

Library Design

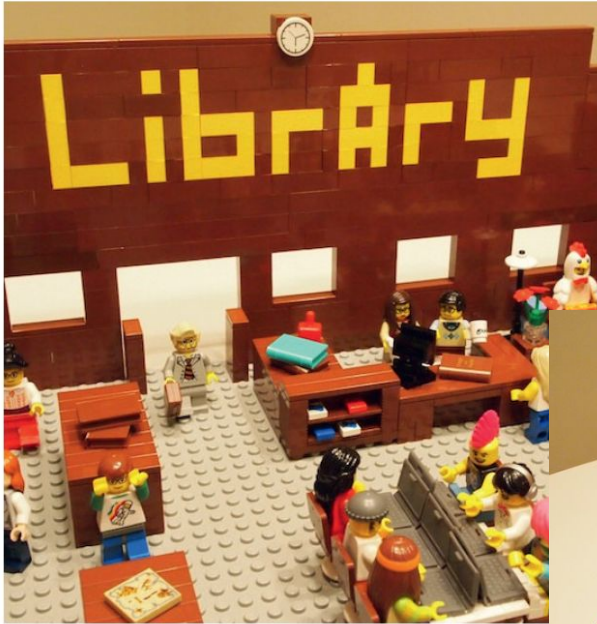

Ena Kanai, Emilio Tanaka

Inspiration 1

Theme inspiration

- Want a library that elementary students can enjoy
- Inspired by shapes, designs

Inspiration 2

- Inspired by color coding
- This building: color coded by rooms
- Library design: color code by genre

Inspiration 3

- Inspired by welcoming/exciting entrance
- Can see the inside
- Can have a broad idea of what the library looks like

