Superintendent's Message

Superintendent Jeff Wallace and Clyde Scott, speaking with Davie County High School students as part of the student check-in conversations held regularly by Mr. Wallace.

Superintendent Jeff Wallace sent a heartfelt "thank you" to staff and teachers during Teacher and Staff Appreciation Week. You can see the [video here](#).

"...You have shown perseverance and resilience over the last 14 months. You have found new, and often-times better, ways of doing things. You have trusted your leadership. You have leaned on one another to accomplish so much. You have supported children with your love, your patience and your kindness. You have provided them with so much more than a lesson plan. You have given them spirit and showed them how to conquer challenges..."

Arts Smart

Visit the virtual world of Arts Smart below. This interactive experience features art and performances from students at every school. Will Marrs, teacher at Davie County High School, has dedicated time and effort into building this virtual space. John Marshall, Digital Teaching and Learning Specialist, contributed to the function and design efforts as well. A thank you also goes to the Arts Departments across the district for their hard work in securing content for this experience. Enjoy!

A woman with brown hair in a ponytail, wearing a light blue surgical mask and a black long-sleeved shirt, is leaning over a blackboard. She is holding a black marker in her right hand and appears to be writing. The blackboard has some white papers pinned to it. In the background, there is a desk with a computer monitor and some office supplies.
