

Brownsville Independent School District

Villa Nueva Elementary

2020-2021 Campus Improvement Plan

Accountability Rating: Not Rated: Declared State of Disaster

Board Approval Date: November 4, 2020
Public Presentation Date: November 4, 2020

Mission Statement

The mission of the administration, faculty, staff, parents, and community of Villa Nueva Elementary School is to provide quality education in a safe and positive environment conducive to optimal learning for all students who can pursue higher educational opportunities and who will become responsible citizens in a changing global society.

Vision

All stakeholders will create a motivating positive and respectful environment, that will reinforce student success and create confident, successful students through high expectations for all.

Value Statement

Together We Create A Better Tomorrow

Student Learning	8
School Processes & Programs	11
Perceptions	14
Priority Need Statements	16
Comprehensive Needs Assessment Data Documentation	19
Goals	21
Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).	21
Goal 2: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will ensure equity in availability of appropriate, well maintained, energy efficient facilities for a safe and orderly learning environment for all students. (Board Goal 2)	31
Goal 3: The District will ensure effective and efficient use of all available funds in implementing a balanced budget which includes improved compensation for teachers and plans to recruit, retain and support highly qualified personnel.	33
Goal 4: All BISD programs and campuses will work closely and collaboratively with the BISD Public Information Office to expand public relations/marketing campaigns to further expand student enrollment/recruitment/ and retention efforts. (Board Goal 4)	35
Goal 5: School campuses will maintain a safe and disciplined environment conducive to student learning. (TEA Ch. 4, Obj. 8)	38
Goal 6: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will provide required support and resources for the attainment of educational excellence and equity. Parents will be full partners with educators in the education of their children. (TEA Ch. 4, Obj. 1)	42
Goal 7: Educators will keep current with the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning. (TEA Ch. 4 Obj. 9)	45
Goal 8: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration. (TEA Ch. 4 Obj. 10)	48
Goal 9: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (TEA Ch. 4 Obj. 3)	51

Comprehensive Needs Assessment

Revised/Approved: May 14, 2020

Needs Assessment Overview

Villa Nueva Elementary is a small community school west of Brownsville. It was originally located in Villa Nueva until 1933 when the school was completely destroyed by a hurricane. The school was rebuilt in 1935 in San Pedro, but retained its original Villa Nueva name. In 1969, the school was annexed by the Brownsville Independent School District.

The instructional staff at Villa Nueva Elementary consists of Melissa Gutierrez, Principal, Ernie Vela, Assistant Principal, and Griselda Marchan, Dean of Instruction, 27 certified classroom teachers, and 9 paraprofessionals. Support professional staff includes school counselors, a physical education teacher, an art teacher, a music teacher, a school nurse, and a librarian. We also have one support teacher in the form of a substitute.

The school consists of a three-year-old program, PPCD, Pre-Kindergarten through Fifth grade. The ethnic distribution of the Student population consists as follows: 100% Hispanic, 93% Economically Disadvantaged, 45% Limited English Proficient (ELL's), 10% Special Ed

Our campus goals are extremely important to ensure the success of all of our students. Our goals include attaining 85% in the Math and Reading sections of STAAR 3rd, 4th, and 5th. Grades. An 85% in the Writing Section of STAAR for 4th grade and an 85% in the Science section for 5th grade.

Our goal for the lower grades is to have 85% of our students achieving “developed” status on TPRI and Tejas Lee.

Our attendance goal is 98%.

Villa Nueva’s current enrollment is at 481. Villa Nueva serves a linguistically and diverse population.

Services are offered to students in regular education, special education, and bilingual programs. Within its educational program, Villa Nueva offers programs in visual arts, music, computer labs, library services, Gifted and talented, and Dyslexia reading programs. At Villa Nueva, students are encouraged to participate in academic and extracurricular activities to help them become well-rounded citizens. Students are encouraged to participate in activities such as U.I.L. competition, Girls and Boys Scouts, chess club, athletics, running club, volleyball as well as the extended day program.

Students also compete in District competitions such as Science Fair, U.I.L., Spelling Bee, and Chess.

Villa Nueva students place 1st overall in the District UIL competition and our Spelling Bee representative placed 7th overall. Villa Nueva students proudly brought home several 1st, 2nd, & 3rd place trophies for Chess. The volleyball girls placed 1st for the year and were undefeated in regular-season play. We proudly brought many trophies and ribbons for Science Fair in which we were the proud hosts this year.

