7. CSI plan updates-Mrs. Cordova-The Leadership Team met with Rachel Nance from Innovations Consulting on November 10, 2020. She gathered information from the team on the implementation efforts Bennion has made thus far on our plan. Everyone participated in providing pertinent information relative to the plan. Rachel will compile the information given and will be sending a written report that will be shared with district administration, faculty and SCC. Teachers are continuing to work with math and language arts coaches and Janice Bradley from UEPC on their professional learning designs that are to be completed by December 18, 2020. Efforts are currently be made to begin implementation of math fluency; a component of our CSI plan to raise math scores. Each class will engage in math fluency practice for 10-15 minutes each day. The CSI Mini Academy met on November 12th with Stacey Briggs,

Focus Director and Janice Bradley from UEPC. Discussion was focused giving an update on our current implementation efforts and the roll out of math fluency plan.

8. Turkey Coupons will be distributed to 75 families representing the Bennion community on November 20, 2020 or sooner if possible. They will be mailed out to students each teacher has identified as having the greatest need from each of their classes. The coupons are being provided by the Frank Cordova Foundation. This is the 21st year turkeys have been provided to families from Title One Schools in the district and surrounding districts in the Salt Lake Valley. It was determined by the FCF Board that due to the pandemic affecting our communities this year, it would be much safer to provide coupons/gift cards for families to use to purchase their own turkey as opposed to providing turkeys to students at the schools. This year \$16,000.00 in coupons/gift cards will be distributed to students in Title One Schools. Much appreciation goes out to the many individuals who have donated to this cause.

9. How can we get more parents participating in SCC meetings? Let's brainstorm some ideas.
