Section E

PROCEDURES FOR FORMAL RESOLUTION/PANEL HEARING

FORMAL RESOLUTION

The formal resolution process is the procedure by which allegations in a Formal Complaint are presented in a formal PM 73 hearing for a determination as to whether this policy was violated.

PRE-HEARING CONFERENCE

A pre-hearing conference shall be coordinated by the Title IX Campus Coordinator and chaired by the Hearing Panel Chair. Parties and Advisors are encouraged, but not required, to be present.

This conference shall be conducted at least two business days prior to a scheduled Hearing Panel and 10 business days after the investigative report is sent to the parties and Advisors, if applicable.

The purpose of the pre-hearing conference shall be to:

1. Identify the panelists and address any objections to members of the Hearing Panel;
2. Address evidentiary issues or questions to be posed at the hearing (i.e. numbers of witnesses, use of documents, expected length of hearing, etc.);
3. Ensure parties will have Advisors available to conduct cross examination and that the Advisor is familiar with the hearing process under this policy;
4. Provide a forum to address any questions related to the Hearing Panel process and procedures.

HEARING PANEL

The PM 73 Hearing Panel shall consist of one chair and two other LSU employees trained in adjudication. It shall afford each party an opportunity to present evidence and question opposing parties and witnesses.

ADVISORS

Each party is permitted to be represented by an Advisor. If a party does not have an Advisor at the Hearing, one shall be provided by LSU at no cost. The Advisor may be, but is not required to be, an attorney. The Advisor is the only person who may conduct cross-examination on behalf of a Complainant or Respondent. An Advisor will be appointed even in situations where a party elects not to participate in the Hearing.

PRESENTATION OF EVIDENCE

1. The procedure and order for presentation of evidence will be set and maintained by the Hearing Panel Chair. Each party will be allowed the opportunity to present relevant evidence to the Hearing Panel.
2. The Hearing Panel Chair will allow each party to present its own relevant evidence through submission of documents and witness testimony. Each witness will then be subject to cross-examination by other parties. Cross-examination must be conducted directly, orally and in real time by the party's Advisor and never by a party personally.
3. Only questions relevant to determining the veracity of the allegations or the credibility of a witness will be allowed. The Hearing Panel Chair will have sole authority to determine whether evidence presented or a question in cross-examination is relevant and whether it will be permitted. The Hearing Panel Chair must explain any decision to exclude evidence or a question as not relevant.
4. Questions or evidence about a Complainant's sexual predisposition or prior sexual behavior are not relevant, unless: (1) offered to prove that someone other than the Respondent committed the conduct alleged in the complaint, (2) concern specific incidents of the Complainant's prior sexual behavior with Respondent and are offered to prove consent.
5. Only evidence submitted to cross-examination may be considered by the Hearing Panel to determine responsibility.
6. The Hearing will be recorded and the recording or transcript will be made available for the parties for review.

FAILURE TO APPEAR/ANSWER

The Hearing Panel cannot draw an inference about the determination regarding responsibility based solely on: (1) A party's or witness's absence from the hearing or (2) Refusal to answer questions.

DELIBERATIONS

The Hearing Panel shall deliberate in closed session with only panelists present. The Hearing Panel is to apply the preponderance of the evidence standard when determining responsibility. In order to find a Respondent responsible under the preponderance of the evidence standard, the evidence must show that the charge is more likely supported than not.

Upon reaching a decision, the Hearing Panel will invite the parties and Advisors to return to hear of the Hearing Panel's finding regarding responsibility for a violation of this policy.

If the Respondent is found responsible, the Hearing Panel shall move to address sanctions.

DETERMINATION AND SANCTIONS

If the Respondent is found responsible, the Hearing Panel may request input from the parties to evaluate possible sanctions. Prior conduct history of the Respondent will be considered when determining an appropriate sanction. If additional information is requested, the Hearing Panel shall deliberate in closed session with only panelists present.

The Hearing Panel will notify the parties and Advisors of any sanction imposed. The Hearing Panel will prepare and provide to the Title IX Campus Coordinator, within five business days of the Hearing, a written determination which must include:

- Identification of the allegations constituting Sexual Misconduct;
- A description of the procedural steps taken from receipt of the Formal Complaint through determination, including any notifications to the parties, interviews with parties and witnesses, evidence gathered and hearings held;
- Findings of fact supporting the determination;
- Conclusions regarding the application of the policy to the facts;
- A statement explaining the sanction for each policy violation found "responsible";
- Whether additional remedies designed to restore or preserve equal access will be provided by LSU to the Complainant.

