

Minutes from Community Council Meeting

April 14, 2021

In attendance:

McKenzy Evans, Marcy McQuiston, Audra Stam, Cerissa Thompson, Tricia Springer, Gin Allred, Sean Morrison, Kerri and Rob Stuart, Marcie Hayes, Ariel Defay, Michelle Duncan

Counselor update:

We're excited and proud of our musical performance students as they've been able to present High School Musical Jr. in person and through live stream! Our track team's first meet is April 16th--we wish them well! CCA classes will see 5 different recorded presentations for Virtual Tool Day next week--we thank the parents who were able to contribute recordings about the tools they use in their professions.

Principal Points:

Testing time! 9th graders are taking the ASPIRE test next week. It's a useful test for 9th graders and their parents to help in planning future education goals. There will be a different bell schedule next week to accommodate this testing. Our 7th and 8th graders will be taking end of level RISE tests between now and the end of May. We had good participation from our 8th graders taking the SHARP survey (which measures student behaviors). With the results available in May, we will be able to see trends in our school where we are doing well and also see areas we need to strengthen. Secretary appreciation week is coming! We have exceptional staff at Centennial and are so grateful for everyone's contribution to our school!

Council Business:

Brainstormed ideas to help disseminate the Social and Emotional Learning plan to parents and families in the coming year so we can all be on the same page and work together to support our students in five focus areas: Self-Awareness, Self-Management, Responsible Decision-Making, Social Awareness, and Relationship Skills.