Besides addressing the academic components of our students, the educational program addresses the students’ needs. The counselors provide activities such

as: Back to School Rally, Parade of Characters, Career Day, Red Ribbon Week, Fire Prevention, and STAAR Rally. We have many art awards for poster contests to commemorate these events.

In an effort to increase parental involvement we schedule activities throughout the year. These activities include literacy engagement, school carnival, presentations for Christmas, and Charro Days. We have a father-daughter dance, Mother's Day events, as well as literacy nights.

Perfect Attendance, A & AB Honor Roll ribbons, and certificates are presented by Mrs. Sanchez at the end of every six weeks. Trophies are given to students at the end of the year for A, A & B, Perfect attendance as well as extracurricular activities.

The academic and affective components allow students, teachers, and administrators to portray a positive school climate that is conducive to learning.

Demographics

Demographics Summary

The student population at Villa Nueva Elementary School is approximately 440 as of PEIMS Snapshot (October 25, 2019) and serves students in grades Pre-K3 through Fifth Grade. According to the 2018-2019 TAPR Report of our campus profile, student population includes: Hispanic 98.6%, White 1.1%, Asian 0%, African American 0%, Economically disadvantaged 92.6%, Limited English Proficient (LEP) 43.1%, At-Risk 61.4%, Migrant <1%, Gifted and Talented 1.0%, Special Education <1%. Attendance Percentage for the 2017-2018 school year was 95.8% for all students and 95.7% for at-risk students. Currently, the average class size is 22:1 for K-4th grade and 27:1 for PK & 5th grade.

Demographics Strengths

- Administrative and Teacher support.
- ELL student placement into the Bilingual Program within the 20 day period
- Using Bilingual Funds for LEP students to target English Language Proficiency
- Stage 0 in the PBMAS (Performance-Based Monitoring Analysis System) Report of Bilingual
- TIER II Interventions for At-Risk, LEP, Economically Disadvantaged and Migrant students
- State Compensatory funding for At-Risk Students to fund tutorials that target students' academic needs in the content areas
- RTI plans updated every six weeks.
- Teacher monitoring and tracking of student progress

Need Statements Identifying Demographics Needs

Need Statement 1 (Prioritized): Need to increase our daily attendance average to meet the 97.5% district requirement. **Data Analysis/Root Cause:** Students are not meeting district attendance goals as per PEIMS attendance reports

Need Statement 2 (Prioritized): Need to continuously identify, monitor and assess students to ensure continuous support and provide supplies that are necessary for students to be academically successful. **Data Analysis/Root Cause:** Teachers need to provide students the right tools to help them succeed.

Need Statement 3 (Prioritized): Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups. **Data Analysis/Root Cause:** Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.

Need Statement 4 (Prioritized): Need to continue offering after-school At-Risk tutorials. **Data Analysis/Root Cause:** The 2018-2019 STAAR Results showed we had the following passing "Approaches" percentages for 3rd-5th grade At-Risk students: STAAR Mathematics 61% and STAAR Reading 63% .

Student Learning

Student Learning Summary

At Villa Nueva, the desegregation of students' assessment data is critical for students' academic success. We have weekly grade-level meetings, teachers and Dean of Instruction analyze assessment data to plan for instruction. We have co-planning every six weeks between regular education, dyslexia, and Special education teachers. The RTI team meets every six weeks to monitor students' academic progress. Students have ongoing progress monitoring participating in extracurricular activities.

Spring 2019 Results (TARP 2018-2019 REPORT)

3rd Grade	Mathematics				Reading/ELA

Student Learning Strengths

- Tutorial and Extended Day Enrichment program offered to help close the performance gaps between Special Education, Bilingual, and At-Risk students in the areas of Reading and Writing at all grade levels
- Vast opportunities for students to participate in Extra-Curricular Activities such as Chess, UIL, Science Fair, Spelling Bee, Coding Club, Volleyball, Running club, and Basketball.
- PK3 and PK4 program offered
- Student/Teacher ratio
- UIL 2nd Place

Need Statements Identifying Student Learning Needs

Need Statement 1 (Prioritized): Need to increase availability of quality technology for students, teachers and administrators, by purchasing more electronic devices (e.g. tablets, Chromebooks, laptops, desktops), providing teachers with the technology necessary to implement the districts curriculum (e.g. document cameras, projectors, TV's, smart-boards, printers, cameras) and purchase of software and any other peripherals (e.g. keyboards, USB drives, pointers, etc...) **Data Analysis/Root Cause:** Meet the COVID-19 need of possible distance learning and/or blended learning and meet district and campus initiative of one to one device.

