

Brownsville Independent School District

Burns Elementary

2019-2020 Campus Improvement Plan

Accountability Rating: A

Distinction Designations:

Academic Achievement in Mathematics
Top 25 Percent: Comparative Academic Growth
Top 25 Percent: Comparative Closing the Gaps
Postsecondary Readiness

Board Approval Date: November 6, 2019
Public Presentation Date: November 6, 2019

Mission Statement

“The vision of Burns Elementary School is to provide our students with a solid foundation, and participate in their development by providing them with a balanced education. A Burns student will become an independent thinker, a fluent reader, a productive community member, and carry with him/her a lifelong desire for learning.”

Vision

Produce high quality students equipped to meet the challenges for post-secondary education, college, and the workplace.

Comprehensive Needs Assessment

Revised/Approved: May 24, 2019

Needs Assessment Overview

Marylyn E. Burns Elementary, “Where Success Begins,” is located in the northwest part of Brownsville, Texas and is currently one of the largest elementary schools in the district. The school is named after the late Marylyn E. Burns. Marylyn E. Burns taught English for more than 20 years at Brownsville and Hanna High Schools, until her death in 1981. She was also a former drum major for the Brownsville High School Golden Eagle Band. When Principal Raul Vasquez opened the doors to Burns Elementary, 750 students experienced something new within BISD. The school had the first air-conditioned classrooms in the district. Burns Elementary School. The school opened its doors in 1983 and currently serves 800+ students in the grades early childhood (3-year-old) through fifth. Burns offers a variety of special programs in an effort to meet the needs of a diverse student population. Some of the programs include Dyslexia Reading Lab, Gifted and Talented (GT) Education, Inclusion, Resource, Life Skills 1st-5th grade Unit (LS), Pre-School Program for Children with Disabilities (PPCD), Regional School for the Deaf (PPCD) unit, tutorials for all students, STAAR pullouts, Title I programs, Response to Intervention (RTI), Extended Day Enrichment Program, and Computer Assisted Instruction. Burns also has a strong athletic program, which include a Running Club, Volleyball team, NFL Flag Football team, Soccer team and Track and Field. In the academic arena, Burns participates in UIL, Science Fair and Brainsville. Burns has the following clubs: Code Club, Helping Hands Club, Ballroom Dancing, and Cheerleading. Currently, Burns enrollment is 808 students. The staff is comprised of thirty-six teachers, four administrators (principal, 2 assistant principals, and 1 dean of instruction), two counselors; four support staff members (Dyslexia, Librarian, Music, Art.), two physical education coaches, twenty-one para-professionals, and five custodians. Burns Elementary has an active and motivated group of teachers who monitor student success. As reported in the 2017-2018 TEA Accountability Summary, the student population includes: 98.1% Hispanics, 1.6% White, and 0.3% Asian; 97.9% Economically Disadvantaged, 2.1% Non-Educationally Disadvantage, 43% Limited English Proficient (LEP), and 61.4% At-Risk. The Attendance Rate is 96.9% for all students and 96.7% for at-risk students. Moreover, the Retention Rate is 20.4% for all and at-risk students.

