

Academy Preventing Bullying policy

SILVERDALE
PRIMARY
ACADEMY

Silverdale Primary Academy

This policy was adopted on 10.5.2021

This policy is due for review on 10.5.2022

1. Introduction

- 1.1 Bullying hurts and no-one deserves to be bullied. In Silverdale Primary Academy we recognise that bullying, especially if left unaddressed, can have a devastating effect on individuals. It can be a barrier to learning and have serious consequences on mental health. Bullying which takes place at school can have a lasting effect on a young person's life into adulthood. Pupils who are bullying need to learn different ways of behaving.
- 1.2 We aim to provide a safe, caring and friendly climate for learning for all our pupils to allow them to improve their life chances and help them maximise their potential. Everybody has the right to be treated with respect, to feel welcome, secure and happy. We also aim to produce an inclusive environment for all pupils which openly discusses differences between people and celebrates diversity.
- 1.3 We expect pupils to act safely and feel safe in the academy, including that they understand the issues relating to bullying and that they feel confident to seek support from the academy should they feel unsafe. We also want parents to feel confident that their children are safe and cared for in the academy and incidents when they do arise are dealt with promptly and well.
- 1.4 The academy has a responsibility to respond promptly and effectively to issues of bullying and all incidents will be treated seriously. When there is 'reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm' a bullying incident will be addressed as a child protection concern.

2. Aims and objectives

- 2.1 The aim of this policy is to provide a framework for:
- Promoting the understanding of what constitutes bullying behaviour and the effects that this can have;
 - Identifying clear procedures for the reporting and investigation of incidents;
 - Ensuring consistent and appropriate sanctions are in place for those who bully;
 - Ensuring support mechanisms are in place for children who are bullied and for those who bully;
 - Academy monitoring of all incidents to identify both wider trends and potential safeguarding issues for individuals;
 - Training and support of staff in identifying bullying behaviour and supporting children who are bullied and those who bully.
- 2.2 By creating this framework our objective is to tackle and prevent bullying.

3. Definitions

- 3.1 The language used around bullying can be very emotive and can 'label' children, suggesting permanence. Instead of 'victim' say person (child) who is being bullied, and instead of 'bully' say person (child) who is using bullying behaviours/doing the bullying. In this way it is the behaviours and roles that are being labelled, not the children.
- 3.2 Friendship problems and bullying behaviour can be upsetting and unpleasant but it is important to distinguish between the two, as the responses to friendship problems will be different to the strategies used to address bullying behaviour.
- 3.3 Friendship problems may be an occasional incident where both pupils disagree and find it difficult to resolve the disagreement without adult help. It is unlikely to be repeated behaviour and may even be accidental, where both children make an effort to resolve the problem. However, we recognise that repeated friendship problems can sometimes lead to bullying behaviour.
- 3.4 Bullying involves dominance of one student by another, or a group of others, is premeditated and usually forms a pattern of behaviour. It is behaviour which is intended to hurt, threaten or otherwise intimidate another person and can result in pain and distress to the victim in a physical or mental form.
- 3.5 Bullying is therefore:

- Deliberately hurtful;
- Repeated, often over a period of time;
- Difficult for victims to defend themselves against.

3.6 It can take many forms but the main types are:

- Physical - hitting, kicking, and taking another's belongings;
- Verbal - name calling, insulting, making offensive remarks;
- Indirect - spreading nasty stories about someone, exclusion from social groups, being made the subject of rumours in any form
- Cyber – name calling, insulting others, spreading rumours or images.
- Psychological bullying - defined as any kind of intentional and purposeful mental abuse.

3.7 Some forms of bullying are attacks not only on the individual, but also on the group to which the victim may belong. Within school we will pay particular attention to:

- Racial harassment and racist bullying;
- Sexual and gender-based bullying;
- The use of homophobic language including biphobic and transphobic references, including deadnaming;
- Bullying of students who have special educational needs or disabilities.

3.8 Students may become involved in bullying because they:

- want to dominate others and improve their social status
- have low self-esteem
- have a lack of remorse or fail to recognise their behaviour as a problem
- feel angry or frustrated
- struggle socially
- have been the victim of bullying themselves

4. Preventing bullying

4.1 Strategies employed with our pupils

- Issues surrounding friendships and bullying behaviour are taught through the Personal, Social & Health Education (PSHE) Curriculum. Pupils are taught to explore some of the ups and downs of relationships, including the positive and negative aspects and benefits of friendships.
- Whole school assemblies are also used to discuss all aspects of friendships.
- Class Circle Time provides opportunities for more detailed discussions and role play activities to explore the nature of bullying and how they can respond.
- The School Council will provide a forum for discussing any bullying issues and for the children to decide ways of preventing it and supporting those who are bullied.
- The Academy Rules will be upheld at all times. All staff will monitor behaviour and intervene when it becomes inappropriate in order to prevent bullying from developing. Staff on playground duty will inform class teachers of any incidents. The academy reward system will be used to promote positive behaviour.

4.2 Cyberbullying

The ever increasing use of digital technology and the internet has also provided new and particularly intrusive ways for bullies to reach their victims.

Cyberbullying can take many forms and bullying online can often start in school and then be progressed online or start online and influence behaviour in school.

Whilst most incidents of Cyberbullying occur outside school we will offer support and guidance to parents/ carers and their children who experience online bullying and will treat Cyberbullying with the same severity as any other form of bullying.

