

Lower School Summer Reading

2021

Check out this required book and suggestions for your summer reading!

Triad Academy 5th Graders

Dear Rising Fifth Grade Readers and Parents,

Summer is almost here! We cannot wait to welcome you to fifth grade and begin our adventure. As you look ahead to all the excitement of fifth grade, there are a few items for you to work on this summer. Our one required summer reading book is *Wonder*, by R.J. Palacio. You may have read it before; we are asking that you pick it up and read it again.

We revisit this powerful book every summer, and each time something new jumps out to us. We think you will find the same to be true for you. We will begin our year exploring this novel. Be ready to come with your thoughts, connections, and wonderings when we start school. You may want to jot down some of your thinking as you read *Wonder*. There will be opportunities to share your thinking in the fall. We will use *Wonder* for many of our activities to begin the year together.

In addition to *Wonder*, each rising fifth grader is encouraged to read two other books. Dive into a graphic novel, a new series, a nonfiction topic, or other titles similar to *Wonder*. We look forward to listening to you share the books that grabbed your attention and prepared you for fifth grade.

Enjoy the summer! We are so excited to greet you in August!

Your Fifth Grade Team

Please see the next page for suggestions.

Also note that *Wonder* is available as an audiobook from Amazon Audible and as an ebook from Summit's OverDrive account using Sora: Summit Library page; Online Resources tab.
