Superintendent's Message

“

Superintendent Jeff Wallace with District Spelling Bee Winner, Porter Spann of North Davie Middle School.

"At Davie County Schools we are dedicated to being a trusted resource for your family and always making decisions in the best interest of children. By being one of the few districts in our area to open to in-person learning in August, our teachers and staff have shown an unwavering commitment to our students. We appreciate them, and the trust families and the community continue to show in our team."

April Recognitions

April 5-9 is National Library Week!

Thank you Media Coordinators for
your commitment to our students!

April is
Autism
Awareness
Month

Did you know?

Autism spectrum disorder now affects 1 in 68 children, and boys are nearly 5 times more likely than girls to be diagnosed with ASD.

School Nutrition Update

It is still important to apply for Free and Reduced Meals!

Although meals are currently being provided for all students for this school year, it is still important for families to apply for Free and Reduced Price Meals, if they believe they may qualify. If your family chooses to apply, please complete a [Free and Reduced Meal Price Application Form](#). The forms can be obtained and returned (completed) to any school office. You will be notified by mail of your child's status. Please only complete one application per family. The information you give will be used to determine or prove your child's eligibility for

free or reduced-priced meals. It is important that families apply to ensure continued funding to support the entire district.

Kindergarten Registration

Do you have a rising Kindergartner,
or know someone who does?

Kindergarten
registration is now
live on GoDavie.org.