Demographics

Demographics Summary

Marylyn E. Burns Elementary, “Where Success Begins,” is located in the northwest part of Brownsville, Texas and is currently one of the largest elementary schools in the district. The school is named after the late Marylyn E. Burns. Marylyn E. Burns taught English for more than 20 years at Brownsville and Hanna High Schools, until her death in 1981. She was also a former drum major for the Brownsville High School Golden Eagle Band. When Principal Raul Vasquez opened the doors to Burns Elementary, 750 students experienced something new within BISD. The school had the first air-conditioned classrooms in the district. Burns Elementary School. The school opened its doors in 1983 and currently serves 800+ students in the grades early childhood (3-year-old) through fifth. Burns offers a variety of special programs in an effort to meet the needs of a diverse student population. Some of the programs include Dyslexia Reading Lab, Gifted and Talented (GT) Education, Inclusion, Resource, Life Skills 1st-5th grade Unit (LS), Pre-School Program for Children with Disabilities (PPCD), Regional School for the Deaf (PPCD) unit, tutorials for all students, STAAR pullouts, Title I programs, Response to Intervention (RTI), Extended Day Enrichment Program, and Computer Assisted Instruction. Burns also has a strong athletic program, which include a Running Club, Volleyball team, NFL Flag Football team, Soccer team and Track and Field. In the academic arena, Burns participates in UIL, Science Fair and Brainsville. Burns has the following clubs: Code Club, Helping Hands Club, Ballroom Dancing, and Cheerleading. Currently, Burns enrollment is 750 students. The staff is comprised of forty-two teachers, four administrators (principal, 2 assistant principals, and 1 dean of instruction), two counselors; four support staff members (Dyslexia, Librarian, Music, Art.), two physical education coaches, twenty-one para-professionals, and five custodians. Burns Elementary has an active and motivated group of teachers who monitor student success. As reported in the 2018-2019 TEA Accountability Summary, the student population includes: 98.1% Hispanics, 1.6% White, and 0.3% Asian; 97.9% Economically Disadvantaged, 2.1% Non-Educationally Disadvantage, 43% Limited English Proficient (LEP), and 61.4% At-Risk. The Attendance Rate is 96.9% for all students and 96.7% for at-risk students. Moreover, the Retention Rate is 20.4% for all and at-risk students.

Demographics Strengths

The following strengths were identified after all findings were analyzed by the SBDM Committee. Burns Elementary met AMAO1 and AMAO2 for LEP population. 2018-2019 EOY data revealed the following: Pre-K students Met District standard of 70% or better in all skills. Kinder at EOY Met/exceeded District standard of 70% or better student attainment on phonics, and listening comprehension. Moreover, 1st grade at EOY Met/exceeded District standard of 70% or better student attainment in phonics development while 2nd grade students did not meet District standard of 70% of better student attainment in any of the tested TPRI skills. In regards to STAAR, our 5th grade students Index 1 passing percentage of 100% in Math showed that they improved from the 2018 scores an increased in the Reading to a 87%. Furthermore, this was no need for 5th grade students requiring accelerated instruction in Math, and there was a decrease in the amount of students needing accelerated instruction. Students are awarded at the end of every Six Weeks and at the End of the Year through an awards ceremony.

Demographic Needs

Attendance monitoring is a priority need at our campus. We will continue working on incentives to increase attendance by students and teachers.

Other demographic needs include:

1. Incentives to support teacher retention and improve school climate
2. Expansion of programs and services supporting parental involvement.
3. Use of appropriate technologies to improve areas of learning.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Attendance rate needs to be monitored and improved from a 96% to 97%. **Root Cause:** Not finding the right incentives to help students want to have perfect attendance

Student Academic Achievement

Student Academic Achievement Summary

Critical to the academic success of Burns Elementary is the disaggregation of students' assessment data. Data is disaggregated consistently to identify the areas needing improvement such as meeting state student expectation and TEKS mastery. Data is disaggregated on a weekly basis through the analysis of progress monitoring, student grades, percentages of students on an RTI plan, TPRI/TEJAS LEE beginning, middle, and end of year, end of unit benchmarks, and practice state assessment exams. Administrators and teachers look at students' scores and break down the test objectives to identify strengths and weaknesses. Once weaknesses are identified, teachers plan instruction accordingly to target the weaknesses. If needed, teachers plan for intervention instruction. The SBDM meets to disaggregate assessment data and discuss campus needs.

A student group that performed less than or equal to the state average is identified as a priority. Based on the review data, best practices will be used to address the priority areas of need. Objectives of the District Improvement Plan delineate a variety of research-based strategies and are used to address the areas of need.