Need Statement 2 (Prioritized): Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups. **Data Analysis/Root Cause:** Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.

Need Statement 3 (Prioritized): Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. **Data Analysis/Root Cause:** According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).

Need Statement 4 (Prioritized): Need to purchase and provide general and supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** To create campus/district assessments, campus literacy initiative workbooks, replace consumable workbooks, have rigorous resources that are aligned with State requirements (TEKS).

Need Statement 5 (Prioritized): Need to provide general education teachers with vertical and horizontal planning time once every six weeks to prepare lessons and improve teaching methods. **Data Analysis/Root Cause:** Closing the curriculum gaps between grade-levels.

Need Statement 6 (Prioritized): Need to continue recognizing and rewarding student accomplishments by purchasing and providing the students with certificates, trophies, prizes, shirts, celebrations and ceremonies. **Data Analysis/Root Cause:** To motivate students to continue learning and encourage them to strive for success.

Need Statement 7 (Prioritized): Need to continue offering Extended Day Enrichment Program classes for all students. **Data Analysis/Root Cause:** Students have the opportunity to continue their learning through enriched lessons, use of content specific online software and homework assistance.

School Processes & Programs

School Processes & Programs Summary

School Processes & Programs Summary

In an effort to include all stakeholders for Villa Nueva Elementary, there are weekly parent meetings, weekly grade level meetings, and an SBDM committee that meets at least once a month. These groups which integrate all levels of individuals from all aspects of the community including data from state assessments and from the campus needs assessment surveys helps determine the needs for the campus. These decision making groups use data to help decide what needs are being met and what is still necessary.

Weekly grade-level curriculum meetings are held. Teachers' implement the district's curriculum and supplement it with additional resources addressing state assessment expectations. Weekly assessments, campus, and district benchmarks are used to measure student achievements. We analyze TPRI/Tejas Lee, TELPAS, and STAAR data to plan for instruction. We also conduct data analysis of Progress Monitoring in order to provide students with the instruction necessary during In-house and after school tutorials for At-Risk students. Instruction is based on the TEKS in order to prepare our students for State Assessments. Teachers are monitored with weekly classroom observations. Master Schedule in place maximizing the time for student instruction.

English Language Arts

Using data from state assessments, benchmarks, and report cards, it was determined that a robust intervention for ELA be implemented using both textual and digital methods. The textual implementation of said interventions included district purchased textbook adoptions, Writing Academy Training, Think Up by Mentoring Minds, and also a commitment to the consistent use of Accelerated Reading program to create an opportunity for the students to read on topics of self-interest. All these interventions were done following the new and revised English Language Arts Texas Essential Knowledge and Skills criteria mandated from the state.

Mathematics

Using data from state assessments, benchmarks, and report cards, it was determined that a robust intervention for Mathematics be implemented using both textual and digital formats and increased teacher professional development to ensure teacher growth. The textual implementation of said interventions included the district purchase textbook adoption and the Sharon Wells Math Program. The digital implementation of Imagine Math, Education Galaxy, and Prodigy was used to increase student outcomes when being measured through state assessment, benchmarks and six weeks report cards.

Science

Due to a lack of reliable data to measure student outcomes in science, it was pertinent that the campus implements interventions within other content areas to help supplement the fifth-grade science curriculum. This fifth-grade need put the campus in a position to look at software that could not only be used for science but also as a means to supplement our 2nd thru 5th grade ELA. The software in question was called Summit K-12 and it was used as a means to

provide informational reading material to said grade levels.

Social Studies

Villa Nueva Elementary made it a point to integrate social studies lessons throughout its curriculum to ensure a constant flow of social studies topics. Materials used to implement this curriculum included but was not limited to the district purchased Pearson textbook, Social Studies Weekly newspapers, Brain Pop, and other digital formats.

Technology Summary

We have a Cart with tablets available on a daily basis for our Pre Kinder and Kinder students. We have three Computer Carts available for our fifth-grade classrooms. Third thru fifth-grade students use Education Galaxy, Imagine Math, Summit K-12, and Lexia Core. Kinder to Second-grade students use Brain Pop, Imagine Math, Education Galaxy, and Lexia Core on a regular basis. Each fifth-grade student has his own laptop computer. Eduphoria, Aware, Tango Trends are available for testing and data analysis.