The Title IX Campus Coordinator is responsible for effective implementation of any remedies and sharing of outcomes. The written determination prepared by the Hearing Panel chair shall be shared electronically by the Title IX Campus Coordinator with the parties and Advisors within three business days of receipt from the Hearing Panel.

The determination regarding responsibility and sanctions becomes final either:

- If appealed, the date written notice is provided to the parties of the appeal result, or
- If not appealed, the date on which an appeal would no longer be considered timely.

POSSIBLE CORRECTIVE ACTIONS

Students found responsible for violating this policy may expect the range of sanctions to include, but not be limited to, disciplinary probation, deferred suspension, suspension, expulsion psychological assessment, counseling, social restrictions, limited presence on campus, revocation of admission or degree. Additional sanctions may also be imposed when appropriate.

An employee found responsible for violating this policy may expect the range of sanctions to include, but not be limited to, suspension, administrative leave, demotion, psychological assessment, counseling, restricted presence on campus or termination of employment.

Both the Complainant and Respondent will be informed of the outcome of any corrective action or disciplinary process.

Section F

- Appoint reviewer(s) (no more than three);
- Notify the parties of identity of the identity of reviewer(s); and
- Provide the parties five business days to challenge the reviewer(s) for conflict of interest or bias. (The LSU Title IX Coordinator in conjunction with the respective Title IX Campus Coordinator will determine if cause exists to excuse the reviewer.)

The Title IX Campus Coordinator shall forward the appellate record to the reviewer. The record shall include, but is not be limited to:

- All evidence introduced at the hearing;
- Any pre-hearing determinations from the Hearing Panel Chair;
- The written findings of the Hearing Panel; and

- Uphold the Hearing Panel outcome; or
- Modify the Hearing Panel outcome for responsibility and/or sanctions; or
- Overturn the Hearing Panel outcome and remand for a new hearing.

The LSU Title IX Coordinator shall notify the respective Title IX Campus Coordinator who shall then notify the parties and Advisors within two business days of receipt of the decision.

Appeal decisions are final. In the event of remand for rehearing, the subsequent Hearing Panel outcome may be appealed in accordance with the provisions herein. Any appeal right exercised under this policy shall complete the process.

Section G

MISCELLANEOUS PROVISIONS

PROHIBITION OF RETALIATION

No person may intimidate, threaten, coerce or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this policy or because the individual has made a report or complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding or hearing under this policy. Retaliation is a violation of this policy and shall constitute misconduct subject to disciplinary action herein. LSU will take steps to prevent recurrence and remedy the effects of any violation of this policy.

Charging an individual with disciplinary actions outside this policy for making materially false statements in bad faith in the course of a grievance proceeding does not constitute retaliation. A finding of responsibility against a Respondent, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

TITLE IX COORDINATORS

The President shall designate the LSU Title IX Coordinator who shall oversee, on all LSU campuses, the implementation, enforcement, and coordination of Title IX. Each Chancellor shall designate a Title IX Campus Coordinator to oversee on-campus Title IX compliance for their respective campus. Campuses may appoint Deputy Title IX Coordinator(s) to assist the Title IX Campus Coordinator in their duties. A listing of Campus designees may be found on the LSU Title IX webpage at <https://www.lsu.edu/titleix/>.

The President shall also designate a Deputy Title IX Coordinator for Athletics. In consultation with the Chancellors and Athletic Directors for each campus, this individual will monitor sports equity, including offerings, participation, and scholarships on all campuses for Title IX compliance. Complaints, supportive measures or other concerns related to issues of Sexual Misconduct involving student athletes or Athletics personnel (other than those involving sports equity) shall be addressed in accordance with this policy.

AMNESTY POLICY

LSU encourages reporting and seeks to remove barriers in reporting of Sexual Misconduct. A Complainant or witness who, in good faith, reports Sexual Misconduct, shall not be sanctioned for nonviolent student conduct violations, such as underage drinking, provided such violation did not place the health and safety of any other person at significant risk of harm.

CONFIDENTIALITY

To the extent permitted by law, LSU will strive to maintain the confidentiality of any individual under this policy who:

- Has made a report or complaint;
- Has been named as a perpetrator;
- Has been named as a Respondent; or
- Has been named as a witness.

COOPERATION WITH LAW ENFORCEMENT

LSU will comply with law enforcement requests for cooperation and such cooperation may require LSU to temporarily suspend the fact-finding aspect of an investigation under this policy while the law enforcement agency is in the process of gathering evidence. LSU will promptly resume its investigation as soon as notified by law enforcement that it has completed the initial evidence gathering process. LSU may provide up to 10 business days to allow for the law enforcement agency criminal process/investigation to unfold prior to resuming the fact-finding aspect of the investigation under this policy.