Cyberbullying can include:

- hacking into someone's accounts/sites
- Posting prejudice / hate messages

- Impersonating someone on line
- Public posting of images
- Exclusion
- Threats and manipulation
- Stalking

4.2.1 We will ensure that our children are taught safe ways to use the internet (see our online safety policy) and encourage good online behaviour.

4.3 Strategies employed with our staff

Annual safeguarding training takes place for all members of staff in September, or in the case of joining mid-year as part of the induction process. As part of this training the signs and impacts of bullying are discussed.

4.4 Strategies employed with our parents

4.4.1 Parents have a responsibility to support the academy's Preventing Bullying policy and to actively encourage their child to be a positive member of the academy community.

As an academy we work with our parents/carers to prevent bullying by providing advice and guidance on what to look out for as signs and symptoms of bullying. These could be:

- being frightened of walking to or from the academy
- not wanting to go on the Academy
- change their usual routine
- beg to be driven to the Academy
- being unwilling to go to the Academy
- becoming anxious and withdrawn
- attempted or threatened suicide
- crying themselves to sleep at night/nightmares
- feeling ill in the mornings
- truanting
- beginning to do poorly at school
- coming home with clothes/books torn
- having possessions 'go missing'
- asking for money or stealing money
- unexplained cuts/bruises
- coming home hungry (money/lunch has been stolen)
- becoming withdrawn, lacking in confidence
- becoming aggressive and unreasonable
- bullying other children or siblings
- giving improbable excuses for any of the above

We provide useful information for parents on preventing bullying, safe use of the internet and cyberbullying via parent information events; information sent home; and our website.

5. Reporting bullying incidents

5.1 All reports of bullying are taken seriously. Children are encouraged to report incidents to a member of staff. In the cases where this does not occur we encourage parents to report incidents to the class teacher or TA

Concerns are reported via CPOMS. Within the Bullying category are the sub-categories;

- Cyber
- Faith based bullying
- Friendship
- Homophobic/ Transphobic/ Biphobic
- Indirect – spreading rumours; stories about someone; exclusion from social groups; subject of malicious rumours
- Physical
- Racist
- SEND bullying
- Sexist

- Verbal – including teasing

All CPOMS incidents are reviewed by members of the Senior Leadership Team (SLT)

6. Investigating bullying incidents

6.1 When bullying is known to have happened or be ongoing. The class teacher will discuss the incident(s) with the pupil being bullied. It is important that they are listened to and believed.

The incident will then be discussed with the pupil engaging in bullying. Information will be gathered from witnesses to explain what they saw. The class teacher, Principal or SLT will be informed.

Throughout any investigation the academy will take into account any responsibilities under the Equalities Act 2010 to consider any SEN of the child/ren using the bullying behaviours.

7. Responding to a bullying incident

Where bullying does occur this will be followed, by an immediate and appropriate response, including the use of disciplinary sanctions where necessary. Early identification is the most effective way in minimising bullying behaviour and the effects on the person being bullied.

7.1 Supporting the pupil/student who has been bullied

We acknowledge that the person being bullied will need support throughout the experience. Pupils will be given the opportunity for Thrive sessions to discuss their concerns/ worries moving forward. Pupils are encouraged to report any negative behaviour, even if they are not sure whether it is bullying. They can do this through:

- Speaking to their teacher/TA or any member of support staff
- Speaking to a parent/other adult who then may contact the school in any of the ways listed.
- Speaking to their friends or a School Council member.

7.2 Supporting the pupil/student using the bullying behaviours

We acknowledge that the person doing the bullying needs to understand that their behaviour is unacceptable and must stop. They may also need support to change their behaviour and explore the underlying reasons for bullying. Pupils are encouraged to report any negative behaviour, even if they are not sure whether it is bullying. They can do this through:

- Speaking to their teacher/TA or any member of support staff
- Speaking to a parent/other adult who then may contact the school in any of the ways listed.
- Speaking to their friends or a School Council member.

7.3 Sanctions

Sanctions in line with the school's Behaviour Policy will be used where appropriate. These might include:

- Official warnings to cease offending or withdrawal of certain school privileges
- Minor fixed-term exclusion
- Major fixed-term exclusion
- Permanent exclusion
- Parents of those involved will be informed of any action taken.
- Records will be kept on pupils' files.

Where a pupil or group of pupils deny involvement in bullying behaviour the students concerned will be observed and monitored. The pupils being bullied may be asked to talk about any incidents which cause them concern. This policy will refer to 'the person bullying' and 'the person being bullied' rather than 'bully' and 'victim', both of which can be defined as negative labelling.

8. Bullying outside of academy premises

- 8.1 Principals have a specific statutory power to discipline pupils for poor behaviour outside of the academy premises. This can relate to any bullying incident occurring anywhere off the academy premises such as on public transport or on the way to or from the academy.
- 8.2 The bullying may be done by students from our own Academy, by students from other schools or by people who are not at school at all. Where a student or parent tells us of bullying outside of the Academy premises we will, as appropriate:
- Talk to students about how to avoid or handle bullying outside of the Academy;
 - Talk to the Principal of another school whose students are bullying;
 - Talk to the transport company about bullying on buses;
 - Use community links to set up restorative meetings;
 - Talk to the police and community team to gain external help and advice.

9. Monitoring and Review

- 9.1 The Local Board have defined responsibilities for the monitoring of pupil welfare and will receive regular reports on racist and homophobic incidents through the termly Principal's report.
- 9.2 Incidents of bullying behaviour are recorded using CPOMS. All staff have individual login accounts to enable them to record any reported incidents.

Reports of Bullying notify members of the SLT who monitor and review all incidents