Primary Grade Levels

Grades: K-2

Non-Special Education Rates of Retention: K (1.1%), Grade 1 (9.7%), Grade 2 (6.6%). Reported grade levels are higher than state percentages.

Special Education Rates of Retention: Kinder (0%), Grade 1 (0%), and Grade 2 (0%).

Upper Grades

STAAR Summary of 3rd-5th Grades Tested

Math- All Students (85%), At-Risk (70%), Economically Disadvantaged (85%), Hispanic (85%), White (*), Female (91%), Male (86%), Gifted and Talented (100%), LEP (76%), Migrant (-), Special Education (68%)

Reading- All Students (74%), At-Risk (60%), Economically Disadvantaged (74%), Hispanic (74%), White (*), Female (80%), Male (70%), Gifted and Talented (100%), LEP (50%), Migrant (-), Special Education (24%)

Writing- All Students (63%), At-Risk (56%), Economically Disadvantaged (63%), Hispanic (63%), White (*), Female (76%), Male (65%), Gifted and Talented (-), LEP (48%), Migrant (-), Special Education (25%)

Science- All Students (92%), At-Risk (88%), Economically Disadvantaged (92%), Hispanic (92%), White (*), Female (98%), Male (88%), Gifted and Talented (100%), LEP (88%), Migrant (-), Special Education (76%)

The trends indicate (when all students performance was compared with all students) our LEP and At-Risk sub-populations are lagging behind all student groups in the areas of Reading and Writing of the STAAR Test.

Student Academic Achievement Strengths

The following strengths were identified after all findings were analyzed by the SBDM Committee. All 3rd-5th grade teachers have been trained and access student data on TANGO. Data is disaggregated to plan instruction and meet the needs of our students. Campus and district data (i.e. TPRI/TEJAS Lee, CPM, Benchmarks, Progress Monitoring Assessments) are used to improve instruction. BOY data at the beginning of the year is used to map out instructional plans by six weeks. Teachers frame a common language by planning and setting high expectations for all of our students. Students are taught by teachers who have received high quality, research based Professional Development at the campus, district, and state level. PD is on-going and effectively targets the areas of need at Burns Elementary.

Student Academic Achievement Needs:

1. Provide Accelerated Instruction through extended day tutorial program and extended day enrichment program
2. Provide interventions to close the performance gaps between Special Education, Bilingual, and At-Risk students in the areas of Reading and Writing at all grade levels
3. Increase fluency and comprehension and continue the weekly monitoring
4. Reading/Literacy still needs to improve at all levels
5. Full implementation of writing across the curriculum
6. Set standards of Accelerated Reading program for all students
7. Provide teachers with Professional Development in all content areas as needed
8. Provide teachers with supplemental instructional materials and instructional supplies
9. Provide teachers with general supplies to be used in the classroom and assist with daily lessons and benchmark testing
10. Provide students and teachers with technology integration such as computer labs, COWS, software, coding club, IPAD
11. Provide our counselors with supplies, incentives, and necessary material to better serve our students
12. Our school nurse will have access to nursing supplies to better serve our students
13. We will continue to monitor our campus and maintain our facility upkeep on a regular basis to ensure that we provide an environment that is conducive to learning for our students.
14. Provide students the opportunity to participate in various Extra-Curricular Activities such as Chess, UIL, Science Fair, Spelling Bee, Cheerleading, Choir, Guitar Club, Coding Club, and Robotics Club.

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1 (Prioritized): ELLs and Special Ed. population have a low passing rate on STAAR reading and scores have decreased in the past three years. **Root Cause:** Need additional intervention and support for struggling learners.

School Processes & Programs

School Processes & Programs Summary

Highly-qualified teachers carry out the instructional program at Burns Elementary. Strategies to attract high-quality teachers to high needs schools include our school's participation in supporting UTRGV students in allowing student teachers to do their student teaching at our campus and/or do classroom observation. In addition to appropriate certification, teachers are sought who are experienced and have been successful in previous assignments.