The University will implement appropriate interim steps and remedies during the law enforcement agency's investigation to provide for the safety of the parties to the case, the campus community, and to avoid any instance of retaliation.

PREEMPTION

To the extent a conflict exists between State or local law and Title IX, the obligation to comply with Title IX is not obviated or alleviated by any State or local law. To the extent other LSU or campus-based policies may conflict with this policy, the provisions of this policy shall supersede and govern.

TASK FORCE

Each campus shall establish a task force to address Sexual Misconduct. Each task force shall invite student members to be represented through their respective student government body or other student organizations.

RECORD KEEPING

Records created or received under this policy will be maintained for seven years from the date each case is closed. The following shall be kept as a part of the record:

- Each investigation including any determination regarding responsibility;
- Any audio or audiovisual recording or transcript of a hearing;
- Any disciplinary sanctions imposed on the Respondent;
- Any remedies provided to the Complainant designed to restore or preserve equal access to LSU's education program or activity;
- Any appeal and result therefrom;

- Any informal resolution and result therefrom;
- All materials used to train Title IX Coordinators, Investigators, decision-makers, and any person who facilitates an informal resolution process; and
- Records of any actions, including supportive measures, taken in response to a report or Formal Complaint.

LSU may be required to disclose information on a need-to-know basis in order to properly address a complaint, when there is a threat to others, pursuant to subpoena, or other court or administrative order, or as may be required by applicable law. Violations of confidentiality or privacy by any other persons involved in the resolution, investigation or administration of the complaint, including any employee, faculty, staff, or student may result in disciplinary or corrective action.

MEMORANDA OF UNDERSTANDING

Each campus shall make diligent efforts to enter into Memorandum of Understanding (MOU) with law enforcement and criminal justice agencies in the parish in accordance with Louisiana law. In accordance with La. R.S. 17:3399.11, et seq., the MOUs should:

- Clearly delineate responsibilities;
- Establish protocols for investigation, including standard for notification and communication and measures to promote evidence preservation;
- Include agreed upon training and requirements for the parties on issues related to sexually-oriented criminal offenses for the purpose of sharing information and coordinating training, to the extent possible;
- Evidence a commitment and protocols to share information; and
 - State that local law enforcement agencies shall include information on police reports regarding status of alleged victim as an LSU student

The MOUs should be updated every two years. The MOU should provide for joint or shared trauma-informed training specific to assisting sexual assault survivors.

CAMPUS CLIMATE SURVEY

Each campus shall administer a Campus Climate Survey every three years (2022-2023, 2025-2026, etc.) to assess the knowledge, perceptions and behaviors of its students, faculty and staff regarding Sexual Misconduct. Each campus is encouraged to supplement the statewide survey with additional information specific to its unique characteristics that may assist in preventing Sexual Misconduct and administering strategies dealing with Sexual Misconduct. The Campus Climate Survey shall be submitted to the LSU Title IX Coordinator by June 1 of each year the survey is required.

TRAINING, EDUCATIONAL, AND PREVENTION PROGRAMS

Each campus shall regularly offer training, educational and prevention programs designed

to inform the campus community about Sexual Misconduct, PM 73 and Title IX. Each campus will develop educational programs, prevention programs, and other events designed to reduce the incidence of sexual violence on campus or within the community. Each campus should identify and include a bystander intervention program and programs addressing issue related to this policy. Information on these programs shall be available on each campus's Title IX website.

TRANSFER

The Board of Regents' Uniform Policy on Sexual Assault requires that: (1) institutions communicate with each other regarding transfer of students against whom disciplinary action has been taken as a result of violation regarding sexually-oriented criminal offenses, as defined in La. R.S. 44:51 or any sexual abuse offense as defined in La. R.S. 14:403; and (2) institutions withhold transcripts of students seeking transfer with pending disciplinary action relative to sexually-oriented criminal offenses, until such investigation and adjudication is complete.

VI. GLOSSARY

Actual Knowledge Any reasonable information of Sexual Misconduct or allegations of Sexual Misconduct provided to a Title IX Coordinator, Deputy Coordinator, or any other Responsible Employee. Notice would also include personal observation of such conduct by any employee.

Advisor May be any person the Complainant or Respondent chooses, or appointed by LSU should the party not select someone. The Advisor's function shall be to support and/or consult with the party during any proceeding or meeting under this policy. The Advisor may, but is not required to, be an attorney. Participation shall be limited as stated herein.