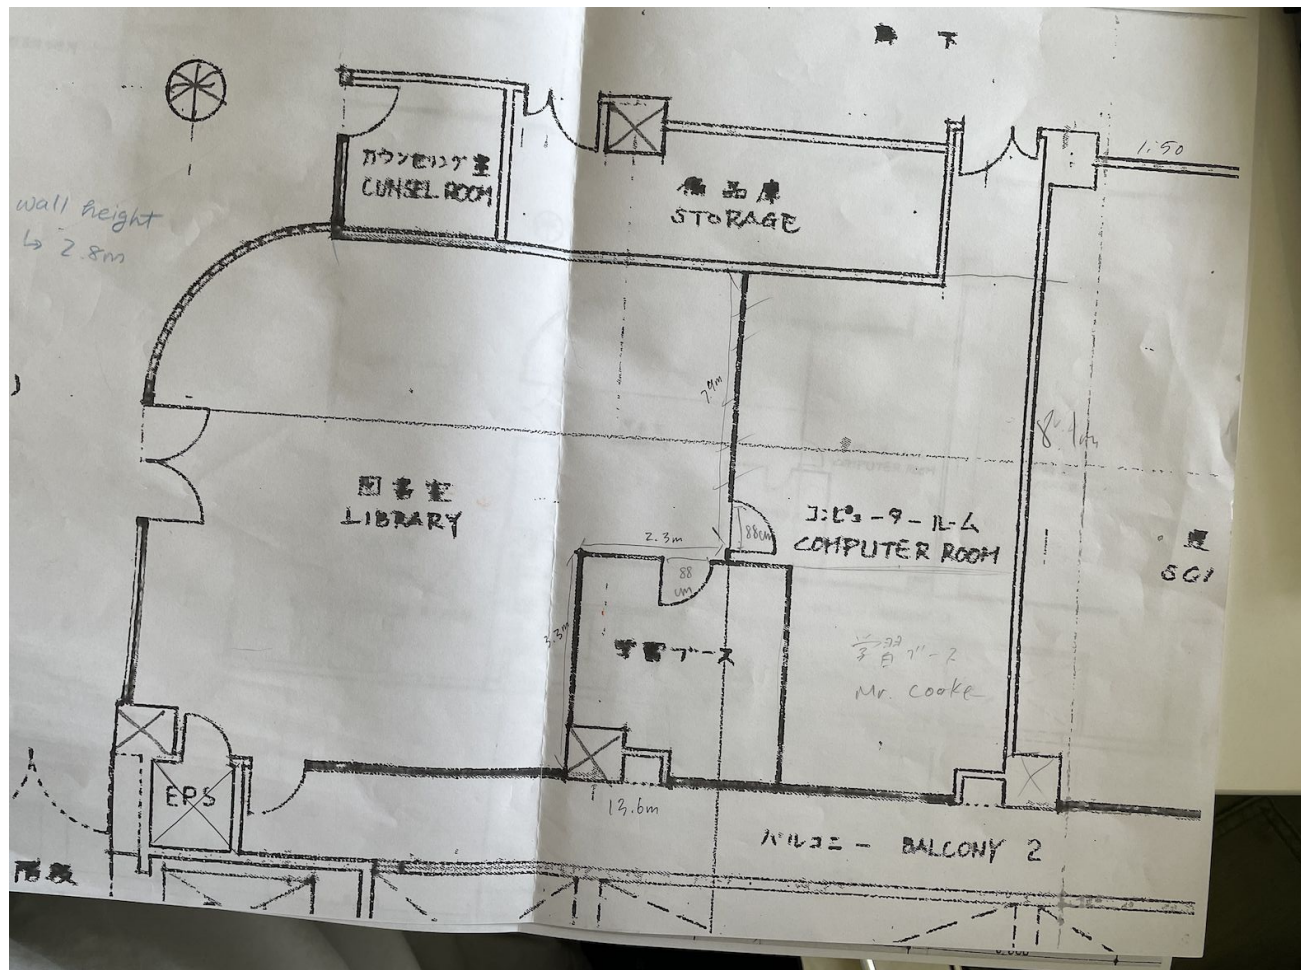

Inspiration 4

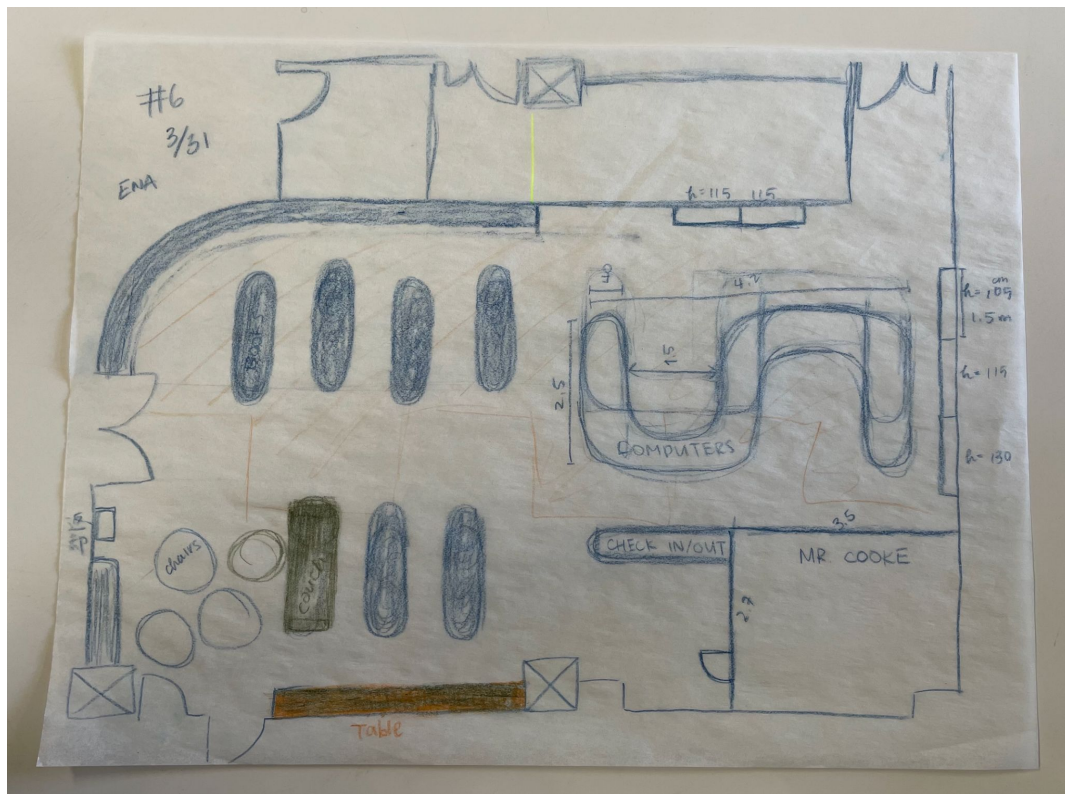

- Inspired by comfortable working environment
- Makes library a more inviting place
- Can relax & concentrate at the same time

