HONOR CORDS

The Doctor of Pharmacy and Doctor of Physical Therapy programs at Wingate University recognize their academic honor students by bestowing upon them a gold-tasseled braid with the following Latin honors:

cum laude — 3.50-3.649magna cum laude — 3.65-3.89summa cum laude — 3.90-4.00

Wingate University recognizes undergraduate students with academic honors by bestowing upon them a gold-tasseled braid to be worn over the gown. These honor levels include the following Latin honors:

cum laude — 3.50-3.649magna cum laude — 3.65-3.89summa cum laude — 3.90-4.00

Undergraduate students with University honors are those who successfully complete 17 hours of honors-designated courses. Wingate University recognizes these students by bestowing upon them a white-tasseled braid to be worn over the gown.

HONORARY DEGREE RECIPIENT

R. STEPHEN POSTON Vice President and Director of Athletics Wingate University

Robert Stephen Poston started work at Wingate as a baseball coach nearly 50 years ago and will retire this year as vice president, director of athletics and the longest-tenured administrator in the University's history.

At various times a teacher, recruiter, fundraiser, coach and administrator, Poston jokes about his long resume: "Wingate has been relentless in trying to find a job I can do here." It might be more appropriate to ask what job he can't do.

A 1966 graduate of Gardner-Webb College, Poston earned his bachelor's degree at Wake Forest University in 1968 and a master's in higher education administration from Appalachian State University in 1975. He began coaching baseball at Wingate in 1972 and three years later found himself doubling as an admissions counselor. He moved into recruitment full-time, eventually becoming vice president for enrollment management, a role he would fill until 1996, when he became director of the Matthews Center, where Wingate's graduate programs were offered at the time.

For the past 20 years, Poston has served as athletics director, during which Wingate has won the Echols Award 13 consecutive years, has had the most Academic All-America honorees in NCAA Division II and in North Carolina (all divisions), and won the 2016 men's soccer national title. Poston's goal was to give all sports an equal opportunity at success. During his time in charge, Wingate added women's golf, women's lacrosse and women's triathlon, in addition to men's swimming and indoor and outdoor track for both men and women. Poston was inducted into the Wingate University Sports Hall of Fame in 2018.

Poston's legacy of loyal service has extended well beyond the campus. He has held leadership positions with the Union County Community Arts Council and United Way, while also serving in the Monroe Rotary Club, working with Union County Habitat for Humanity and serving on the Lake Park Christian Academy board of trustees. Poston won a HeART of the Arts lifetime achievement award in 2013. He also served four years on the NCAA Division II Management Council, starting in 2011.

Poston will become an adviser to President Rhett Brown in January 2022, working part-time.

THE PROCESSIONAL

The academic processional is organized according to academic office and rank, in the following order: faculty marshal (mace bearer), officers of the University, professors, associate professors, assistant professors, and instructors. At any point during the processional or recessional, audience members are requested to stand.

WINGATE UNIVERSITY MACE

Maces have been used in legal and religious settings for centuries. Originally used as defensive weapons, maces have their roots in Roman courts, where they were used to restore order and mete out punishment. They were initially carried in the 12th century Roman Catholic Church to protect bishops, cardinals, and the pope and were club-shaped because priests were forbidden from shedding blood. Maces eventually came to be regarded as symbols of authority. In a University setting, this implies the authority to grant degrees and marks significant occasions on the academic calendar.

The Wingate University mace is made of solid dark walnut with two bronze University seals and is 42 inches in length. The University seal features oak leaves (representing the oak trees that populate the Academic Quad) and the Latin phrase "Fides, Scientia, Pietas," which roughly translates as "Faith, Knowledge, Service" – the University motto. The mace should always lead the ceremony and procession.
