NOTES:

1. **Test Forms:** Topics occur by grade level across both forms A and B. The forms are organized as follows:

	Novice to Intermediate	Intermediate to Advanced Low
Grades 5 - 8	Form A1	Form B1
Grades 9 -12	Form A2	Form B2

Selection of test forms should be based on two criteria: grade level of students and proficiency target for the course.

2. **A Note on Proficiency and Performance:** While these topics reflect the content areas for the Out of School Testing, please remember to work across all general content domains to encourage the development of communicative abilities across the broad contexts experienced outside of the classroom. This will be key to taking a proficiency-oriented approach.
