

Student File Review for IPM

Please complete the following in preparation for the IPM that has been scheduled for:

Student Name

Date

- Go through CUM file to record past attendance, vision/hearing/dental screening information and look for historical information that may be pertinent.
- Only fill out subject areas that you are having great concerns in (ie. If you have no reading worries, leave it blank)
- Reading concerns: staple a copy of the back of the progress monitor book, school's recording form or Power School Intervention Screen printout, to show interventions.
- Turn completed forms in to _____ when done.

Possible items to bring to Individual Planning Meeting (IPM):

- Copy of all grades Progress Reports
- Progress monitoring book
- Sight word data
- Selection Test (representative samples)
- AR Reports
- 1 or 2 independent writing samples of student AND an average classroom sample with name blacked out.
- Topic Test (representative samples)
- STAR math reports
- Fact Fluency samples
- Discipline Log
- Other: things you feel are pertinent
