### Principal's Message

Dilworth Family,

Just a word about our webpage. The district has migrated to a new web page platform. In all their preparation and changing over, our school website was affected also. We have (and continue to have) some glitches and have lost some information there. We are also preparing to migrate the school website to the new platform soon. If you cannot find what you are looking for, please contact us and we will help you. Thank you for your patience with this as with so many other things this year. You have truly been good to work with and very understanding of all that has happened this year. We are keeping our fingers crossed to be back to normal next fall.

Our early day this Thursday is on the calendar for this year, we had not thought about it with this year being the way it has been. I had some parents inquire about it as there are a few neighboring elementary schools that will be having a short-day Thursday. Confused as I was, I spoke with my supervisor and, ultimately, it was determined by the Dilworth SIC that we would have the early day on Thursday. I emailed this information out to you all as soon as the decision was made to keep you all informed.

Again, we appreciate all your support and understanding!

### PTA NEWS

#### Thank You

This week Secretary's Day is on Wednesday and Principal's Day is on Friday. Since students will not be here either of those days, we will celebrate these occasions and these special people on Thursday morning (since it is a short day). We are so lucky to have Ms. Carolyn, Mr. Squire, and Mrs. Wood leading our school. The PTA wants to say THANK YOU to these wonderful administrators for all they do for our children!

#### Join PTA Board

Are you interested on becoming more involved with the PTA? We are starting to plan for the next school year. Please let President Abbie Carter-Smith know if you are interested! There are

positions on the PTA Board of Directors, as well as lots of fun jobs throughout the year. Dilworth is such an amazing school and community...a big part of what makes it so is parental/family support and involvement. Everyone is welcome and appreciated! Email [ajbcartersmith@yahoo.com](mailto:ajbcartersmith@yahoo.com) or call/text Abbie @ 801-232-3088 to get involved!

Kicking off "Caught Some Dragons Reading" Picture Competition in May. Be thinking of where you could be caught reading, and what you might be reading in that spot!

In May, all Library books will be due by May 17th. Due dates have been lax this year just hoping to get books into students' hands. Please look around for any library books at home and return as you finish reading them.

Laptop Devices will be on a scheduled return starting May 28th. More details to come. Laptops, cords, and any mice checked out will need to come back to the Library, clean and in good condition.
