

**SPRING-FORD AREA SCHOOL DISTRICT  
KINDERGARTEN REGISTRATION TRANSPORTATION INFORMATION FORM  
CURRENT SCHOOL YEAR 2021-22**

This request will EXPIRE at the end of the 2021-22 school year

Requests for bus stops which are occasional and not consistent every school day bus stops or involve only a portion of the week, will NOT be approved. Alternate arrangements for any reason are the responsibility of the parents.

A pickup location may be a different location from the drop off location, as long as it is within the assigned school attendance boundary and is a consistent every school day bus stop location for the current school year.

If a Day Care will be used please see the attached list or look on the website under "Parents" then "Day Care Programs" for the programs in your school attendance boundary. Please complete below in the AM & PM Box the Provider information. (If using a Day Care program outside the attendance boundary the Day Care will be responsible for the transportation.)

When a change to Day Care occurs after this request has been submitted, a new form must be completed. You can access a new form by going to: [www.spring-ford.net](http://www.spring-ford.net) and under the tab "Parents", click District Forms, scroll to bottom for 2021-22 Child Care Form. Print and complete the form then email or take to the building of attendance.
