Eagles were able to spring back into action this week after taking some time off for Spring Break. The theme for March is "FLEXIBILITY", and we are all learning how to adapt to and get comfortable with change. Sometimes change can be really fun - like when we take our learning outside! At Alexander, we are achieving excellence every day!

¡Vuelve a la Acción!

Eagles pudieron volver a la acción esta semana después de tomarse un tiempo libre para las vacaciones de primavera. El tema de marzo es "FLEXIBILIDAD", y todos estamos aprendiendo cómo adaptarnos y sentirnos cómodos con el cambio. A veces, el cambio puede ser muy divertido, ¡como cuando sacamos nuestro aprendizaje al aire libre! ¡En Alexander, logramos la excelencia todos los días!