Curriculum, Instruction, and Assessment at Burns Elementary is one of most important aspects of the campus. Burns implements district curriculum initiatives and assessments as required by the state of Texas. Burns bases all of its instruction from the Texas Essential Knowledge and Skill (TEKS) and prepares students for state assessments. In doing this process, Burns' Administrators and teachers plan lessons consistently. Administrators provide teachers with instructional resources and professional development opportunities. Burns Administrators and grade-level lead teachers guide and mentor new teachers. Planning for instruction and intervention is done as a whole through vertical and horizontal alignment. Collaboration is encouraged so that teachers learn from one another.

Assessment results from assessed instruments such as TPRI/TEJAS Lee, CPM, OWL, STAAR and campus/district benchmarks impact curriculum decisions and the data guides instruction, moreover, decisions are evident in the area of scheduling of classes, daily schedules, instructional focus of the week, and the ordering of supplemental materials. RTI meetings are scheduled every 6 weeks to track the progress of students and adjust their instruction (if needed) based on their progress. Tier II and Tier III instruction is carried out by the classroom teacher and based on research based interventions. RTI committee, based on data, can then recommend 504/Dyslexia or Sped. Ed. testing.

The committees met and reviewed the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality, teaching, and learning. SBDM meets once every 6 weeks to review data and set annual goals. Grades 4th-5th grade will team teach and/or departmentalize this year to emphasize teachers' areas of strength in each subject. The 3rd grade team will teach in a self-contained setting. Communication formally and informally takes place at our campus. Campus leadership is analyzed on its effectiveness and how it supports classroom instruction and state assessment results.

At Burns Elementary the SBDM committee reviewed results from the STAR Chart. The implementation and acquisition of the Technology TEKS is observed in every grade-level including PPCD, PK and Resource lab classrooms. PK-5th grade teachers utilize online assessment data bases to review scores (Eduphoria, TELPAS, CPM/TPRI, TANGO reports) and K-3rd track students' progress every 3 weeks on an IPAD where assessment data is at their fingertips to address intervention strategies swiftly. A review of professional development opportunities was made and dates indicating teacher attendance at district trainings were compared to the survey results. All student populations have access to newer computers that allow for better internet access and compatibility with updated software aligned to TEKS Readiness and Supporting Standards.

School Processes & Programs Strengths

The following strengths were identified after all findings were analyzed by the SBDM Committee. Burns Elementary meets multiple measures of data criteria as all educators on campus are 100% Highly Qualified Teachers (HQT). Strategies to promote retention involve extensive Professional Development opportunities stemming from campus, district, and state levels. Our Literacy Initiative through Curriculum Maintenance Meetings models best teaching practices to promote literacy development in the early childhood years. This support system allows teachers to observe and model methodologies initiated at the state level and grounded on best practice. New teachers on campus or teachers new to a grade level are assigned mentor teachers to assist in transitioning to their new role. Selection of new teachers to campus involves having Burns' teachers part of the selection process. Teachers at Burns Elementary are always kept abreast of campus and district initiatives via a Weekly newsletter as well as periodic reminders in morning announcements, monthly calendar, and our e-mail system.

The following strengths were identified after all findings were analyzed by the SBDM Committee. Fluency and Vocabulary District initiative implementation in all K-5

classrooms. PK-3 YO students Met District standards on EOY performance goals for the Phonological Awareness, Rapid Letter Naming, Rapid Vocabulary Naming, Science Assessment, and Math Screeners as evidenced on CPALLS EOY report. Teachers participate in curriculum and assessment decisions on our campus. These decisions allow for teacher input and feedback to best assess TEKS competencies and provide rigor expected at their respective grade levels. Computer-based programs support the state mandated curriculum and provide visual stimulation to present content in different ways. Funding permitting, the extended day program for grades 3rd-5th is carried out at Burns Elementary twice a week. Extended Day Enrichment Program for PK-5th grade students is carried out five days out of the week. Weekly grade level meeting focus on data desegregation and instructional best practices to meet the needs of our diverse student populations.

