# Demographics

## Demographics Summary

Demographic Data is viewed on a daily basis. Daily attendance and At-Risk student data is analyzed to proceed with the campus' goals and objectives. Once attendance is taken on a daily basis, the teacher and Parent Liaison makes contact with the parent and inputs the conference on the parent log. In addition, eSchools Messenger calls the home of the student that is absent. A report from eSchools is collected for any students with disconnected phone numbers. The Parent Liaison updates the phone numbers regularly and the Data Entry Clerk enters the correct information in the system. Also the Parent Liaison collects a "Missing in Action", form by 8:15 a.m. from each teacher. The "Missing in Action" form is used to call students that have not arrived at school by 8:15 a.m. If a student accumulates 3 absences, then a "Home Visit" will be conducted by Parent Liaison to find out the reason for their absences. At-Risk students are closely monitored to make sure that they are academically successful. State compensatory funds are allocated to provide additional instruction through after school tutorial. Demographic concerns are addressed through daily attendance verification, after school tutorial attendance, teacher/ parent /administrator conferences, and the purchase of additional resources. We monitor benchmark scores and progress reports to ensure LEP, At-Risk, and Economically Disadvantaged students meet reading and math assessment scores.

## Demographics Strengths

1. Effective and efficient use of budgeted funds
2. Communication procedures between home and school on student attendance
3. ELL student placement into the bilingual Program within the 20 day period

# Student Learning

## Student Learning Summary

Campus assessment data is accumulated and reviewed for student progress on STAAR formatted assessments weekly by highly qualified teachers and the data is assessed in order to determine what are the areas of student mastery in TEKS learning objectives, depth of knowledge and thought processes need to be reinforced in order to ensure that student achievement is measured. Student areas of need are addressed and targeted by teachers, grade levels, administration and as a campus with provided assistance from the district's Curriculum Specialists, Assessment Department and our AA. Campus data is disaggregated consistently to identify the areas needing improvement. Data is disaggregated on a weekly basis through the analysis of progress monitoring, student grades, fluency checks, TPRI/ Tejas Lee results, STAAR, CPALLS results from the previous year. Administrators and teachers look at student scores and break down the test categories and objectives to identify strength and weaknesses. Once weaknesses are identified teachers plan instruction accordingly to target the areas of weakness. If needed, teachers plan for intervention instruction. The SBDM meets to disaggregate assessment data and discuss campus needs.

# Title I Schoolwide Elements

## ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

### 1.1: Comprehensive Needs Assessment

Federal requirements for campus planning mandate that schools develop a school-wide program plan that includes all of the ten required components. The following ten components of a school-wide program are embedded with the campus improvement plan and its activities. Del Castillo Elementary school uses its Title I, State Compensatory and other funds to upgrade the entire instructional program by implementing school wide programs as authorized under the provisions of Public Law 107-110, Section 1114.

The Title I Campus Improvement Plan is based on a comprehensive needs assessment of Del Castillo Elementary that takes into account information of students' academic achievement levels in relation to the State academic standards, particularly at-risk students, or students failing to meet the challenges of the State Academic Standards and any other factors as determined by the Local Education Agency (LEA).

CNA Summary: The Comprehensive Needs Assessment is comprised of the strengths and needs ranked within each Multiple Measure of Data, which include Demographics, Students Academic Achievement, School Processes & Programs, and Perceptions. The list of data sources include the following:

- District/Campus Goals
- Texas Education Agency Accountability Summary Report
- TEA Academic Performance Report Card
- STAAR, TELPAS, TPRI, Tejas LEE, Benchmark results
- Student Groups and discipline data
- Campus Needs Assessment Surveys are completed by staff, students and parents.

The Comprehensive Needs Assessment (CNA) was developed, reviewed and revised after thorough review of multiple data sources and meetings with teachers, staff members and parents. Finalized on May 13, 2020 (SBDM Meeting)

- 1) Student/Parent/Staff Surveys (BISD ARE department provided the results to the campus)
- 2) Use of data from academic assessments (STAAR/TELPAS/TPRI Tejas LEE)
- 3) Data Analysis Meetings (BOY/MOY/EOY TPRI/Tejas LEE & Benchmark results). Record of dates, agendas, sign-in sheets are kept with campus administration.
- 4) 5th Grade 1st and 2nd administration of the Reading and Math STAAR results.

5) Number of students on RTI's and students accepted into the SPED and Dyslexia programs.

6) Number of students failing per six weeks and attending summer school based on report card grades.

The above information allowed to constantly plan for targeted skills, routines and developed interventions to meet the educational needs of all students.

Title I Schoolwide Element's Strategy:6.1.4 Conduct an Annual Title I Parent Survey to evaluate the effectiveness of District and/ or Campus Parental Involvement efforts.

## **ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)**

### **2.1: Campus Improvement Plan developed with appropriate stakeholders**

SBDM, Grade Level teachers, and parents meet quarterly to monitor the campus improvement plan strategies and make revisions/modifications based on different sources of data.

## **2.3: Available to parents and community in an understandable format and language**

The Campus Improvement Plan will be made available to parents and the community via the school's website and discussions during bi-weekly parent meetings. Upon request the campus Parent Liaison will also make the CIP (hard copy) available to parents and community and when possible help translate information in Spanish to the non-English speaking parents.
