Coaching Information: All coaches (Head and Assistant) must complete the registration process on our website and then will be enrolled in our Trusted Coaches program as well as complete the USA Football certification program. Additionally, all coaches will be invited to attend our coach development training prior to and during the football season. Visit the Coaches Corner at www.pantheryouthfootball.org for more information. Only coaches that complete all application requirements will be allowed on the sidelines on game day.

Note from the Board

We are excited to be working with the SLP School district and HS Football program to provide an elite 7/8 grade football experience. We anticipate taking our traditional Middle School Football experience to the next level. Our Youth Football Organization is thrilled to be leading the charge with this exciting partnership.

We are planning to have options for kids under 135 lbs. Registration will ultimately dictate how many teams we have at these grade levels.

Go Panthers!!
