

13 May 2021

Dear Families,

We are writing to thank you for your support during your child's five years at Sydenham. It has been a pleasure working with you and your child and we are very pleased with how resilient and conscientious your children have been during this challenging time as they prepare for their next phase in education.

Last year we held a second-hand uniform sale for new Year 7 families and for families with children moving into KS4. This was a great help to many and we would like to repeat this again in June. Whilst we appreciate that this year group were the last students wearing the old uniform, we would still be grateful for any donations in good condition of the following:

- white shirts
- jumpers with white stripe without the logo
- navy blue trousers
- school bags
- PE Kit
- Black school coats

Your child can bring the donations to reception.

Thank you in advance for your generosity.

Yours faithfully,

Janet Emmanuel
Assistant Headteacher
