

**The Advanced Math & Science Academy
Public Charter School**

Presents

“Thank an Educator”

In just a few weeks, the school year will be over and the summer will be upon us. At the end of the school year many families consider ways to thank a special teacher who has made AMSA a great place for their children, especially with all the challenges we had to overcome.

Why not make a tax-deductible contribution to the AMSA annual appeal in the special teacher’s name? Your support will allow AMSA to continue to expand the many academic opportunities in the classrooms. As you can imagine, with so much unknown going forward, we are attempting to purchase supplies for our labs in the science department. Most of the money donated comes from parents like you, and with this campaign, you can thank a teacher and support AMSA at the same time.

Our recipients will receive a special lapel pin and a framed certificate notifying them of your donation in their honor. Knowing that you took the time to remember them in a way that will benefit the entire school system is the best gift of all.

So shop no further. Give a gift that keeps on giving!

Please detach and return with your check (made out to AMSA Charter School), or complete the online form located on the AMSA webpage by June 4, 2021.

.....

Name: _____ Phone: _____

Address: _____

We would like to express our appreciation for the educational contributions of

(Teacher’s name – List all teachers if honoring more than one)

Who teaches: _____ Grade: _____

Child’s name/Class name(s) (subject)

Please mail your check in the amount of _____ (\$50 for each honored teacher)
