# Edison Public Schools 2021 SUMMER PROGRAMS

**NOTHING LESS THAN EXCELLENCE THIS SUMMER**

## **GRADES 3-12**

Sports Camps for team, individual sports, and more.

Half Day & Full Day Camps

## **WEEKLY CAMPS**

## **GRADES 3 - 8**

Art, Music, Theater,  
Language Arts, Math,  
Science, Social Studies,  
Technology, and  
Kinesthetic  
Enrichment Courses

## **19 AMAZING DAYS**

## **MORNING & AFTERNOON SESSIONS WEEKLY**

Arts & Crafts, Academic, and  
Physical Activities offered  
during each session.

## **GRADES 1 & 2**

## **GRADES 1 - 6**

Camp Invention is a STEM  
Summer Program that  
turns curious students into  
innovative thinkers

## **1 WEEK**

## **GRADES BASED ON SEPTEMBER 2021**

Summer Programs will be offered Remotely or In-Person this Summer. We will not be in a Hybrid learning situation. Please make sure to review the descriptions in the brochure carefully, when making your selections.

# REGISTRATION

## Summer Enrichment, Summer Activities, & Sports Camps

Registrations will ONLY be accepted ONLINE

REGISTRATION DEADLINES FOR SUMMER ENRICHMENT AND  
SUMMER ACTIVITIES  
May 17th– June 11th 2021

REGISTRATION DEADLINES FOR SPORTS CAMPS  
May 17th – to the day before  
each camp begins

### CONFIRMATION POLICY

#### Summer Enrichment & Summer Activities:

When you register online you will receive confirmation immediately that your registration was successful. We will contact you by phone **ONLY** if an Enrichment class is cancelled. We will work with you to reschedule another class. Your child will receive his or her Enrichment class schedule via email. The teachers will then send you specific information about how each class will be run remotely.

#### Sports Camp:

If you register online, you will receive confirmation immediately that your registration was successful. If a sports camp is cancelled due to lack of participation, we will attempt to give you 5 days notice of the cancellation.

EDISON PUBLIC SCHOOLS  
[summer.programs@edison.k12.nj.us](mailto:summer.programs@edison.k12.nj.us)  
312 PIERSON AVENUE  
EDISON, NJ 08837

## CENTRAL OFFICE ADMINISTRATIVE STAFF

Dr. Bernard F. Bragen Jr., Superintendent  
Gail Pawlikowski, Chief Academic Officer/Secondary  
Baninder Mahabir, Chief Academic Officer /Elementary

## SUMMER PROGRAMS ADMINISTRATIVE STAFF

Kathi Gluchowski, Head Teacher, Enrichment/Summer Activities  
Lisa Dato, Camp Coordinator, Sports

# Summer Program Policies

## In-Person Sports Camps 2021

Any students that are attending a Summer Program in person will follow all Covid protocols that the district currently has in place. Sports Camps will have their own set of guidelines depending on the sport and location of the camp. All in-person sessions will only run during the morning hours, there will be no lunch or afternoon sessions in-person.

## LATE PICK-UPS

Please remember all children need to be picked up on time! Students must be picked up at the appropriate time for their program. Students are not permitted to wait unattended for another student in a different program offered at the school. Therefore, parents are responsible for picking up their children on time, even if arrangements are made through carpooling. Two (2) late pick-ups may result in your child being dismissed from the program without a refund.

## VIDEOTAPING

Edison School Network (ESN-118) may visit our Sports Camps to videotape our activities. Highlights from these programs may be shown on Channel 118 or used on the district website. If you have an objection to your child being videotaped, please write a note to the Summer Programs office and give it to your child's Enrichment/Activities teacher or sports coach.

## CONSTRUCTION PROJECTS

Please be aware that summer construction projects may be taking place on school grounds, which could result in noise and smells. We make every effort to minimize student exposure. In addition, buildings are not air-conditioned, so please make sure that students are appropriately dressed.

