## THE POLICY

The Salt Lake City School District Board of Education is committed to providing safe and efficient school bus transportation to its students in accordance with all applicable state and federal laws and regulations.

The purpose of this policy is to provide all eligible students with safe district transportation to and from school and school-sponsored activities.

The board prefers the use of school buses or appropriately insured commercial vehicles to transport students to and from off-campus activities and field trips, both during and outside of regular school hours. Private or rental vehicles may also be used in accordance with the requirements outlined in the administrative procedures for this policy. The board may authorize additional student transportation services in special circumstances.

The district will set forth its specific processes for implementing this board policy through the accompanying [administrative procedures](#).

No district employee or student shall be subjected to discrimination in employment or any district program or activity on the basis of age, color, disability, gender, gender identity, genetic information, national origin, pregnancy, race, religion, sex, sexual orientation, or veteran status. The district is committed to providing equal access and equal opportunity in its programs, services and employment including its policies, complaint processes, program accessibility, district facility use, accommodations and other Equal Employment Opportunity matters. The district also provides equal access to district facilities for all youth groups listed in Title 36 of the United State Codes, including scouting groups. The following person has been designated to handle inquiries and complaints regarding unlawful discrimination, harassment, and retaliation: Tina Hatch, Compliance and Investigations, 440 East 100 South, Salt Lake City, Utah 84111, (801) 578-8388.
