**Mon., Mar. 8 . . .** Last day for Online Book Fair  
**Thurs., Mar. 11 . . .** Report cards go home  
**Fri., Mar. 12 . . .** Last day to send in photos for yearbook

### Principal's Message

Dilworth Family,

Can you believe that a year ago this coming Friday was the last day students spent in school before being shut down for the Pandemic! We have learned a lot in that time. Together we are stronger, we can endure, we must all work together, and our students are amazing! You as parents have been great to be flexible, in shifting and moving with all the changes that have taken place, from online learning to changes in class makeup, as many students have come back to in-person learning. You are amazing and continue to be very supportive of us all here at Dilworth.

It has also become very evident how caring and diligent our teachers are! They have worked tirelessly in learning a new platform and technology for teaching. They have used canvas effectively and brought students back for in-person small group work. They have increased the percentage of students measured on grade level in Acadience and RISE testing from the beginning of the year to the middle of the year. They have put in countless hours for their students, and it shows!

As a reminder, Spring break is from March 29<sup>th</sup> through April 2<sup>nd</sup> this year.

Kind regards,

Richard Squire, Principal

Felicia Wood, Assistant Principal

801-481-4806

Sophia Hill- Photography

Awards will be coming in the following weeks.

**Yearbook pictures**

We want photos of students for the yearbook this year. Because we haven't been able to have our normal school activities, we need your help in getting photos of students in remote learning, Halloween costumes, Valentine's Day, returning in-person, learning trips, at-home projects and anything that shows our Dragons experiencing this school year!

Also, if your student missed school picture day, send in a head shot. For all photos, we need student name, grade, & teacher for them to be included in the correct area!

**Please send photos by MARCH 12 to our new email account specific to this purpose:  
dilworthphotos@gmail.com**

THANK YOU! GO DRAGONS!

## **LIBRARY NEWS**

Week of March 8th 2021-

Congratulations to BOOK FAIR Grade Level Drawing Winners:

K - Morgan Lynch.....1st - Eli Carter-Smith.....2nd - Ivy Gold.....3rd - Wylie Peter.....4th - Kayson Schramm.....5th - Ryan Oliver.....6th - Owen Tanenaka

The ONLINE Book Fair ends today, March 8th! Gift Cards available online! Thank you for supporting the library! Link: [www.storycupboard.com](http://www.storycupboard.com) (Links to an external site.)Hi Dilworth Parents-

Thank you so much for participating in our Online Book Fair. I realize there is some confusion on how you receive your order. Just to clarify, all book fair orders will be available for pick up at Dilworth unless you pay for shipping to your address. If you choose pick-up or free delivery at check out, that is indicating your book fair order will come to Dilworth. You may pick your order up at Dilworth in the Library on Wednesday, MARCH 10th.

ALSO, please remember to enter dilworth in the discount box at check out. This will ensure that Dilworth gets credit for your book fair order. Thank you!!!

Library Lessons This Week:

With the transition of students to either remaining online or in-person, there are still weekly Library Lessons for all students(K-6) via Canvas every Wednesday for 30-45 minutes on the students' Canvas Library Page. Library is part of the Asynchronous 3 hours of instruction on Wednesdays. Also, each grade level (both online and in-person students) will meet with Mrs. Park, in-person, a week at a time, for Library lessons.

NEW Grading Term - Third Trimester

By now, everyone should be participating in the weekly Library Lessons found on the student's Dashboard. Click on Weekly Lesson or click on Modules to find past lessons. Grading for the new term will be as follows:

0% - 59% N = Needs Improvement

60% - 100% = Satisfactory

\*This year the District decided Library Tech Teachers should give the Technology grade as it is part of the Utah Core Curriculum for the Elementary Library; therefore, the grade is wrapped together with the Library lessons.
