

2021-2022 PLACEMENT INFORMATION

Spring 2021

Welcome to the Victor Primary School! It is that time of year when we make decisions about your child's 2021-2022 placement using input from you.

Please note we take the following factors into consideration during the placement process: instructional program, balance of student ability, balance by gender, balance of learning styles and special needs. As part of this process, we are looking for input from you. The information you provide us will be read by your child's current teacher and both of us during the placement process. *We do our best to honor parent input while also honoring our goal to create balanced classes for all children.* We are very fortunate to have a talented group of teachers at the Primary School. Each individual has a great deal to offer; therefore, please do not request and/or eliminate a specific teacher for your child. Peer combinations should only be listed when there is a compelling reason.

Please return the Parent Input Form on the reverse side to the Primary School as soon as possible. Your child's best interests are balanced with the needs of all the children at Victor Primary School as we work to create classes for next year. If you have any questions, please call the Primary School Office at 924-3252, extension 3404.

All families will be informed of their child's 2021-2022 teacher via a letter that will be mailed the first week of August. In the meantime, enjoy the spring season and all of the "energy" it has to offer! This is an exciting time of year in so many ways!

Sincerely,

Mrs. Danielle M. Dehm, Ed.D.
Interim Principal

Ms. Amanda Moon
Assistant Principal