Campus needs are always prioritized when it comes to the organizational structure and context of our school; therefore the after reviewing multiple sources of data and gathering teacher input, it stood to reason to have our 3rd grade team self-contain and to departmentalize and/or team teach in grades 4th-5th. The teachers in 3rd grade are able to focus in their own students needs, and divide their subject time accordingly. Having the 4th and 5th grade team teach, has the effect of relying on teacher strengths on specific content areas, narrows the focus and aligns campus and district resources more efficiently. In 5th grade, our classroom-size reduction teacher (CSR) alleviates classroom size to better meet the needs of our students. SBDM meets as needed to disseminate important information as well as gather stakeholder input regarding campus initiatives and activities.

The following strengths were identified after all findings were analyzed by the SBDM Committee. Burns Elementary has a TST on campus. Our 5th grade students have access to I-Pads at school and at home; furthermore, two computer labs allow all students access to newer computers leading to better internet access/compatibility and updated software. 5th Grade Computer access for all via Special Programs' purchase of COWS (Computers on Wheels). Our parent liaison also offers presentation on parent HAC access to check student academic progress.

School Processes & Programs Needs

Based on the Spring 2018 Campus Needs Assessment Survey, the following are needs indicated:

1. Supplemental Instructional supplies, materials, and technology hardware and software
2. Professional Development opportunities for everyone mostly in the areas of Language Arts and Math
3. Improving the amount of parents actively involved on our campus
4. Improve on the amount of parents showing up to the classrooms for Open House

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: The one problem our teachers on campus face is not having sufficient professional development opportunities in regards to RTI and differentiated instruction to meet student needs. **Root Cause:** Lack of sufficient professional development opportunity and need for more RTI training and differentiated instruction.

Perceptions

Perceptions Summary

The campus critically analyzes the school culture and climate to ensure that students are being provided with a safe and disciplined environment conducive to student learning. Administrators and teachers meet on a weekly basis to discuss matters related to providing and positive school culture and climate. The SBDM representatives bring issues and concerns to the monthly meetings. Campus long range plans, policies and procedures, and safety issues are communicated to both parents and community members to assist the campus in providing a positive culture and climate. Parents are strongly encouraged to get involved in volunteering opportunities that will assist their child's education. Issues are reviewed and discussed through consistent dialogue and both administrators and teachers create a plan to improve issues that affect School Culture and Climate.

At Burns Elementary there was not one violent or criminal incident in 2018-2019. The campus will continue to implement prevention and intervention strategies to continue pattern of no discipline incidents.

Burns Elementary is committed to involving parents and community members to be involved in students' education. A parental involvement survey was passed out and the SBDM committee analyzed the answers to determine decisions for the school year. The parent liaison compiles data on parental participation attendance and meeting agendas for the SBDM committee. With that information, the SBDM determines campus needs. In order to increase parental involvement attendance rates, parent and community member volunteer opportunities are available throughout the school year.

Perceptions Strengths

The following strengths were identified after all findings were analyzed by the SBDM Committee. Burns Elementary teachers and staff assist with supervision and duty. This increased vigilance, reduces the possibility of inappropriate student behavior at our school; furthermore, all teachers on campus have been trained and utilize the eSchool Plus incident report system to document student behavior. Data gathered is used to formulate behavior plans for students, analyze trends in student behavior, and as a discipline tracking tool that expedites the consequence for student infractions. Our counselors also assist with to promote a positive school culture and environment; during bullying week, weekly presentations provide awareness and support positive behaviors at the school. Moreover, at Burns Elementary we have a full-time, highly visible security on campus. Efforts to communicate our positive campus culture and climate is augmented by having administration and district personnel present at bi-weekly parental involvement meetings. Parents are made aware of the varying campus initiatives aimed at supporting a positive school culture.

