A. Goals for next year – 2021-2022:

- a. Lakeside Elementary Students will show growth based on the school average MGP (Median Growth Percentile) of at least 1 additional percentile rank or better from the most recent year's state summative testing in all academic areas as measured by the 2021 state summative assessment. This includes language arts, math, and science.
- b. Based on Acadience Reading Middle of Year (MOY) data, 78% of Lakeside Elementary Students in grades K-3 will make "Typical" or better progress according to Acadience Pathway of Progress Composite score.
- c. By using SEL mentors and instruction, Lakeside will increase the number of students at Benchmark by 1% End of year CRTs in Grades K-2, and on Math and ELA Rise Testing in grades 3-6.

IV. Miscellaneous

- a. A question was asked about the Upper EI model and how it has been working this year. Mr. Farnsworth said that most of the reports are positive. Some parents, students, and teachers have made suggestions for change and they are working to implement those changes. Another survey will be sent out to get more feedback.
- b. The Governor issued a statement that masks be removed for the last week of school. It is up to the districts to decide what they will do. The Davis District sent the following message after the meeting was adjourned:

“Earlier today, Utah Gov. Spencer Cox said the state would be lifting the school mask mandate earlier than originally anticipated.

In conjunction with that action, the Utah Department of Health issued State Public Health Order 2021-12. That order replaces the previous order which was to remain in effect through the end of the 2020-21 school year.

The new order states the school mask mandate "shall remain in effect until the Monday of the last week of the 2020-21 school year."

In accordance with that order, the use of face masks in Davis School District will remain through Friday, May 28. After Monday, May 31 — which is Memorial Day and a day when school is not in session — face masks will no longer be required in DSD schools.

The school year ends Friday, June 4.”