School Processes & Programs Strengths

- Certified Teachers with bilingual certificates and continued essential professional development.
- After school tutorial programs for At-Risk students & Extended Day Program
- Weekly Grade Level curriculum planning & Data Analysis

- Monthly Faculty Meetings for Professional Development
- Monthly SBDM Meetings in which SBDM members actively participate the campus making decisions
- Every classroom is equipped with the essential technology equipment to provide students with the most current information.

Need Statements Identifying School Processes & Programs Needs

Need Statement 1 (Prioritized): Need to increase availability of quality technology for students, teachers and administrators, by purchasing more electronic devices (e.g. tablets, Chromebooks, laptops, desktops), providing teachers with the technology necessary to implement the districts curriculum (e.g. document cameras, projectors, TV's, smart-boards, printers, cameras) and purchase of software and any other peripherals (e.g. keyboards, USB drives, pointers, etc...) **Data Analysis/Root Cause:** Meet the COVID-19 need of possible distance learning and/or blended learning and meet district and campus initiative of one to one device.

Need Statement 2 (Prioritized): Need to provide more professional development opportunities in the area of integration of technology for teachers and paraprofessionals. **Data Analysis/Root Cause:** Meet the COVID-19 need of possible distance learning and/or blended learning. Also, the Spring 2020 Teacher CNA survey indicates 58% of teachers believe they need more professional development in technology.

Need Statement 3 (Prioritized): Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in

purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups.

Data Analysis/Root Cause: Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.

Need Statement 4 (Prioritized): Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. **Data Analysis/Root Cause:** According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).

Need Statement 5 (Prioritized): Need to provide general education teachers with vertical and horizontal planning time once every six weeks to prepare lessons and improve teaching methods. **Data Analysis/Root Cause:** Closing the curriculum gaps between grade-levels.

Perceptions

Perceptions Summary

Perceptions Summary

At Villa Nueva, administrators and teachers analyze the school culture and climate to ensure that our students are provided with a structured and disciplined environment. The environment includes respect for all including faculty and staff along with our students and parents. In an effort to ensure continued support, administration makes it a point to have an open door policy and give individuals an opportunity to provide informal commentary, suggestions, and ideas under consideration for any decisions being made on campus. For a more formal setting, SBDM meetings are held on a monthly basis. Members are asked to bring up issues and concerns, in order to maintain a clean, safe, and disciplined environment. Campus safety issues, policies, and procedures are addressed in order to create a plan to improve issues that affect School Culture and Climate.

We encourage parents and the community to be involved in students' education. Parents are always welcomed at Villa Nueva Elementary, where we communicate with them in their native language. Parents have easy access to administrators. We offer the 3yr old program and there is a positive environment in every classroom. Parents were given a survey, answers were analyzed and discussed to promote parental involvement for the 2019-2020 school year. SBDM uses parent input from the survey to determine campus needs to increase attendance rates, parental involvement, parent and community member volunteer opportunities

Perceptions Strengths

- Weekly Grade Level Meeting
- Monthly Faculty Meetings
- SBDM Meetings
- Campus Teacher Appreciation
- Weekly Parental Involvement meetings.
- Nurse on staff to help students and provide a presentation on personal hygiene.
- Promote school uniforms.
- Parents are invited to award ceremonies every six weeks
- Communication with parents in their native language.
- All day PK3 & PK4 program.
- Keep parents informed of upcoming events.
- Parents work on instructional materials for teachers

Need Statements Identifying Perceptions Needs

Need Statement 1 (Prioritized): Need to continue general campus upkeep including but not limited to daily sanitizing of facility to ensure cleanliness. Upkeep will also include replacing student and faculty furniture. **Data Analysis/Root Cause:** Address COVID-19 health concerns. The number of maintenance work orders completed by campus.

Need Statement 2 (Prioritized): Need to continue procedures and activities that maintain and/or improve the students' overall physical and mental well being and also provide the resources/materials students need to continue their distance learning. **Data Analysis/Root Cause:** Address COVID-19 needs & concerns. According to the 2019 - 2020 Parent Campus Needs Assessment (CNA) Survey several parents responded that they would like for the campus to offer more sport programs.

Need Statement 3 (Prioritized): Need to increase parent and family engagement in supporting student learning for academic success especially for second language stakeholders and by providing different times and ways to participate. **Data Analysis/Root Cause:** Based on parents conference attendance, parent meeting attendance and volunteer rosters our parental involvement has decreased from year to year.