## Remote SUMMER PROGRAMS 2021

During these challenging times, the Edison Township Board of Education is thrilled that we can offer summer programs remotely for the youth of Edison Township. We are offering programs for Edison students in grades 1 through 12. **These programs are designed for students who have transitioned well to Remote Learning and enjoy self-directed learning, exploration and are actively engaged in their learning.** These courses are designed as enrichment classes and sports camps that will help children develop certain skills, but they are not strictly aligned to the curriculum the students are engaged in during the school year. **Children will not be graded or formally assessed during these summer programs,** however they will receive feedback from their instructors throughout the program.

Devices: The students will be permitted to use their district issued devices for the summer programs. Remember that the same technology policies are in effect for the summer regarding care of the device and ensuring that it is used for school-related use only. Please note that students will be using their district emails for the remote programs.

Please make sure to read the course/camp descriptions carefully before selecting courses with your children. **Some programs will require you to purchase materials or have access to certain sports equipment or instruments in order to participate in the course.**

# Summer Program Policies

## Scheduling

The Summer Programs Administrative Staff reserves the right to limit the enrollment of each class/program/camp on a first enrolled basis. Registering as soon as possible is recommended to assure a place in the class/camp you want and to protect against cancellation due to insufficient enrollment. Once the programs begin, there will not be an opportunity to change courses/camps due to the limited enrollment opportunities.

## COVID Protocols

**The in-person Sports Camps will follow all current CDC and district guidelines during this time.**

COVID-19 protocols will be followed at all times according to CDC guidelines and are subject to change. There will be temperature checks upon arrival. If your child tests positive for COVID-19, a refund will NOT be issued. If your child has to be quarantined due to another camper who tests positive, you will receive a prorated refund.

## CONFIRMATION POLICY

**Summer Enrichment:** When you register online you will receive confirmation immediately that your registration was successful. We will contact you by phone **ONLY** if an Enrichment class is full or cancelled. We will work with you to reschedule another class. Your child will receive his or her Enrichment class schedule via email.

**Sports Camp:** When you register online, you will receive confirmation immediately that your registration was successful. If a sports camp is cancelled due to lack of participation, we will attempt to give you 5 days notice of the cancellation.

## REFUND POLICY

**All tuition fees include a non-refundable \$30.00 registration fee.**

Since classes/camps are approved based on a sufficient number of paid registrations, fees will not be returned for any reason after the class/camp has started. The Summer Programs Administrative staff reserves the right to cancel any class/camp in which registration is insufficient. A full refund will be issued, or you may transfer to another class/camp that is still available.

**All refund requests must be in writing and received via the [summer.programs@edison.k12.nj.us](mailto:summer.programs@edison.k12.nj.us) no later than Friday, July 16th, 2021.** All refunds will be processed after August 20th, 2021, and sent by mail from the Business Office of the Board of Education.

## RECEIPTS

If you require a receipt (besides your online confirmation), you **must put your request in writing** and send it to the Edison Public Schools - ATTN: Summer Programs, 312 Pierson Avenue, Edison, NJ 08837 or emailed to [summerprograms@edison.k12.nj.us](mailto:summerprograms@edison.k12.nj.us). **All requests must be received before August 31, 2021 so that we may verify your child's attendance.** All receipts will be issued by September 30, 2021.

## INAPPROPRIATE BEHAVIOR POLICY

For the safety and enjoyment of all summer program participants, any inappropriate behavior by Activities/Enrichment/Sports Camp students may result in dismissal from the program. No refunds will be issued if your child is dismissed for inappropriate behavior. All district technology agreements must be followed throughout the Summer Program.

**All Summer Program registrations will not be complete until the required Code of Conduct is signed by a parent.**

The Summer Activities Program is for children who completed kindergarten or first grade in the 2020-2021 school year. The Summer Activities Program is designed to engage learners in fun activities that enhance their academic, physical, and social skills. They will be given the opportunity to create various crafts (all different over the four weeks) and play a variety of games (sports, math, etc.). Reading and writing activities will also be integrated into the program. Certified teachers will be conducting and overseeing all facets of the remote program.