As evidenced by 2018-2019 CNA results, the following is a list of our strengths in regards to family and community involvement at Burns Elementary. Parents for the most part are pleased with instructional decisions and outcomes in regards to their children. In addition, most would agree that the school's climate and culture promotes self-awareness and fosters the growth of the student body as a whole. Parents feel welcomed at our school and feel administration does a good job in hearing their concerns and issues. Burns staffs a full time parent liaison who holds bi-weekly parent meetings on a wide array of educational and non-educational topics of interest. These are geared at improving parental involvement as well as provide valuable insights to improve student outcomes.

Perceptions Needs

1. Based on the Spring 2019 Parent Survey results, the campus needs to work on keeping well-maintained.
2. One other area of concern is how the school handles student misbehavior and the children's safety when traveling to and from school.
3. In an effort to facilitate a smooth transition between elementary and middle school, our 5th grade students go on a field trip to their zoned campus for orientation.
4. Our students also have the opportunity to expand their learning through various field trips.

Priority Problem Statements

Problem Statement 1: ELLs and Special Ed. population have a low passing rate on STAAR reading and scores have decreased in the past three years.

Root Cause 1: Need additional intervention and support for struggling learners.

Problem Statement 1 Areas: Student Academic Achievement

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus Performance Objectives Summative Review from previous year
- Current and/or prior year(s) campus and/or district improvement plans

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Federal Report Card Data
- PBMAS data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- Running Records results
- Observation Survey results

Student Data: Student Groups

- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- EL/non-EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, and gender data
- Dyslexia Data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data

- Attendance data
- Discipline records
- Class size averages by grade and subject

Employee Data

- Staff surveys and/or other feedback
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- TTESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Communications data
- Budgets/entitlements and expenditures data
- Study of best practices
- Other additional data

Goals

Revised/Approved: June 19, 2019

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens. (Board Goal #1 and TEA Ch. 4 Objectives 2, 4, 5, 7, and 11).

Performance Objective 1: Burns performance for all students, all grades, all subjects will exceed 2019 STAAR percent Meets Grade Level, and STAAR Masters Grade Level performance in reading, writing, mathematics, science by 5 percentage points.

Evaluation Data Sources: STAAR performance reports

Summative Evaluation: No progress made toward meeting Objective

Strategy 1 Details	Reviews			
<p>Strategy 1: Utilize research based instructional resources and targeted interventions to ensure that all students are prepared to meet the demands of standardized assessment (local, state, and national) tools. Targeted interventions include but are not limited to the following:</p> <p>STAAR Supplemental Resource Materials, Tango Central/Tango Trends, 6+1 Writing Traits Empowering Writers Bilingual Resources, SIOP Esperanza/LEI & II, Early Childhood resources & Circle, RTI Tier Model, Reach/ESL NRT, and Pearson District adopted curriculum</p> <p>Timeline: August 2019-June 2020</p>	Formative			Summative
	Nov	Feb	Apr	June
				

Population: TI, MI, LEP, SE, AR, GT, DYS students

SA#2

Strategy's Expected Result/Impact: Formative: ERO Session Evaluations, Campus Monitoring Instruments, Classroom Observations, BOY/MOY Data.

Summative:
STAAR Scores,
EOY TPRI/TJL/CPM Scores,
TELPAS,
NRT Assessment Data

Burns will have a 10% increase in the number of students meeting the Phase II passing standard

Monitor: Principal,
Dean of Instruction,
PK- 5th grade Teachers,
Teacher Specialist,
Lead Teachers,
Curriculum Specialist

Personnel for Burns Elementary

<u>Name</u>	<u>Position</u>	<u>Program</u>	<u>FTE</u>
Concepcion Uribe	PK Teacher	State Comp	.50
Cynthia Avalos	PK Teacher	State Comp	.50
Ericka Hinojosa	Dean of Instruction	State Comp	1.0
Giralda Villar	PK Teacher	State Comp	.50
Maria A. Cariaga	PK Teacher	State Comp	.50
Olivia Cantu	Dyslexia Teacher	State Comp	1.0

Title I Schoolwide Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA, Pgs. 5-17) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have a minimum of 90% of all student groups perform at a Level II Performance on STAAR Assessments for the 2019-2020 school year and to increase the Level III Advanced Academic Performance to at least 40% in all content areas.