Need Statement 4 (Prioritized): Need to provide stipends and campus recognition activities for faculty and staff to increase the morale and reduce the turnover of highly qualified teachers. **Data Analysis/Root Cause:** Staff recognition needs to increase based on the 2019-2020 CNA Staff Survey "Additional Comments".

Need Statement 5 (Prioritized): Need to decrease disciplinary incidents, and bullying. **Data Analysis/Root Cause:** Based on the number of eSchool Disciplinary reports, and counselor student log

Priority Need Statements

Need Statement 1: Need to increase our daily attendance average to meet the 97.5% district requirement.

Data Analysis/Root Cause 1: Students are not meeting district attendance goals as per PEIMS attendance reports

Need Statement 1 Areas: Demographics

Need Statement 2: Need to increase availability of quality technology for students, teachers and administrators, by purchasing more electronic devices (e.g. tablets, Chromebooks, laptops, desktops), providing teachers with the technology necessary to implement the districts curriculum (e.g. document cameras, projectors, TV's, smart-boards, printers, cameras) and purchase of software and any other peripherals (e.g. keyboards, USB drives, pointers, etc...)

Data Analysis/Root Cause 2: Meet the COVID-19 need of possible distance learning and/or blended learning and meet district and campus initiative of one to one device.

Need Statement 2 Areas: Student Learning - School Processes & Programs

Need Statement 3: Need to provide more professional development opportunities in the area of integration of technology for teachers and paraprofessionals.

Data Analysis/Root Cause 3: Meet the COVID-19 need of possible distance learning and/or blended learning. Also, the Spring 2020 Teacher CNA survey indicates 58% of teachers believe they need more professional development in technology.

Need Statement 3 Areas: School Processes & Programs

Need Statement 4: Need to continue general campus upkeep including but not limited to daily sanitizing of facility to ensure cleanliness. Upkeep will also include replacing student and faculty furniture.

Data Analysis/Root Cause 4: Address COVID-19 health concerns. The number of maintenance work orders completed by campus.

Need Statement 4 Areas: Perceptions

Need Statement 5: Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups.

Data Analysis/Root Cause 5: Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.

Need Statement 5 Areas: Demographics - Student Learning - School Processes & Programs

Need Statement 6: Need to continue procedures and activities that maintain and/or improve the students' overall physical and mental well being and also provide the resources/materials students need to continue their distance learning.

Data Analysis/Root Cause 6: Address COVID-19 needs & concerns. According to the 2019 - 2020 Parent Campus Needs Assessment (CNA) Survey several parents responded that they would like for the campus to offer more sport programs.

Need Statement 6 Areas: Perceptions

Need Statement 7: Need to increase parent and family engagement in supporting student learning for academic success especially for second language stakeholders and by providing different times and ways to participate.

Data Analysis/Root Cause 7: Based on parents conference attendance, parent meeting attendance and volunteer rosters our parental involvement has decreased from year to year.

Need Statement 7 Areas: Perceptions

Need Statement 8: Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students.

Data Analysis/Root Cause 8: According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).

Need Statement 8 Areas: Student Learning - School Processes & Programs

Need Statement 9: Need to continuously identify, monitor and assess students to ensure continuous support and provide supplies that are necessary for students to be academically successful.

Data Analysis/Root Cause 9: Teachers need to provide students the right tools to help them succeed.

Need Statement 9 Areas: Demographics

Need Statement 10: Need to continue offering after-school At-Risk tutorials.

Data Analysis/Root Cause 10: The 2018-2019 STAAR Results showed we had the following passing "Approaches" percentages for 3rd-5th grade At-Risk students: STAAR Mathematics 61% and STAAR Reading 63% .

Need Statement 10 Areas: Demographics

Need Statement 11: Need to provide general education teachers with vertical and horizontal planning time once every six weeks to prepare lessons and improve teaching methods.

Data Analysis/Root Cause 11: Closing the curriculum gaps between grade-levels.

Need Statement 11 Areas: Student Learning - School Processes & Programs

Need Statement 12: Need to purchase and provide general and supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements.

Data Analysis/Root Cause 12: To create campus/district assessments, campus literacy initiative workbooks, replace consumable workbooks, have rigorous resources that are aligned with State requirements (TEKS).

Need Statement 12 Areas: Student Learning

Need Statement 13: Need to continue recognizing and rewarding student accomplishments by purchasing and providing the students with certificates, trophies, prizes, shirts, celebrations and ceremonies.