We are offering three one hour sessions each day from 9-12 for the length of the 19 day summer program. There will be another session offered each day from 12:30-2 in the afternoon. In these sessions, students will be exposed to children's literature that has cross-curricular connections. Students will enjoy a read aloud and discussion of a story, followed by math, language, and physical activities related to the story or the theme in the story. **The students will be interacting with their teachers and classmates on Google Meet or Zoom throughout the hour class.**

## SUMMER ACTIVITIES REGISTRATION

(Grades 1 & 2 as of September 2021)

**ONLINE REGISTRATION Required**

A SEPARATE REGISTRATION IS  
NEEDED FOR EACH CHILD

## SUMMER ACTIVITIES PROGRAM SCHEDULE

One-Hour Session \$95.00 per session for the 19 days

Summer Activities
9am-10am Session
10am-11am Session
11am-12pm Session

One-Hour Session \$145.00 for the 19 days

Summer Activities
12:30-2pm Session

# SUMMER ENRICHMENT Program 2021

## **GRADES 3 – 8**

### **ALL REGISTRATIONS WILL BE ONLINE !**

The Enrichment Program offers academic refresher classes, such as math improvement, creative writing and book clubs, as well as enrichment classes, such as drama, dance, journalism, music, exploring science and technology.

**ALL ENRICHMENT CLASSES ARE BEING HELD REMOTELY FROM June 28, 2021 TO July 23, 2021**, with no programs or activities held on July 5. The structure for the Enrichment classes may include a mix of "live" sessions with the teacher and classmates using Google Meets or Zoom, recorded lessons, and independent work time for the students throughout the class.

Students may select up to 3 one-hour courses for the morning and 1 class in the afternoon (please check the schedule that is listed after course descriptions).

One-Hour Classes that do not require the purchase of materials	\$95.00 per class
One-Hour Classes that require the purchase of materials	\$80.00 per class
One & Half Hour Classes that do not require the purchase of materials	\$145.00 per class
One and a Hour Classes that require the purchase of materials	\$130.00 per class

The Enrichment Program is a 19-day program. All classes run from June 28th - July 23, 2021.  
The fees cover the entire 19-day program.

### **NO Programs/Activities/Camps on Monday, July 5th!**

*Since the summer programs require a considerable amount of planning to be successful, registration deadlines will be adhered too! Please plan accordingly!*

### **ENRICHMENT COURSE DESCRIPTIONS**

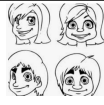

**NOTE: \*\*\*\*Please Use Summer Enrichment Schedule (provided after course descriptions) to see when courses are being offered. Please adhere to grade level recommendations when registering! \*\*\***

# ART ENRICHMENT

## Cartooning

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$80**

This class is for students who are interested in learning how to create cartoon images. Participants will explore existing cartoons, as well as create their own original ones.

### Course Materials Needed:

Ruler (or any straight-edge), Sharpies (black, extra-fine and fine), Any white drawing paper(no lines), Post-it notes for a flip-book, Colored markers, Colored pencils  
Pencil/eraser/sharpener, Play-Doh or make-your-own salt dough

## Textile Art

**Remote  
1.5 Hours**

**Grades  
3-8**

**Fee:  
\$130**

Students will explore the use of a variety of textiles such as felt, yarn, string, burlap and more in an artistic fashion. Students will learn simple weaving, hand sewing, applique and fabric design techniques in this fun and relaxing class.

### Course Materials Needed:

Scissors( Fiskars is a good brand for material cutting) Elmer's white glue or tacky glue, Some yarn ( a variety of colors as needed)  
Sewing kit ( Dollar Tree, Walmart, Amazon) or sewing loose supplies (your sewing kit should include sewing needles/ pins/ needle threader/ some thread)  
Various colors of felt or material (can be from recycled clothes) Small beads/ buttons as needed/wanted Various colors of embroidery floss- 3 to 5

## Drawing/Painting

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$80**

Do you love to draw and paint? We will show you how to use a variety of art mediums to make amazing art in this 1 hour course. You will learn not only how to take care of your supplies but also techniques that will improve your skills and excite your creative mind. Since the course is remote this year, there will be a virtual art show to share everyone's favorite pieces.

