

Lighthouse Program Board Presentation

Educational Services

Carol Cronk, EdD

Coordinator, Math, Science, APEX, Special Projects

April 22, 2021

Why is an After School Credit Recovery Program Important?

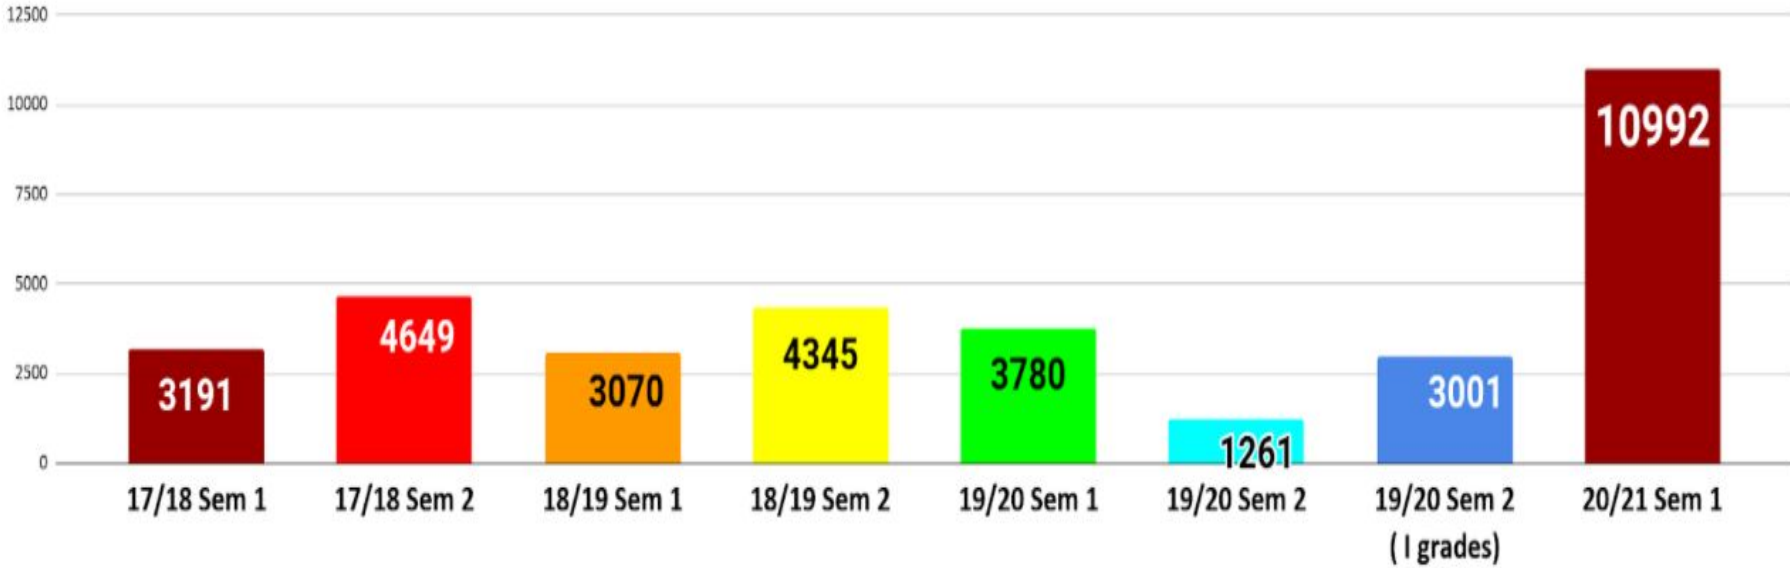

- What is the Lighthouse program?
 - Credit recovery
 - Graduation support

- Since COVID-19, the number of high school students failing classes has increased tremendously:
 - 10,992 F's at the end of first semester
 - 13,005 F's at Mark 6 (third quarter)
 - 292 9th Graders earned less than 5 credits first semester

Why is an After School Credit Recovery Program Important?

Count of F Grades - 2017/18 to 2020/21 Totals by Semester & Count of I grades for 2nd semester 2020

Next Steps

- The district is examining multiple strategies to help recover lost credits over the next three years. Included are:
 - Summer School - hybrid, seat-time, and virtual
 - Student demonstration of proficiency of essential standards in multiple ways
 - Continuation of Lighthouse Program into the 2021-22 school year.
