Demographics

Demographics Summary

Benavides Elementary analyses demographic data on a daily and weekly basis. Daily attendance rate is a priority and there is a system in place to monitor those students who are absent. The Attendance Rate was 97.2% for all students and 96.9 % for at-risk students. Teachers have a form that is posted for the parent liaison who will call parents to inquire about the absent student. When parents do not have a phone or fail to answer the phone a home visit is done as a follow up to ensure parent contact. Teachers and staff work with parents to help resolve the issue of frequent absences or tardies. Student incentives are given for perfect attendance, prizes and ribbons are awarded at the end of each six weeks. Semester recognition is given to those students with perfect attendance. End of the Year trophies are given to students who achieved perfect attendance for the entire school year. At-Risk students are monitored throughout the school year by administrators, counselors, and teachers in order to ensure success. Students who struggle are placed on an RTI. A Dyslexia lab serves all identified students. Funds are used for tutorials as well as supplies in order to meet the needs of our risk students. The retention rate was 5.2% for all students and 5% for at risk students.

Demographics Strengths

Reduced retention rate.

Strengths:

Successful at-risk tutorial attendance.

Use of state comp funding to use with at risk students to close educational gaps.

Needs:

Student Academic Achievement

Student Academic Achievement Summary

Benavides Elementary reviews data acquired from various student assessments using Tango Software/Eduphoria. Weekly test, unit test and six weeks assessments are given in order to monitor students. BOY, MOY and EOY TPRI/TEJAS LEE, CLI Engage assessments early reading skills and fluency. Tests are utilized to monitor student progress throughout the year. Progress Monitoring is done for all TIER 2 students. After the data is analyzed, tutorials, as well as small group instruction is implemented. Data drives our instruction and planning. Assessment results, progress reports, six weeks grades and benchmarks are all data analyzed by teachers, counselors and administrators. Students needing additional support will be placed on an RTI. Accelerated Reader reports are analyzed by teacher, administrator and librarian to ensure students are reading and achieving their goals. Our data shows an increase in scores but there is a need to increase writing and science scores as well as advanced level performance.

School Processes & Programs

School Processes & Programs Summary

Benavides Elementary has a low teacher turn over. When a staff member is needed, a committee of staff members and administrators interview using a set of questions in order to select a highly qualified employee. After the employee begins, a needs assessment of staff development is considered in order to provide adequate training for the new employee or new teacher to the grade level. Dean of Instruction and the lead teacher ensure the new teacher/paraprofessional receives pertinent trainings. Planning with grade level and mentoring support is given throughout the year. This year Benavides increased by adding 1 Prek 3 full day teacher.

Benavides Elementary follows the Districts scope and sequence to align and follow the Texas Essential Knowledge and Skills (TEKS). Supplemental material is added in order to enhance the lessons. Fluency, Rigor and endurance are a focus on a daily basis in order to meet the state standards on the state assessments. This year the focus is on the Depth Of Knowledge (DOK) of weekly assessments of the new reading adoption in order to meet the high standards set by the state. Novels are used in reading in order to increase reading comprehension and stamina. Weekly assessments are turned in along with lesson plans in order to be reviewed by administration. Extended Day Enrichment Program teachers are reinforcing the TEKS in their afternoon classes. Kinder through Fifth grade teachers are required to do a Target Math program.

Benavides Elementary follows district guidelines in order to comply with district policy. All schedules, school structure, duty rosters, physical environment and program support services are reviewed annually or as necessary by campus administration. Language Arts and Math are given attention through Tier instruction in order to do RTI to those in Tier II. Teachers play an active role in assessments through campus and district benchmarks. Custodians have good communication with administration in order to maintain a clean, safe and organized campus. All needs are addressed as needed.

Benavides Elementary Administration and TST studied the Technology plan for the campus. After studying the STAR CHART, Fixed Assets Reports, and Usage of Software instructional programs, adjustments were made to the plan. The goal is to have 1:1 device for every student. Teachers use projectors on a daily basis along with computers, tablets and printers. Two computer labs are used daily to reinforce skills taught in the classroom. A review of technology professional development opportunities were made as well as teachers attending district trainings. IPODS are used by the teachers in order to test for BOY, MOY & EOY. Bilingual tablets are being purchased in order to reinforce taught skills to improve acquired English language. All second grade students have an ipad and all fifth grade students are assigned a laptop as part of the districts initiative.
