

Nibley Park School (K-8)
SCC Meeting - Via Zoom
February 24, 2021
3:30 P.M.

- The meeting was called to order at 3:35 by our Co-Chair, Mr. Josiah Helbling.
- No new members were in attendance.
- **Principal's Up-date: Mrs. Frances P. Battle**
 - **Land Trust:** The web site for Land Trust is not presently available. This year's plan will be up-dated once the site is ready. We also need to start planning for next year. As discussed at our last meeting, we will continue to implement AVID strategies; however, we will not be an AVID site. It will be suggested that we use some funds for AVID supplies and training to support core areas next year.
 - **Land Trust Video:** A video about how Land Trust funds can be spent was shown to all members present. Mrs. Battle is asking all SCC members who were not present at the meeting to view the following link <https://youtu.be/zk0o5LayAdU>.
 - **Student Success Plan** – Each member of the committee and our staff have been provided a copy of the school's present plan. This is our third year of implementation and feedback is requested from all stakeholders. We should consider keeping some of the same things in place next year.
 - **School Budget:** Mrs. Battle shared that our estimated school budget for next year is \$398,296. This is based upon student enrollment and is a significant cut from last year. Due to the pandemic, we loss almost one hundred students.
 - **Teaching Staff:** Presently, most teachers are teaching in person and remotely. Third grade has one teacher teaching remotely and one teacher teaching in person. At the beginning of third trimester, both third grade teachers will be teaching in person and remotely. Their class lists will include most of the students that were assigned at the beginning of the school year.

- **Middle School Schedule:** Presently middle school is using the hybrid model. Seventh graders may attend school on Monday and Thursday. Eighth graders may attend on Tuesday and Friday. Teachers are teaching in person and remotely. Our school board will be meeting soon and may decide to have an option for all students K-12 to return to school four days a week. Wednesday will remain asynchronous for all students.
 - **Lunchroom Update:** Students have assigned seats in each class, and things are going well.
 - **Student Social Distancing (Up-date):** We are doing our best to help the students practice social distancing throughout the day.
 - **Masks:** Everyone is required to wear a mask while on campus. This includes recess. Extra masks are available for students and visitors.
 - **Other:** Mrs. Battle will keep the committee up-dated as much as possible. We may have to meet earlier next month to discuss Land Trust.
- No further discussion was held.
 - Meeting was adjourned by Mr. Helbling.