### Course Materials Needed:

Watercolors (Crayola, Prang sets comes with a brush) Acrylic paint set (any brand), Liquid Glue (elmer's white glue),  
Colored pencils, Colored markers, Crayons, Oil Pastels, Sharpies (Black extra-fine, and fine) Scissors/regular pencil/ eraser  
Drawing Paper/ copy paper/sketch pad (no lines on it), Watercolor paper pad (XL - Canson 9x12 size or bigger)

## Painting with the Masters

**Remote  
1 Hour**

**Grades  
4-8**

**Fee:  
\$80**

Did you ever want to paint like Van Gogh without losing an ear? Or see the desert through the eyes of Georgia O'keeffe ? What was Jean-Michel Basquiat trying to say with his graffiti art? In each class you will be introduced to a new artist! You will take a virtual walk in their shoes, learn fun facts, see their art THEN MAKE ART in that artist's style. We will be painting our summer away!!

### Course Materials Needed:

Suggested supplies- Acrylic and watercolor paint. (tempera paint is fine for some projects too) xl brand watercolor paper pad (9x12) can be found in Walmart or you may also paint on canvas or canvas board (keep it on the small side though - under 14 inches.) A variety of artist paint brushes and a water container.

## 3D Design

**Remote  
1 Hour**

**Grades  
4-8**

**Fee:  
\$80**

This course brings everything you love about ceramics and will incorporate other forms of 3 dimensional art. Young artists will plan and create sculpture out of a variety of materials and display their creations during our virtual art show.

### Course Materials Needed:

toilet paper/paper towel rolls, cardboard (cereal boxes) , good scissors, liquid glue, magazines, plastic bottles, twine, duct tape

## Fashion Design

**Remote  
1.5 Hours**

**Grades  
5-8**

**Fee:  
\$130**

This class is designed for students with a passion for fashion! Students will explore the art of fashion design by using hands-on techniques not only how to design their own clothing and accessories, but they will also learn the art of coordinating outfits in order to complete their ideal "look".

Most materials can come from your own closet or they might need to be purchased. Links are provided below to give you ideas for the materials you might not have at home, but you can purchase them at any store that meets your needs best.

[Fashion Design Materials Link](#)

# LANGUAGE ARTS ENRICHMENT

## Readers Club

**Remote  
1 Hour**

**Grades  
3-6**

**Fee:  
\$80**

A class where students will LOVE reading! This course allows students to join a book group and read the same book. Students will spend time reading a novel together and discussing it. They will also engage in weekly book talks, literature circle discussions, book celebrations and write like the author days. Research shows that choice and comfort really help kids appreciate a love of reading - let the reading journey begin!

[Materials List](#)

## Creative Writing

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

A fun, interactive class to help young writers unlock their creativity, improve their craft, and write better stories! Young writers will learn the essential ingredients of great fiction, so they can improve their writing, tell better stories, write more vivid scenes, and build confidence in their writing abilities. The class will help young writers (beginner to advanced) build a storytelling foundation and nurture their love of writing. Create awesome characters who will jump right off the page and take your stories to the next level. Develop exciting plots that will keep your stories on track and have your readers on the edge of their seats to find out what happens next!

## Journalism

**Remote  
1 Hour**

**Grades  
3-6**

**Fee:  
\$95**

Students will examine the newspaper to learn about its different components. With the knowledge they gain about news articles, feature stories, editorials and other newspaper parts, the students will work as part of a "news team" to create a newspaper of their own.

## Journey Through the Genres

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

The learner will become familiar with various genres of writing including Narrative Writing, Expository Writing, Persuasive Writing, and Descriptive Writing. The learner will use the writing process to explore all of these genres in creative ways. Students will read and analyze different types of writing. The students will then be taught how to use the writing process to publish writing in all of these genres. Students will present their writing to the class in creative ways and learn how to tackle different genres in the classroom.

## Word Play

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

This remote class offers students the opportunity to explore the English language! Each day, students will receive a word of the day to add to their journals (please have a notebook prepared), as well as have time to explore through various activities - word ladders, games, videos, etc. The class teacher will hold daily virtual meetings to discuss the new content and explain the day's activities. Students will have a chance to play word-play games virtually with their peers as well. Access to a printer is helpful, but not necessary. Let's play!