The Advisor may not act as a spokesperson except:

- During a Prehearing Conference or
- During the Hearing when conducting cross-examination of a witness.

Once a party shares the identity and contact email address for their Advisor, that Advisor shall be copied on correspondence from LSU on the case in accordance with the Procedures section of this policy. A party may change Advisors at any time but must provide notice to the Title IX Campus Coordinator or Title IX Lead Investigator.

Confidential Advisor Campus designees selected by Title IX Campus Coordinators and trained in accordance with Louisiana law to provide confidential services to students regarding reporting, supportive measures, rights to report to law enforcement and other information under this policy.

Coercion The use of express or implied threats, intimidation, or physical force placing an individual in fear of immediate harm or physical injury or causes a person to engage in unwelcome sexual activity. Coercion may include administering a drug, intoxicant, or other substance with intent to impair one's ability to consent prior to engaging in sexual activity.

Complainant An individual who believes that they are the victim of Sexual Misconduct under this policy and notifies the Title IX Coordinator or a Responsible Employee of the incident.

Consent Clear, knowing and voluntary demonstrated through mutually understandable words or actions clearly indicating willingness to engage in a specific sexual activity and any conditions on the activity. It is active, not passive, and silence, absent actions evidencing permission, is not consent. Responsibility for obtaining consent lies with the individual initiating the sexual activity.

Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of consent is expressed, the sexual activity must immediately cease. Consent is automatically withdrawn by a person incapable of giving consent. A current or previous consensual intimate relationship between the parties does not itself imply consent or preclude a finding of responsibility.

To give consent, a person must be of legal age. Consent cannot be obtained through Coercion, fraud or from a person who the alleged offender knows or should reasonably know is incapacitated. Use of alcohol or drugs does not diminish the responsibility to obtain consent.

Formal Complaint A document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Misconduct against a Respondent and requesting LSU to investigate the allegation. At the time of filing, a Complainant must be participating in or attempting to participate in the educational program or activity of LSU.

A Formal Complaint may be filed with the Title IX Coordinator or Title IX Campus Coordinator;

- In person,
- By mail,
- By electronic mail,
- By phone, or
- By submission through designated online portals.

A Formal Complaint by a Complainant must include the individual's physical or digital signature or otherwise indicate that the Complainant is the person filing the complaint. When the Title IX Coordinator/Campus Coordinator signs a Formal Complaint, the Coordinator is not a Complainant or otherwise a party and must otherwise comply with duties of the position.

Formal Resolution A process by which allegations are presented to a Hearing Panel for determination as to whether a Respondent is responsible for a violation of this policy.

Hearing Panel A body assembled to hear testimony and weigh evidence resulting in a decision regarding responsibility based on the preponderance of the evidence.

Incapacitation An individual is considered to be incapacitated if, by reason of mental or physical condition, the individual is manifestly unable to make a knowing and deliberate choice to engage in sexual activity. Being drunk or intoxicated can lead to incapacitation; however, drunkenness or intoxication is not necessarily the same as incapacitation. Incapacitation is a state beyond drunkenness or intoxication. Individuals who are asleep, unresponsive or unconscious are incapacitated. Other indicators that an individual may be incapacitated include, but are not limited to, inability to communicate coherently, inability to dress/undress without assistance, inability to walk or stand without assistance, slurred speech, loss of coordination, vomiting, or inability to perform other physical or cognitive tasks without assistance.

Informal Resolution A process whereby the parties voluntarily work with a professional to reach a mutually agreeable resolution of the complaint without a formal hearing.

Interim Measures Remedial measures taken to help deescalate and offer a short-term temporary resolution during the pendency of a resolution under this policy.

Non-Consensual Sexual Contact Any intentional sexual touching, or attempted sexual touching, without consent.

Non-Consensual Sexual Intercourse Having or attempting to have sexual intercourse, cunnilingus, or fellatio without consent. Sexual intercourse is defined as anal or vaginal penetration by a penis, tongue, finger, or inanimate object.

Notice A report of Sexual Misconduct made to the Title IX Campus Coordinator, LSU Title IX Coordinator, Deputy Coordinator or any Responsible Employee.

Power-based Violence any form of interpersonal violence intended to control or intimidate another person through the assertion of power of the person, including but not limited to dating violence, domestic violence, sexual assault, sexual harassment, and stalking

Respondent A person reported to have engaged in actions that may constitute Sexual Misconduct.

Responsible Employee Any employee given the duty of reporting actual notice of incidents of sexual violence or any other misconduct prohibited by this policy. Responsible Employees do not include victims' advocates, mental health counselors, or LSU Ombudsperson.