BEFORE

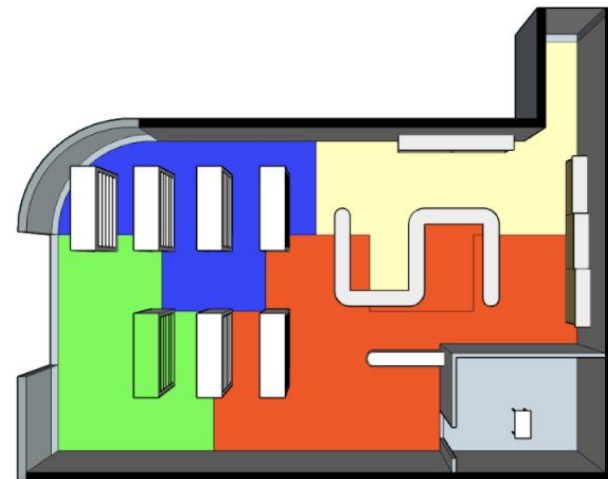

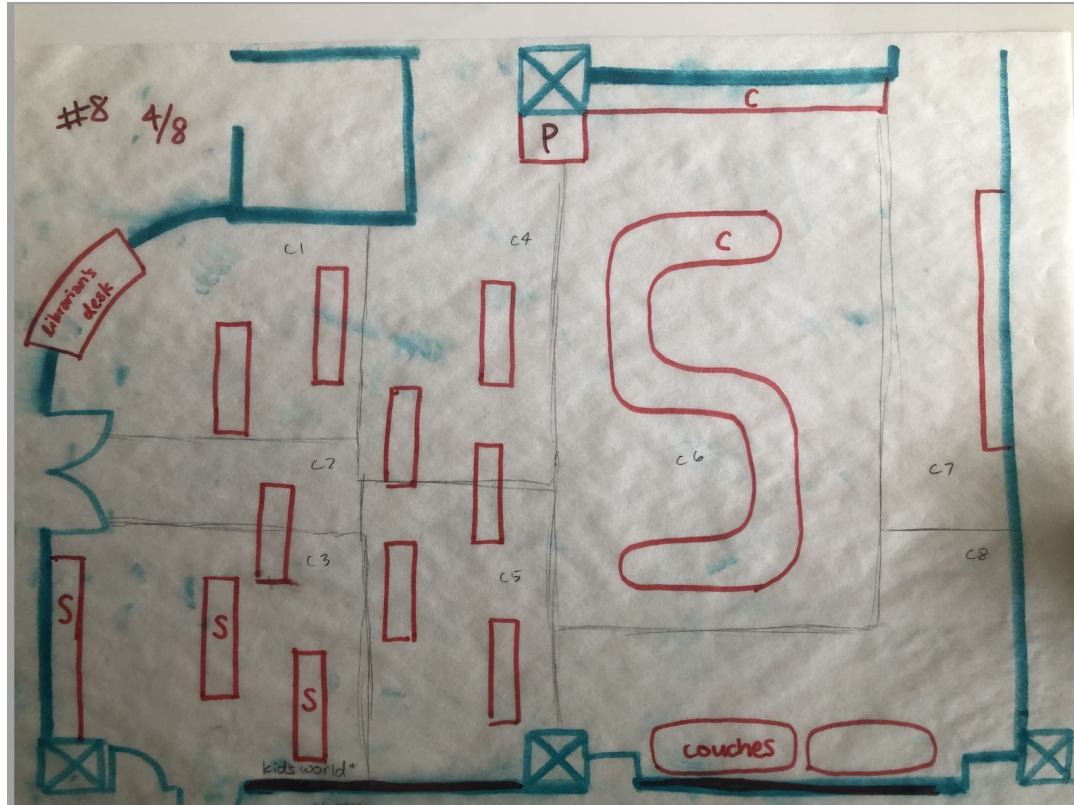

Initial plan

- Move Mr. Cooke's office
- S shaped computer table

Why change?

