

What kids are saying

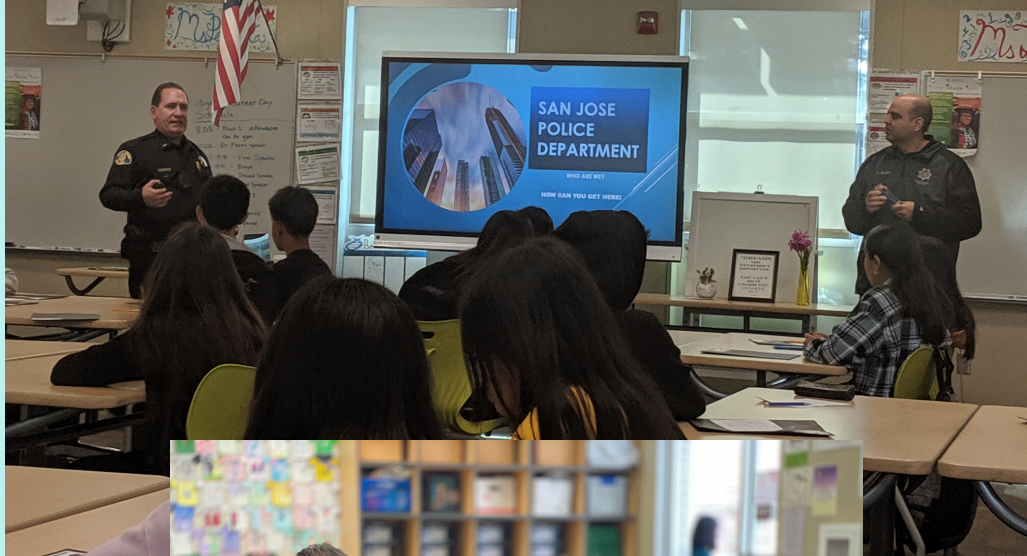

"I liked hearing about their job and what they do for a living. I learned about the process of booking a suspect."

"The most interesting thing is everything they go through after they arrest the criminal. Plus how much they have to report and write down."

"I would be interested in this job because you are saving the community."

"The best part was the investigation we did together."

*"I liked
learning
how to protect
my city. I
would
be good at this
job."*

*"I liked
learning
about
the
dogs"*