The CNA is comprised of the strengths and needs ranked within each Multiple Measure of Data. The list of data sources include the following:

- District / Campus Goals
- TEA Accountability Summary Report
- TEA Academic Performance Report Card
- STAAR, TELPAS, TPRI, Tejas Lee, Benchmark Results
- Campus Needs Assessment Survey completed by staff, students, and parents

The CNA was reviewed and revised on May 24, 2019.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The CIP was developed by SBDM committee (names and roles can be found at the end of our plan). The CNA was reviewed and sub-committee developed the new performance measures and needs were identified. We identified problem statements and root causes to help us implement the needed strategies to improve performance measures.

2.2: Regular monitoring and revision

Our Campus Improvement Plan is regularly monitored through SBDM and revisions are made as needed on a quarterly basis. The CNA was reviewed and revised on September 2019. The SBDM meeting dates for this took place as follows: Sept. 18, 2019/Oct. 23, 2019/Nov. 11, 2019/Jan. 6, 2020/May 22,2020

The Title I Schoolwide Element's Strategy: 6.1.8 ensure representation of community and parent involvement in the decision making progress.

2.3: Available to parents and community in an understandable format and language

Our Campus Improvement Plan will be posted on our Campus Website and is available on paper format on campus in English it will be translated to Spanish (Oral Translation) upon request.

2.4: Opportunities for all children to meet State standards

The school will provide opportunities for all students, including each subgroup of students, to meet State academic standards. The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly provided through accelerated instruction during extended day and tutorial programs in order to improve at-risk student achievement on campus, district, and state assessments. Our campus develops prevention and intervention strategies that decrease the retention rate and improve student achievement through tutorials in the core-area subjects for low-performing students as well as provide supplemental resources to enhance the instructional program. Any student who is at-risk of failure is placed on an RTI and monitored with necessary accommodations.

The Title I Schoolwide Element's Strategy 1.1.1 Utilize research based instructional resources and targeted interventions to ensure that all students are prepared to meet the demands of standardized assessment (local, state, and national) tools. Targeted interventions include but are not limited to the following: STAAR Supplemental Resources, SIOP and Bilingual Resources, Early Childhood Resources, RTI Tier Model, and District adopted curriculum. Population: All students, , SPED, At-Risk, EL, TI, MI, SE, GT, DYS.

The Title I Schoolwide Element's Strategy 9.2.6 PK-5th grade students not meeting reading, writing, math, and/or science standards will be provided an extended day/week tutorial program in order to bring them to grade level using differentiated instruction. Supplemental instructional materials will be purchased to support the curriculum for implementing instruction. Population: TI, MI, LEP, AR, DYS students.

2.5: Increased learning time and well-rounded education

To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans. As per BISD policy, Burns Elementary will implement tutorials and remediation strategies in Reading, Math, and Science in order to decrease the retention rate and improve student achievement. Pre-K full day program teachers will be working with phonological and language development activities using hands-on approaches in order to meet PK guidelines and CIRCLE components. Materials incorporated in the CIRCLE curriculum will be purchased to assist with oral language and development of PK students.

The Title I Schoolwide Element's Strategy: 1.2.3 PK-5th grade students will have the opportunity to attend Extended Day Enrichment Program which will provide academic integration through LA, AR, Math, Science, Technology, Arts/Crafts, and Health. Population: All Students.

The Title I Schoolwide Element's Strategy: 7.1.2 Provide annual RTI training to be implemented through the RTI Tier Model in order to support student academic growth and success. Population: TI, MI, LEP, SE, AR, GT, DYS students.