- No kids space
- No story
- Check in/out table in the way of office exit

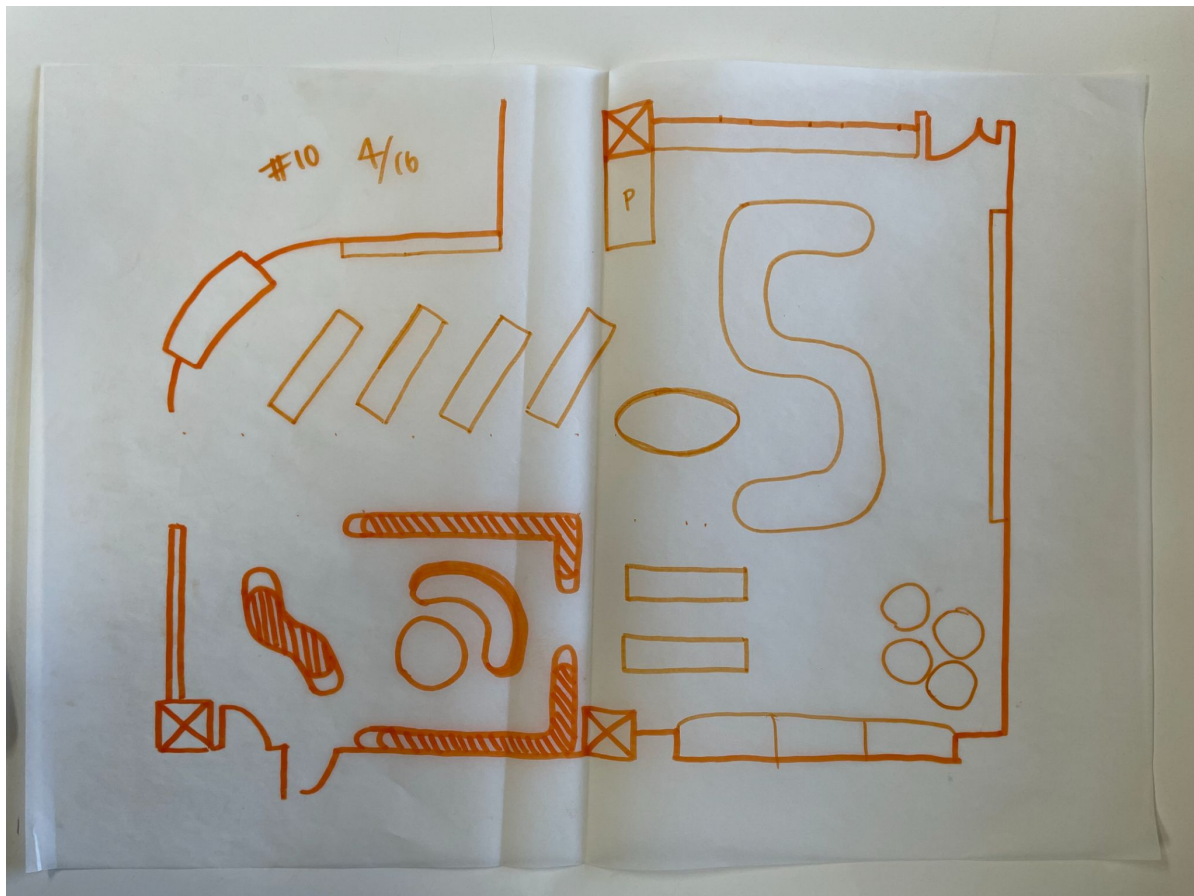

Revision 1

(no 3D rendering made)

- No more Mr Cooke's office
- Color coding carpet
- Check in/out table next to entrance door
- New library space (opened storage room)

Why change?

