areas of ecution. The master schedule ensures that each grade level has equal time for special areass while ensuring that all academic areas are taught. Special education students are supported through an inclusion model of instruction, and/or resource program to ensure their individual educational needs are met. Instructional support in a specialized lab for students with dyslexia also enhances our students' success.

School Processes & Programs Strengths

Master schedules include mandated 90 min reading block

SBDM meets once every 6 weeks

Counseling on campus to meet individualized student needs

Needs:

1. Encourage and promote activities for all students for a well- rounded individual with closely monitor observations
2. Continue to work through the SBDM for all stakeholders

Grade-level meetings every Tuesday to discuss weekly procedures/activities and Lead teacher meeting every Thursday for Horizontal alignment

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Students participating in activities to establish well-rounded individuals. **Root Cause:** Lack of transportation.

Perceptions

Perceptions Summary

Garza Elementary School is located in Brownsville, Texas. Garza staff members and stakeholders believe in the school. They strive for excellence and network in order to make this a successful school. We pull together as a team to make the instruction happen.

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2019-2020 and to increase the Level III percentages in all content areas. In addition, the committee will implement a plan of action to meet the Annual Measurement Achievement Objective System (AMAOS) indicators. 2019 CNA Survey results will be shared with staff members and used by SBDM to further assess areas of need. Garza offered the survey to all parents, students and teachers and looking at the current needs based on the new survey needs worked together as a SBDM to continue the needs of the campus. We met as a team to update any current needs and continue the meeting to close out the meeting on May 27, 2019.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

Garza Elementary will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/summer school/enrichment program, for students who are AT-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low achieving students, At-Risk, or not meeting the STATE student academic achievement standards; (5) address how the school will determine if such needs have been met. **(CIP 1.1.2) (CIP 1.2.1) (CIP 2.1.1)** Garza SBDM met for final plan on May 27, 2019 with the appropriate committee in the end of the plan.

2.2: Regular monitoring and revision

Garza SBDM will continuously monitor and review the CIP quarterly in order to maintain alignment with the activities on campus and funds being spent. If need to update the plan it will be done in a timely manner.

The SBDM meetings for this year are:

October 29, 2019

February 17, 2020

April 27, 2020

May 15, 2020

2.3: Available to parents and community in an understandable format and language

The Campus Improvement Plan is currently written in English and is translated to Spanish during parent meetings, SBDM meetings, and upon request. The plans are available to parents and community via our campus website.

2.4: Opportunities for all children to meet State standards

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the (1) after school tutorial program and/or (2) enrichment courses based on his/her individual needs. In addition, (3) Garza Elementary will collaborate with in-district and out of district campuses to expedite the transfer of current RTI plans to continue supporting students experiencing difficulty in a timely manner. An RTI plan will be requested or forwarded for students receiving Tier II and Tier III interventions. Students having Dyslexia characteristics will be screened and RTI documentation will be submitted to District Dyslexia Office for review and approval to proceed with Dyslexia 504 referral.

2.5: Increased learning time and well-rounded education

Funding is set to provide Extended Day and Tutorial Support for all students. The school also provides Saturday Academies throughout the year and has set Summer Bridge programs to continue Enrichment opportunities.

Garza Elementary provides high-quality ongoing professional development throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to individual teachers' specialties, along with any other identified needs as determined through the staff, student and parent needs assessment surveys, administration classroom observations and evaluations, and/or district identified needs. Professional development will be conducted both at the school and the education service center as well as district conferences, campus webinars and workshops which will be intensive and sustained. Professional development will concentrate on the following areas: STAAR, TELPAS, TEKS updates, higher order questioning techniques, content area intervention strategies and bully free schools. (CIP 1.1,3)(1.1.5) (1.2.2)

2.6: Address needs of all students, particularly at-risk

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Special Services and Title I funds, e.g., after school tutorial programs. Professional Development activities are also paid from Title, I Parts A and C, and Local Funds. Title I Funds along with Local State Compensatory, State Bilingual, State Special Ed are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

In addition to those described above, Migrant Funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. Reports from the migrant office are used to identify the PFS migrant students upon registration and withdrawal from Garza Elementary. Support is provided using Migrant office informational flyers as well as support to students and parents regarding academic needs. Garza migrant students will receive school supplies upon their return from migrant travel to assist migrant students and their families with the financial stress and provide for a smooth transition into the school year. The academic progress of migrant students will be monitored to identify remediation strategies and implement plans. All PFS migrant students

will be identified using the Migrant Office report and serve based on individual student needs. Teachers will support PFS students in the classroom and ensure communication with parents of available/services opportunities in the school and or community. Fiction and Non-Fiction Readers will be ordered to support PFS student achievement in the area fluency and comprehension skills. Teachers will monitor progress of PFS migrant students and provide immediate remediation through small group instruction; computer based instruction; counseling's services and or referrals to nurse for needed assistance or services.