Data Analysis/Root Cause 13: To motivate students to continue learning and encourage them to strive for success.

Need Statement 13 Areas: Student Learning

Need Statement 14: Need to provide stipends and campus recognition activities for faculty and staff to increase the morale and reduce the turnover of highly qualified teachers.

Data Analysis/Root Cause 14: Staff recognition needs to increase based on the 2019-2020 CNA Staff Survey "Additional Comments".

Need Statement 14 Areas: Perceptions

Need Statement 15: Need to continue offering Extended Day Enrichment Program classes for all students.

Data Analysis/Root Cause 15: Students have the opportunity to continue their learning through enriched lessons, use of content specific online software and homework assistance.

Need Statement 15 Areas: Student Learning

Need Statement 16: Need to decrease disciplinary incidents, and bullying.

Data Analysis/Root Cause 16: Based on the number of eSchool Disciplinary reports, and counselor student log

Need Statement 16 Areas: Perceptions

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals

Accountability Data

- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data

Student Data: Assessments

- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Prekindergarten Self-Assessment Tool

Student Data: Student Groups

- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data

Employee Data

- Staff surveys and/or other feedback
- State certified and high quality staff data
- Professional development needs assessment data
- T-PESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Budgets/entitlements and expenditures data

Goals

Revised/Approved: May 14, 2020

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 1: Villa Nueva student performance for all students, all grades, all subjects will exceed 2019 STAAR percent Meets Grade Level and STAAR Masters Grade Level performance in reading, writing, mathematics, and science by 5 percentage points.

Evaluation Data Sources: 2020-2021 STAAR performance reports.

Performance Objective 1 Need Statements:

Student Learning
<p>Need Statement 3: Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. Data Analysis/Root Cause: According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).</p>
School Processes & Programs
<p>Need Statement 4: Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. Data Analysis/Root Cause: According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).</p>

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 2: Villa Nueva early childhood performance will increase by 5 percentage points over end-of-year 2020-2021 results.

Evaluation Data Sources: End Of Year TPRI, Tejas Lee, and CPALLS results.

Performance Objective 1 Need Statements:

Student Learning
<p>Need Statement 1: Need to increase availability of quality technology for students, teachers and administrators, by purchasing more electronic devices (e.g. tablets, Chromebooks, laptops, desktops), providing teachers with the technology necessary to implement the districts curriculum (e.g. document cameras, projectors, TV's, smart-boards, printers, cameras) and purchase of software and any other peripherals (e.g. keyboards, USB drives, pointers, etc...) Data Analysis/Root Cause: Meet the COVID-19 need of possible distance learning and/or blended learning and meet district and campus initiative of one to one device.</p>

Student Learning

Need Statement 3: Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. **Data Analysis/Root Cause:** According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).

School Processes & Programs

Need Statement 1: Need to increase availability of quality technology for students, teachers and administrators, by purchasing more electronic devices (e.g. tablets, Chromebooks, laptops, desktops), providing teachers with the technology necessary to implement the districts curriculum (e.g. document cameras, projectors, TV's, smart-boards, printers, cameras) and purchase of software and any other peripherals (e.g. keyboards, USB drives, pointers, etc...) **Data Analysis/Root Cause:** Meet the COVID-19 need of possible distance learning and/or blended learning and meet district and campus initiative of one to one device.

Need Statement 4: Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. **Data Analysis/Root Cause:** According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).

Goal 8: Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration. (TEA Ch. 4 Obj. 10)

Performance Objective 1: Villa Nueva will show a 5% increase in all four key areas of the Star Chart: 1. Teaching and Learning 2. Educator Preparation and Development 3. Leadership, Administration, and Instructional Support 4. Infrastructure for Technology.

Evaluation Data Sources: EOY Student grades, electronic portfolios, Star Chart Survey Results, T-TESS, Professional Development System Summary Reports, Fixed Assets inventory Expenditure reports

<p>Need Statement 2: Need to continuously identify, monitor and assess students to ensure continuous support and provide supplies that are necessary for students to be academically successful. Data Analysis/Root Cause: Teachers need to provide students the right tools to help them succeed.</p> <p>Need Statement 3: Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups. Data Analysis/Root Cause: Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.</p> <p>Need Statement 4: Need to continue offering after-school At-Risk tutorials. Data Analysis/Root Cause: The 2018-2019 STAAR Results showed we had the following passing "Approaches" percentages for 3rd-5th grade At-Risk students: STAAR Mathematics 61% and STAAR Reading 63% .</p>

Student Learning

Need Statement 2: Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups. **Data Analysis/Root Cause:** Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.