- No story
- Weird
- Not inviting kids space
- Random extra space around couch
- Messy with shelves

Revision 2

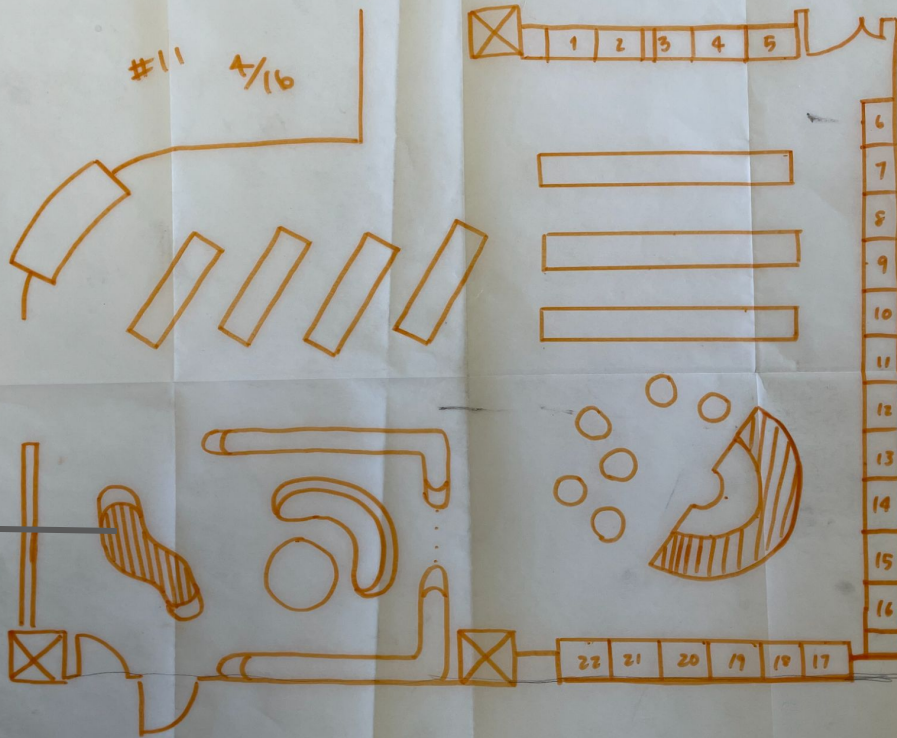

(no 3D rendering made)

- New kids space, somewhat isolated
- New shelves that don't get in the way of people who wants to use computers

Why change?

- S shaped table taking up space
- Random table in the middle???
- Shelves also in a random space