Bilingual Funds are used to provide supplemental services to help ensure that children who are limited English proficient attain English language proficiency and develop high levels of academic attainment. The Language Proficiency Assessment Committee at Garza Elementary meets periodically to identify bilingual students, monitor student assessment and provide recommendations based on data reviewed. TELPAS progress monitoring is conducted on a six weeks basis and documentation is kept in ELL Portfolios that are found in the students' PRC.

Garza Elementary will provide the state mandated State Compensatory Education Program through funded initiatives including after school tutorials starting in October 2019. Tutorials will be after school for 1.5 hours on Monday and Tuesday in Fall 2019 and Monday, Tuesday, and Wednesday in Spring 2020. Students will be provided cognitive based strategies as supported by TLI trainings for Tier I instruction. Garza Elementary will implement the BISD Fluency Initiative and Vocabulary Word of the Week to support this instruction. Interventions, supplemental materials, and support services will be provided using the 3 Tier Model. Tier I universal level of instruction will identify students who may be at risk of reading difficulty. Tier II students will be provided with additional 30 minutes of research based reading interventions and will be monitored every two weeks PMER, or PMBR tool. Struggling students will be identified and an RTI plan will be developed. Tier III students will be provided explicit, individualized reading instruction. Additionally, supplemental instructional resources will be provided to identified at-risk students to improve academic achievement.

Special Education funding provides Supplemental services to eligible students as per Individuals with Disabilities Education Act (IDEA) identification requirements. In order to ensure a free and appropriate public education (FAPE) in a least restrictive environment (LRE), children who qualify for special education must receive services in accordance with a properly developed Individualized Education Program (IEP) as per federal and state special education guidelines. In addition, all Admission, Review, and Dismissal (ARD) committees will adhere to the policies and procedures outlined by the Texas Education Agency (TEA) in the ARD Committee Decision-Making Process for the Texas Assessment Program Manual and A Guide to the admission, Review and Dismissal Process. (CIP 1.1.2)

(CIP 1.1.4) (CIP 6.1.1)

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

Title I Parent and Family Engagement meeting is held in September. The SBDM Committee along with two of our most active parents participate to provide feedback on the 2019-2020 Policy. Title I, Part A funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Parent training will concentrate on the new assessment requirements, improving reading readiness and increasing parental

involvement participation. An orientation for preschool children from Head Start to assist with the transition to Garza Elementary will be held annually in the Fall and Spring. A week before transitioning to middle school, 5th grade students and parents will be invited to a ceremony celebrating academic and social accomplishments. **(CIP 4.1.1) (CIP 4.1.2) (4.1.3) (4.1.5)** The family engagement meeting was set up for Spring Open House to update and revise. The plan was given out by paper copies, given out at parent meetings as well as electronically on the school website. The policy was given in both Spanish and English.

3.2: Offer flexible number of parent involvement meetings

Title I, Part A funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Parent training will concentrate on the new assessment requirements, improving reading readiness and increasing parental involvement participation.

An orientation for preschool children from Head Start to assist with the transition to Garza Elementary will be held annually in the Fall and Spring. A week before transitioning to middle school, 5th grade students and parents will be invited to a ceremony celebrating academic and social accomplishments. **(CIP 4.1.1) (CIP 4.1.2) (4.1.3) (4.1.5)** We offer several flexible times for parents to gain access to school information as needed. Open house, literacy day for parents and parent meetings every Wednesday in the school. Meetings are also held for fifth grade parents in order to look at requirements for passing to the next grade level.

2018 Performance

State accountability ratings are based on three domains: Student Achievement, Student Progress, and Closing the Gaps. The table below provides a summary of domain results as well as an overall result for this campus. The scaled score is a numeric score that has been scaled from 0 to 100 for comparability across domains. In 2018, to receive the Met Standard or Met Alternative Standard accountability rating, campuses must meet a scaled score of 60 or above.

	Rating	Scaled Score
Overall	Met Standard	84
Student Achievement	Met Standard	75
School Progress	Met Standard	84
Closing the Gaps	Met Standard	84

2018 Accountability Rating

Met Standard

For 2018 state accountability, campuses are rated as **Met Standard**, **Improvement Required**, or **Not Rated**. The rating, **Met Alternative Standard**, is assigned to charters and alternative education campuses evaluated under alternative education accountability (AEA) provisions.

Distinction Designations

Science

Comparative Academic Growth

Campuses that receive a rating of **Met Standard** are eligible for as many as seven distinction designations: **Academic Achievement in English Language Arts (ELA)/Reading**, **Academic Achievement in Mathematics**, **Academic Achievement in Science**, **Academic Achievement in Social Studies**, **Top 25% Comparative Academic Growth**, **Top 25% Comparative Closing the Gaps**, and **Postsecondary Readiness**.