Need Statement 3: Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. **Data Analysis/Root Cause:** According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).

Need Statement 4: Need to purchase and provide general and supplemental instructional supplies and resources to address increased demands for varied instructional models or new program requirements. **Data Analysis/Root Cause:** To create campus/district assessments, campus literacy initiative workbooks, replace consumable workbooks, have rigorous resources that are aligned with State requirements (TEKS).

Need Statement 7: Need to continue offering Extended Day Enrichment Program classes for all students. **Data Analysis/Root Cause:** Students have the opportunity to continue their learning through enriched lessons, use of content specific online software and homework assistance.

School Processes & Programs

Need Statement 3: Need to increase the passing rate of our sub-population on campus, district and state assessments. Therefore, the campus will invest in purchasing instructional online software programs that provide foundational skills as well as rigorous learning and provide substitutes to create small targeted intervention groups. **Data Analysis/Root Cause:** Interventions for our sub-population group are not adequate to achieve over 70% passing rate according to the 2018-2019 STAAR all subjects combined results.

Need Statement 4: Need to improve reading/literacy skills at all levels and all content areas and writing across the curriculum. Teachers & Administrators will attend District and out-of-district conferences focused on improving literacy for all students. **Data Analysis/Root Cause:** According the 2018-2019 STAAR performance report, the campus has a shortfall of more than 60% of students meeting grade level expectations for Reading. The 2019-2020 MOY TPRI/Tejas Lee results indicate less than 70% of students are developed in foundational skills (e.g. fluency, graphophonemic knowledge, vocabulary).

Goal 9: Through enhanced dropout prevention efforts, all students will remain in school until they obtain a high school diploma. (TEA Ch. 4 Obj. 3)

Performance Objective 3: Villa Nueva Elementary will implement a sustainable coordinated school health system that provides wellness tools and resources which promote long-term development through student attendance and the success of the whole student.

Evaluation Data Sources: Nurse time and effort reports show students immediate health concerns are addressed along with improved report card grades and increased student attendance rates.

Strategy 1 Details	Reviews			
<p>Strategy 1: The nurse will be on staff to Assist in the planning and execution of the overall health program on campus in an effort to improve overall student health and increase student academic performance. In addition, the safety and discipline of the student will also be addressed.</p> <p>Milestone's/Strategy's Expected Results/Impact: Formative: nurse time and effort reports Summative: Yearly report to Health Services</p> <p>Staff Responsible for Monitoring: Nurse, Health Services, Campus Administration</p> <p>Population: ALL Students TI MI LEP SE AR GT DYS - Start Date: July 1, 2020 - End Date: May 31, 2021 - Revision Date: May 14, 2020</p> <p>Need Statements: Perceptions 2</p> <p>Funding Sources: GLOVES - 166 State Special Ed. - 166-11-6399-00-117-Y-23-0B0-Y - \$300, NURSE SUPPLIES - 199 Local funds - 199-33-6399-00-117-Y-99-000-Y - \$400</p>	Formative			Summative

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

A comprehensive needs assessment over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. In an effort to collect data from all stakeholders in a continuous process of modifying a campus improvement plan, several opportunities are presented throughout the academic year. Such instances include survey opportunities during parental involvement meetings, Open House, award ceremonies, and school festivities. The SBDM meets quarterly and during these meetings, progress monitoring, assessment data, usage report, and other data sources (refer to data documentation section) are used to review existing strengths and needs to determine any changes in these areas.

April 17, 2020, the CNA results were received from BISD Assessment Dept.

On May 8, 2020, the CNA results were shared with staff members via Microsoft One Drive.

On May 14, 2020, the committee members met and reviewed the plan, re-ranked needs, and determine priority areas.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations for the 2020-2021 school year. Campus SBDM members, parents, and local community meet quarterly to review and revise the Campus Improvement Plan. On May 14, 2020, the CIP was reviewed for effectiveness, and input was collected from each SBDM Committee member. A complete list of the SBDM members is included as part of this plan.

2.2: Regular monitoring and revision

The Campus Improvement Plan strategies are monitored quarterly and revised by the SBDM supported by campus administrators based on the most current data from multiple sources related to the goals and performance objectives. The plan is also revised to address any changes in Federal or State law and/or guidelines. Title funds, State Compensatory funds, and non-salary local funds are included in plans, as appropriate. Updates to the plan are noted by revision dates in the specific strategies or performance objectives during the current year. The initial plan for 2020-2021 was approved by the SBDM members on May 14, 2020.

