

Jump Start Tangipahoa Parish

Parent & Student
Guidance

What is Jump Start?

- What were the diploma options and what is new?
 - Tops University (aligned to 4 year universities)
 - Tops Tech (aligned to 2 year and career readiness)

Students choose their pathway at the end of their 10th grade year.

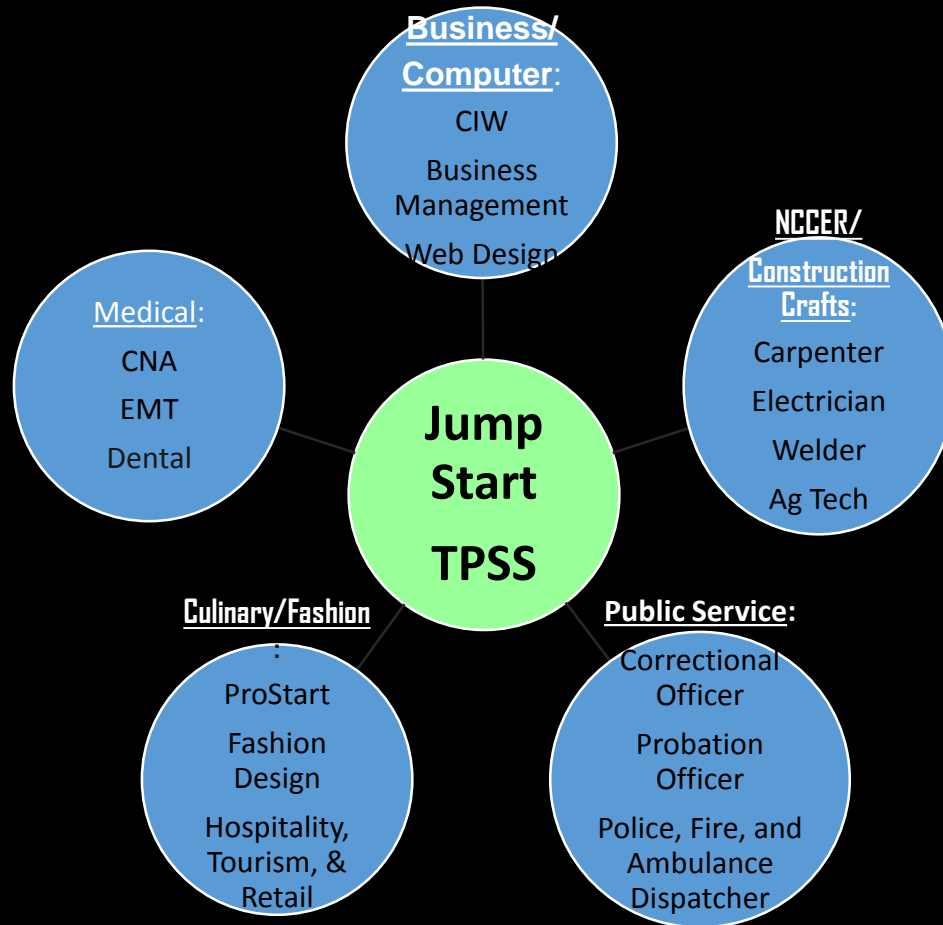

How do we help students choose a pathway?

- Journey to Careers
- Kuder Navigator (8-12th)
- Login is the same as their tangischools login with the addition of _TPSS
- EX: username_TPSS
- password