2.6: Address needs of all students, particularly at-risk

The needs of all students, particularly of those who are at-risk are met by faculty and staff on campus. These students are given the opportunity to attend intervention tutorials, are given remediation strategies in the curriculum during daily TIER II time, and attend extended day at least twice a week in order to decrease retention rates and improve student achievement. Instruction is differentiated by the teachers and if needed, students are placed on an RTI with accommodations in order to meet student's needs. Our Dyslexia students are provided services through our Dyslexia lab on campus.

The Title I Schoolwide Element's Strategy: 1.1.2 The campus will implement a systematic assessment plan at the classroom level, along with teacher input, that includes the use of CIRCLE/CPM, TPRI/Tejas Lee, STAAR, Interim Assessments, Pearson Unit Assessments, and Check-points to progress monitor student achievement and reinforce essential academic skills. Population: TI, MI, LEP, SE, AR, GT, DYS students.

The Title I Schoolwide Element's Strategy: 1.2.1 The RTI teacher specialist and Dean will continue to monitor implementation and provide PD/Coaching to classroom teachers in regards to district and campus initiative aimed improving literacy development. Phonemic Awareness, Writing, Fluency Initiative, Vocabulary, AR Program use. Population: TI, MI, LEP, SE, AR, GT, DYS students.

The Title I Schoolwide Element's Strategy: 9.2.2 Provide a campus wide Dyslexia program for identified students; identification process will follow RTI and Dyslexia procedures. Services provided will include individualized accommodation plans to be implemented in general education classrooms. Instructional approaches will include explicit, individualized, and multi-sensory instruction in a small group setting. Population: DYS, AR students.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

The campus will distribute to parents and family members of participating students the Parent and Family Engagement Policy during the first parent meeting and it will be prepared and provided in English and Spanish. The Parent and Family Engagement Policy was prepared, reviewed and revised in Spring 2019. An annual Title I-A meeting will be given at the beginning of the school year to inform parents of services and activities provided through Title I funds. Title I meeting was held in the Spring on Jan. 14, 2020. Parents are invited to attend and learn about the necessary requirements of becoming a parent volunteer. The list of individuals and their roles who assisted in the development of the Parent and Family Engagement Policy include:

- Leticia Rodriguez-Bohn - Administrator
- Ericka Hinojosa - Facilitator
- Maria Rangel - Parent
- Ana Karina Hinojosa - Parent
- Yolanda Perez - Community Rep.
- Areli Soto - Community Rep.

The Title I Schoolwide Elements" Strategy: 6.1.9 Review, revise, complete, and disseminate a Parental Involvement Policy that delineates how parents will be actively involved at the district/campus level with the intention of increasing participation via parent meetings. Population: Parents

The CNA was reviewed and revised on May 24, 2019.

3.2: Offer flexible number of parent involvement meetings

The School will host bi-weekly parent-training meetings on a flexible schedule to accommodate all stakeholders in a work friendly environment on campus. Parent meetings are held throughout the school year on a flexible schedule to accommodate parents on Tuesdays at either 9:00 AM or 5:30 PM at least every other week and cover the same information to keep parents informed. The topics covered will assist in improving student achievement, attendance, and student discipline in school and at home. Adjustments were made due to campus circumstances, and meetings were limited and parents were met with on individual basis as needed.

The Title I Schoolwide Element's Strategy: 6.1.3 The School will host bi-weekly parent-training meetings to accommodate all stakeholders on topics that will assist in improving student achievement, attendance, and student discipline in school and at home including but not limited to: Wellness/Nutrition, Homework Assistance, Instructional Support, Discipline Strategies, College Readiness, STAAR, and SBDM. Population: Parents.

Title I Personnel

<u>Name</u>	<u>Position</u>	<u>Program</u>	<u>FTE</u>
Emma Patino	Library Aide	Title I-A	1.0
