### Principal's Message

We hope you were able to enjoy some time with your kids over spring break. The weather was beautiful, and it was nice to be outside and enjoy the sunshine and warmth. We certainly enjoyed being out in it.

We are now entering the last couple months of school. This means end of level testing is on the horizon. We know your students are working hard to be ready, and the teachers are doing their best to make sure their students are learning all they can. The dedication of the Dilworth teachers is amazing to see. The time and effort they put into preparing lessons for their students, especially this year, is nothing short of incredible. Please take time to reach out to them and thank them for their hard work, caring, and service to the students and community.

Kind regards,

Richard Squire, Principal

Felicia Wood, Assistant Principal