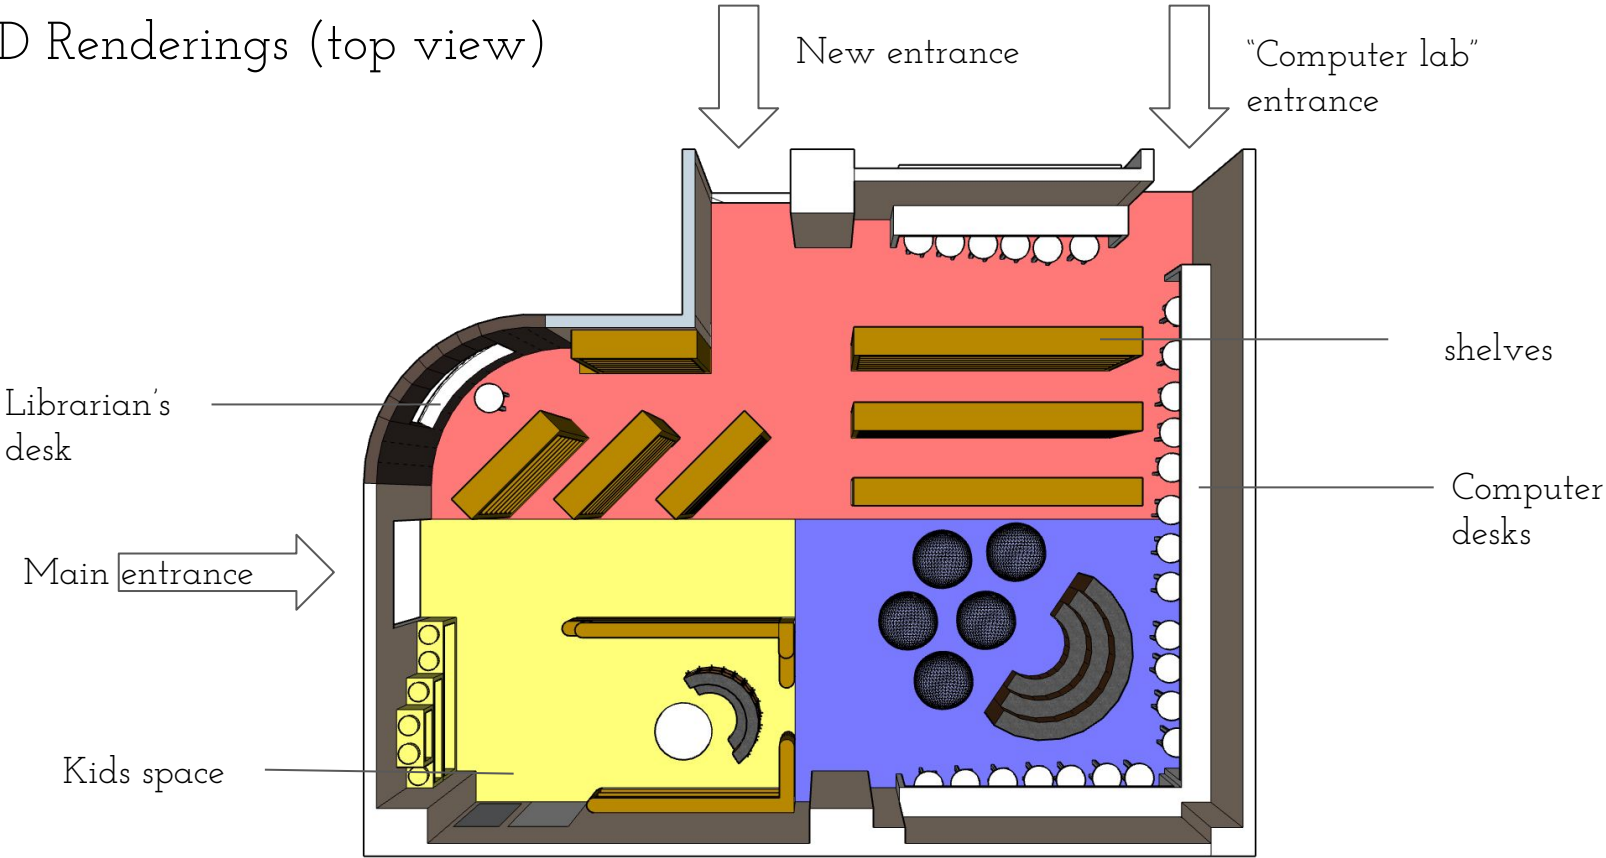

Does not
exist

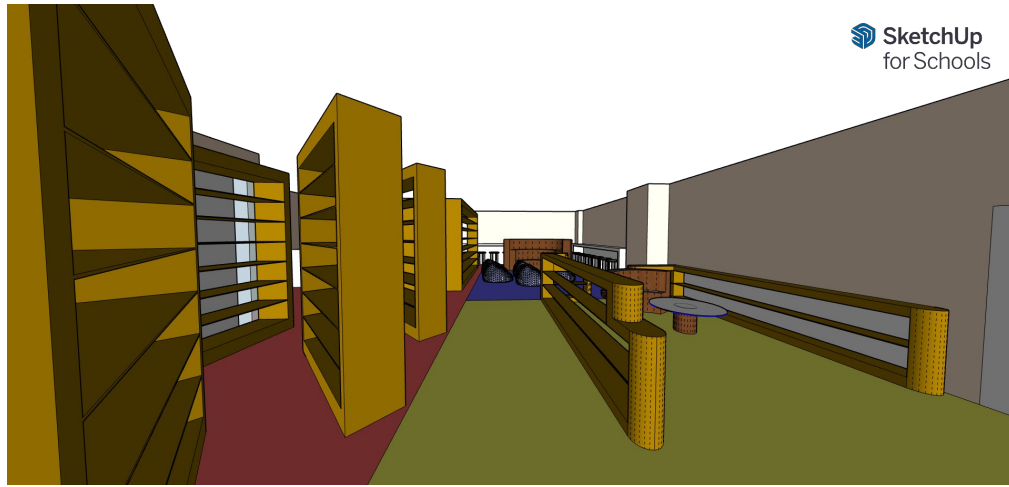

Final Product

- Got rid of S shaped table
- Opened storage room
- Removed Mr. Cooke's office
 - We propose Mr Cooke's office to be in the room under the stairs in front of the genkan
- Relocated librarian's desk
- Computers along the walls
- Staircase couches
- Simple shelves
