[To apply for Session 1 click here.](#)

Session 2: July 12-16 from 8-12

[To apply for Session 2 click here.](#)

Transportation will be available along normal routes.

July 21-23 is Kinder Camp for incoming kindergarteners. Families can enroll for Kinder Camp when they complete registration.

Session 1 Programs

Kinder: Stepping Up Skills

Kinder students will be working on strengthening their reading and math skills while getting to play fun games!

1st: Fairy Tales, Disney, Oceans & Rainforest

1st grade students will be strengthening their reading and math skills through the exploration around these fun themes!

2nd: Focusing on the Core

2nd Grade students will strengthen their focus on the critical skills of reading and math!

3rd: Celebrating Diversity with American Heroes & STEAM

3rd Grade students will be strengthening their reading, math and science skills by completing a book study and conducting experiments!

4th & 5th: Game of Life

4th & 5th Graders will strengthen their reading and math skills as they play an interactive Game of Life where they will explore, colleges, careers, and real life money skills.

4th-6th: Exploring Art

4th-6th Graders will strengthen their reading and math skills as they learn about various artists and create their own artwork- including a mural for the school!

Session 2 Program

"July Jump Start"

All incoming grade students will have the opportunity to get a jump start on the mindsets, skills, and knowledge needed for their upcoming grade.

(Incoming 1st-6th graders only)
