NETIQUETTE

1. Treat others as you would like to be treated
2. If you wouldn't say it to someone in person, don't say it online
3. People can't see your facial expressions or hear the tone of your voice online so don't over-use icons and punctuation to convey meaning.
4. Don't make a situation worse by provoking people even more
5. Don't start rumours or spread gossip about someone online
6. Don't make fun of someone in an online chat
