

Endeavour Elementary School
Community Council Agenda

Date: May 11, 2021

Attendance:	James Campbell	Cindy Nottingham	Michelle Berg
	Lisa Simmons	Stacie Dorius	Erika Gerlach
	A'Neil Locke	Tarrah Randall	

1. Welcome/Approval of last month's minutes (1 minute)

Motioned by: Stacie

Seconded by: Michelle

2. Business concerning New/Retiring Council members (15 minutes)

a. New parent members: Celeste Floyd and Karen Warby

b. New Faculty member: Jennifer Louder, A'Neil Locke

c. Retiring members: Vanessa, Michelle, Tarrah

3. New Chair: Lisa Simmons- voted in unanimously

4. New Secretary: Jennifer Louder- voted in unanimously

5. Progress report on 950 N. Construction access (James, Lisa, Erika) (10 minutes)

It parallels Shepard Lane. It has been approved by both cities. We are working on getting a school bus because of safety concerns and distance concerns. They will have to walk up the rail trail and over. We are on the border of the 2-mile limit with that path. James has contacted transportation. They have declared it a hazardous route. They will follow the due process to identifying the scale of hazard. We must wait until the construction gets going before assessing. We are hoping it does not start until after school gets out. Shane Scott stated he will talk with the council and see what he can do. Farmington city will come in and push for the bus if needed. Erika, Lisa, and James are following up with this. Once approval for bus happens, kindergarten busing? What will this look like?

6. Discussion concerning reintroduction of after school clubs and activities (A'Neil) (10 minutes)

With going back to 5 days a week, what will our after-school programs look like? How can we support it as a council? It is usually done through Excel. Let's reach out to our community for what they would like to see at Endeavour? What resources are out there for clubs? Sending out a survey about what they would be willing to facilitate. It is usually done prior to back to school to get a timeline setup (start to finish, part of year, etc.). \$50 per term is the max amount requested and they must meet a certain number of times. The \$50 pays for the people and the equipment necessary. Community council supports the materials for robotics and the funding for the Lagoon trip and teachers comes from the \$50 fee. Cindy can add something to our weekly newsletter to start getting an idea of interest. Cindy would like to see something in the fall SEL related. We have materials here for 3-D printing, Arduino kits, and sphero's. We would love to see a community event (Smile for a Mile).

If we are doing a community event, what is our timeline meeting. The PTA will be meeting Friday...maybe in the spring?

7. Discussion of summer plans and next meeting (5 minutes)

August 10th- first meeting 9:00 a.m. in the conference room. Think about if you would like to keep Tuesday's at 4:00.

8. Other (15 minutes)

9. Adjourn

Motioned by: Lisa
