### Principal's Message

Dilworth Family,

Wow, what a wonderful Halloween Parade we had last Friday! Thank you to our amazing PTA for organizing this and setting up all the fun stations for each group of Dilworth staff. We loved seeing our students (and their families) and their fun and creative costumes. We appreciate all of the adults that participated and brought their kiddos, neighborhood kids and grandkids. It was a great turnout and we enjoyed safely celebrating with you!

Remember to come for Picture Day tomorrow at the time listed below. And a reminder about the opportunity to vote tomorrow.

*"Voting is the expression of our commitment to ourselves, one another, this country, and this world." ~ Sharon Salzberg*

Kind regards,

### School Directories

If your child is in Kindergarten, 3<sup>rd</sup>, 5<sup>th</sup> and 6<sup>th</sup> grades and you ordered a school directory, you can pick it up at the office. Students in the other grades should have received it in their class packets last Wednesday.

### Picture Day!

School pictures will be taken tomorrow, Tuesday Nov. 3<sup>rd</sup>. The photographers will be set up in the auditorium. We will have students enter in the West doors of the auditorium. Family groups must stay together, please practice social distancing (we will have marks on the floor to help with this), and wear masks. Once a student has reached the photographer and been positioned the photographer will ask them to remove their mask for the picture. After it has been taken the student will put the mask back on and exit through the East doors. All ordering will be done online. Here is the link to go to for picture information and ordering.

Picture Day is 11/03/2020, mark your calendar! Ordering online is easy, visit
