## LWSD UPDATES

### ***Update to* Process for Completing Daily Digital Attestation through Skyward Family/Student Access for In-Person Secondary (Middle School/High School) Students:**

All in-person students must complete a health check each day to attest that they have no symptoms of COVID-19 or close contacts with people who have tested positive for COVID-19. **The important update is that we are asking students to complete attestation, even if they do not plan to attend school in-person that day.** There is no requirement to attest on Wednesdays.

For more information about the digital attestation process, please visit the [Attestation – Secondary page on the LWSD website.](#)

## FOR IN-PERSON STUDENTS

### Attestation at RHS

**Before school Attestation** - Students who complete the attestation at home through Skyward do not also need to fill out a paper form. Students need to show the green checkmark on their phone as they enter the school. If students are unable to complete the Attestation online, then they will fill out a paper copy and bring it to school. Blank copies are available at school. All students will have their temperature checked upon entering.

**Late arrival Attestation** - Students should enter through the main entrance and show a staff member the green checkmark on their phone from completing attestation online through Skyward. If attestation was not completed online, fill out the paper attestation form. Blank copies are available at school. All students will have their temperature checked upon entering.

**For more information** please refer to the district email sent to LWSO families on April 15 titled, "*Pathway Forward - Instructions for Completing Daily Digital Attestation through Skyward Family/Student Access.*"

## LWSO ONLINE SCHOOL

### Online-only school

**NEW: The new online-only school expanded to grades 11-12; will debut in the 2021-22 school year**

Enrollment for the new online school has expanded to include incoming 11th and 12th grade students. Families of incoming 9th – 12th grade students can access the enrollment application and additional information at <https://www.lwsd.org/schools/online-school-opening-2021-22>

**Enrollment is open until May 16.**

Currently, this is the only online learning option for Lake Washington School District high school students next year. There are 150 seats available for families who wish to enroll in the online school. The District will evaluate expanding this number based on enrollment needs.

An FAQ document has been created from questions about the online school. That document, which includes a course list, is available at this link: <https://sway.office.com/EqVidCjrDqfg7NH8?ref=Link&loc=mysways>.

## RETURN TO SCHOOL UPDATE FROM COUNSELORS

**Although some RHS counselors are back in the building, we are only able to meet with students in person for crisis and emergency situations.** Why? Students that elected to come on campus will spend their time on campus attending synchronous, in-person classes. Our priority is to meet with students during asynchronous time so students do not miss valuable class instruction or work time. In addition, our office space is tight and having safe, individual meetings with students will need to happen in one designated conference room.

**Can my student still meet with their counselor?** YES! Counselors are available for meetings with students and families via Teams. We are available during asynchronous time, 1:00-3:00 on Monday, Tuesday, Thursday, and Friday, and 8:00-12:00 on Wednesday. Please visit the RHS website and navigate to the Counseling tab to access the link to our Bookings page. Have a question? Feel free to email your counselor and we can help you out.

## MESSAGE FROM EVERGREEN HEALTH

With all the changes happening, many of us are experiencing more stress than usual. Whether you are back to school in person or staying remote, please know that there are resources available to help with the transition.

If you want to vent, talk through a problem, learn about a resource, or need ongoing support for emotional and mental health – contact EvergreenHealth social worker, Julie, at [c-jgeorge@lwsd.org](mailto:c-jgeorge@lwsd.org).

We are also offering virtual support groups this Spring. If you prefer to join an in-person support group, let Julie know and we will form a group, following all the COVID guidelines.

Here is the list of Spring Groups:

### ***Student Support Group***

This past year has been extremely difficult during this pandemic: isolating at home, social distancing, and not being able to go to school. Some students plan to return to the building and others plan to stay home. Regardless, this transition is difficult and students, more than ever, are experiencing increased levels of stress, anxiety, depression, and isolation. Join us virtually on Wednesday afternoons to connect with fellow students for some extra support. We will talk about struggles and successes and get some ideas for how to cope with isolation, the pandemic, lack of motivation, stress, and anxiety. Group will be tailored to student interests based on attendees.

When: Wednesdays from 2-3pm

Audience: Open group for all RHS students [Click here to join the meeting](#)

### ***Parenting Support: As We Transition Back to School***

The COVID pandemic has created many challenges and unforeseen obstacles for parents. This is an opportunity for parents and guardians to vent and talk about frustration and worry, as students transition back to in-person learning or whether they remain at home. This drop-in group will provide parents with an opportunity to discuss parenting tips and to share your successes and struggles in a supportive environment with other parents.

When: Tuesdays from 6-7pm

Audience: Open for parents/guardians of students at LWSD high schools [Click here to join the meeting](#)

### ***LWSD Staff and Teacher Support Group***

During these unprecedented times of COVID, remote learning/education, and now with the transition to in-person learning, people are experiencing increased levels of stress, anxiety, depression, and isolation. Come join fellow school staff to vent and share ideas about how you are coping (or not!) at this time. This is an informal, conversational drop-in group.

When: Wednesdays from 9-10am

Audience: All staff/teachers from LWSD who work at Eastlake, Juanita, Lake WA, and Redmond high schools [Click here to join the meeting](#)