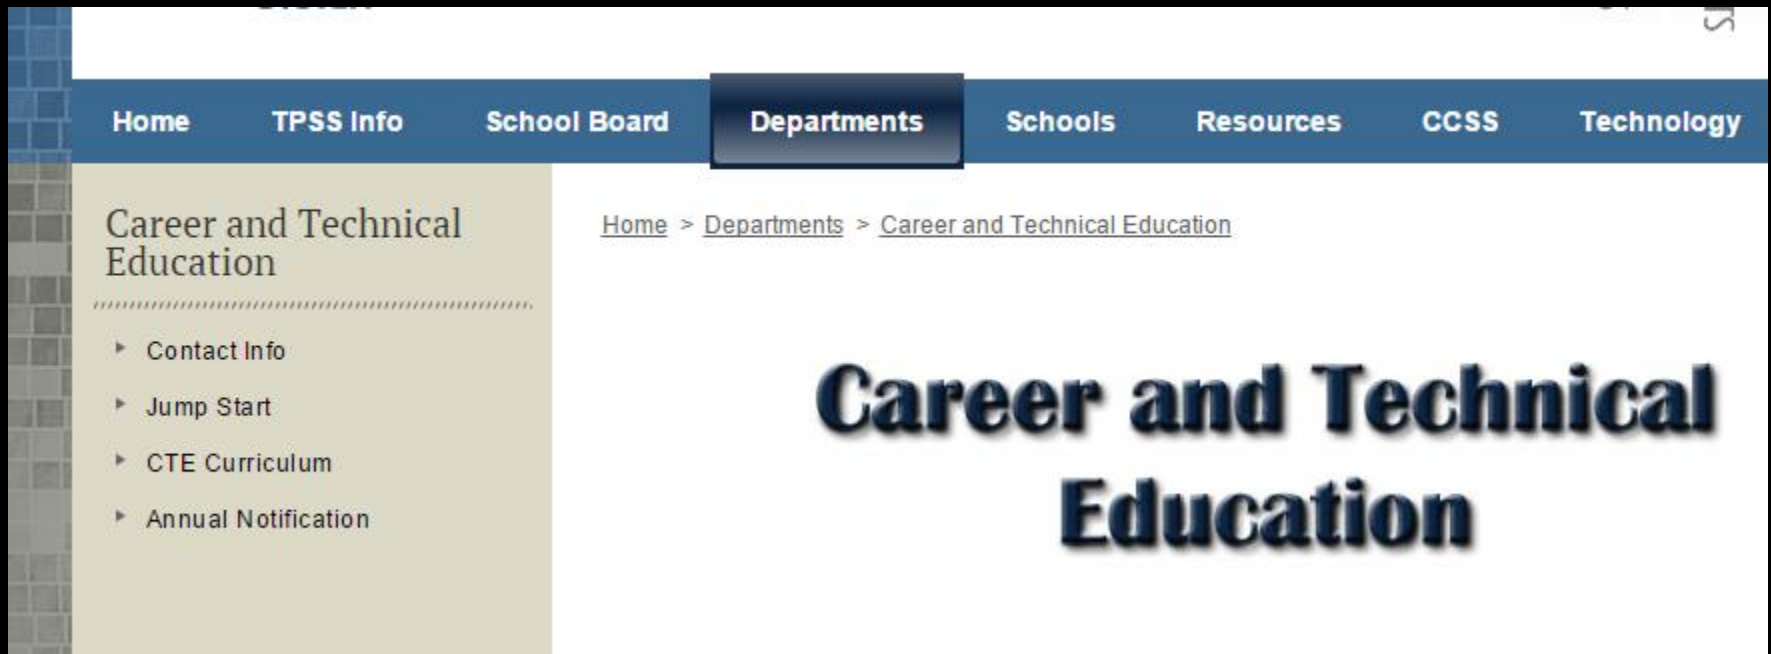

Pathway Clusters

Links on our site:

- www.tangischools.org

The screenshot displays the website's navigation menu with the following items: Home, TPSS Info, School Board, Departments (highlighted), Schools, Resources, CCSS, and Technology. The main content area features a breadcrumb trail: Home > Departments > Career and Technical Education. A sidebar on the left lists the following links: Contact Info, Jump Start, CTE Curriculum, and Annual Notification. The main heading reads "Career and Technical Education" in a large, bold, blue font.

Next Steps

- Ask questions to ensure you help your child make the decision best for their future.
- Take the career inventory each year to see if the job cluster is the same.
- Always contact your counselor if you have questions regarding your child's graduation plan.

Frequently Asked Questions:

- Can my child switch pathways after they have made a decision?
- How do I know which pathways are offered at my child's school?
- How many credentials does my child need to graduate?
- What are the post secondary options for each diploma?