The CIP was monitored through four formative review dates:

- October ____ 2020,
- January ____ 2021,
- March ____ 2021, and
- May ____ 2021.

2.3: Available to parents and community in an understandable format and language

Parents have access to the Camps Improvement Plan through the Villa Nueva Website. They are invited to review and revise the plan. The Campus Plan is writing in English and translated to Spanish upon request. The campus is seeking a feasible process for getting the plan completely translated as of summer 2019.

Board Approved Date: _____

Public Presentation Date: _____

2.4: Opportunities for all children to meet State standards

The staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; Activities 1.1.2 (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; Activity 3.1.1 (3) include strategies for meeting the educational needs of historically underserved populations; Activities 3.1.1, 3.1.2 (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; Activity 3.1.2 (5) address how the school will determine if such needs have been met; Activity 3.1.2 and (6) are consistent with and are designed to implement the State and local improvements plans.

Data will be analyzed after every assessment to ensure that instruction is individualized. Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. An RTI plan will be developed for struggling students to ensure that their needs are being met. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the LION, TELPAS, and Progress Monitoring Assessment tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments. Students not mastering the objectives will be provided additional assistance in the after-school tutorial program and/or enrichment courses based on his/her individual needs.

2.5: Increased learning time and well-rounded education

Villa Nueva Elementary strives to maximize instruction time by developing a master schedule that fits the needs of all grade levels and hosting school functions during non-instructional hours. Students are constantly learning all the core subject areas with a rigorous and engaging curriculum. Our Extended

Day classes offer rigorous lessons in the areas of Literacy, ELA, Math, and Science. With accompanying extracurricular activities, students are provided with a well-rounded education. The CIP contains goals and strategies in all content areas that focus on strengthening the academic program. The following extra-curricular activities promote academic, social, and emotional development: Choir, UIL, Chess, DI, Coding, Volleyball, Track and Field, Running Club, AR, etc.

2.6: Address needs of all students, particularly at-risk

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. The campus will also continue to provide the state-mandated State Compensatory Education Program through campus as well as District funded initiatives. During the Spring semester, at-risk students will attend tutorial classes twice a week. At-risk students will also receive in house tutoring throughout the 2020-2021 school year, instructional materials, software, and supplemental instructional services via State Compensatory Education funded personnel. The main strategies for struggling students are found in Goal 9. These include extended learning time, additional activities for retention, dropout prevention, etc. Refer to selected strategies for key strategies.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

At Villa Nueva Elementary the Parent and Family Engagement Policy was developed in collaboration between SBDM campus representatives and parents/guardians of participating children. On Thursday, March 5, 2020, parents met with the DPAC parent representative and the district parent trainer to review and revise the School Compact and the Parent and Family Engagement Policy that delineates how parents will be actively involved at the district/campus level. The PFE and School Parent-Student Compact were shared with the Campus SBDM members via email on March 8, 2020, to review. The Campus SBDM Committee met (Virtual Conference) on May 14, 2020, to revise and approve the PFE Policy and School-Parent-Student Compact. The policy and the compact are distributed at the beginning of the 2020-2021 school year, to all parents in English and/or Spanish and are also available to the local community to view on our campus website. Updates if necessary are made periodically to the policy to meet the overall changing needs.

Title I-A Meeting to inform parents of the services provided through Title I funds Title I-A Parent Survey to evaluate the effectiveness of the District Parental Involvement.

- PFE Policy and School-Parent-Student Compact Approved: Thursday, May 14, 2020.
- PFE Policy and School-Parent-Student Compact Distribution Date: August 2020.

3.2: Offer flexible number of parent involvement meetings

Title I, Part A Funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting.

The parent involvement meetings scheduled are based on the needs of the campus. Flexible Parent & Family Engagement meetings are offered in English and Spanish and are held Thursday mornings (9:30 a.m.) and afternoons (1:30 p.m.). Topics addressed include the following: parent volunteer process, improving student fluency, activities for developing comprehension, reviewing State Assessment results, technology use, health tips, etc...

Title I-A meetings held on , 2020 and , 2020 for parents

Title I-A meeting held on August 5, 2020, for Teacher during the 2020-2021 Campus Staff Development.