## Catch the Podcasting Bug

**Remote  
1 Hour**

**Grades  
4-8**

**Fee:  
\$95**

The learner will become familiar with various genres of writing including Narrative Writing, Expository Writing, Persuasive Writing, and Descriptive Writing. The learner will use the writing process to explore all of these genres in creative ways. Students will read and analyze different types of writing. The students will then be taught how to use the writing process to publish writing in all of these genres. Students will present their writing to the class in creative ways and learn how to tackle different genres in the classroom.

## Wizardsing World of Harry Potter

**Remote  
1.5 Hours**

**Grades  
4-8**

**Fee:  
\$145**

Calling all witches and wizards! In this class, students will explore the world of Harry Potter through crafts, games, writing, and online activities. This class is ideal for any Harry Potter lover- whether they are new to the world of Hogwarts or if they have seen every movie and read all the books!

## Math Improvement

**Remote**  
**1 Hour**

**Grades**  
**3-8**

**Fee:**  
**\$95**

The main focus of this class is to improve math skills, as well as challenge the students with upcoming mathematical concepts. In order to meet the needs of all students, instruction will be varied and allow for opportunities for group problem solving and independent practice. Due to the popularity of this class, classes will be based on grade levels (3-4, 5-6 and 7-8).

## Geometry & Creative Writing through Origami

**Remote**  
**1.5 Hours**

**Grades**  
**4-8**

**Fee:**  
**\$130**

This remote class offers a creative and enjoyable way to explore the exciting world of geometry and creative writing. Through simple origami folding techniques and construction, students will examine mathematical concepts such as two- and three-dimensional shapes, patterns, puzzles, angles, perimeter, area, symmetry and tessellations. Teachers will post instructional videos at the beginning of each class, and students will have time to explore and practice. Once students have completed their origami pieces, they will have the opportunity to write a story, dialogue or create mini-movies about their creations and will showcase their work to the class.

**Course Materials Needed:**

Origami Paper 6 inch square: Suggested from [Amazon](https://www.amazon.com)

## Escape Room

**Remote**  
**1 Hour**

**Grades**  
**3-8**

**Fee:**  
**\$95**

Who? What? When? Where? Why? Follow the clues to solve the mystery. Any good detective has a team behind him/her and helps to solve the problem. In this course, students will be faced with many challenges that need a team virtually to crack. Due to the popularity of this class, classes will be based on grade levels (3-4, 5-6 and 7-8).

## Brain Games

**Remote**  
**1.5 Hours**

**Grades**  
**3-8**

**Fee:**  
**\$145**

This class is perfect for students who want to sharpen their critical thinking skills, think in flexible ways, and work collaboratively with their peers. Throughout the course students will work through different types of puzzles such as riddles, logic puzzles, brain teasers and more. Not only will students work together to solve puzzles, they will have opportunities to create their own.

## Strategize

**Remote**  
**1 Hour**

**Grades**  
**3-6**

**Fee:**  
**\$95**

This class is designed for students who love to play games and want to understand some strategies to increase their chances of winning. The students will learn to explore the logic and strategies behind common board games and card games while having fun with their peers. Students will need a deck of cards for this class.

## Lego Challenge

**Remote**  
**1 Hour**

**Grades**  
**3-8**

**Fee:**  
**\$80**

What can happen when imagination, creativity, and math come together with Legos? Amazing engineering feats through daily building challenges. Students will be able to put those important math practice skills such as problem solving, perseverance, precision, modeling, and critiquing into practice as they tackle daily Lego challenges using basic pieces. Participants will need to have access to basic Lego pieces. A link with a suggested set is below.

[Possible Lego Set on Amazon](https://www.amazon.com)

## Experimenting with Science

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$80**

Experimenting with Science Remote Learning will be a combination of hands-on and virtual activities. Between STEM challenges, brain teasers, online lessons, at home experiments, and virtual labs this course offers a fun and engaging virtual approach to Science. Many of the materials needed are common household items.

[Activities and Materials List](#)

## Forensic Explorations

**Remote  
1 Hour**

**Grades  
4-8**

**Fee:  
\$80**

The learner will become familiar with the various methods utilized in forensic science to solve crimes through math, science, and technology. Students will learn about the history of forensic science, how to classify fingerprints, apply techniques like chromatography, blood spatter analysis, and dental impressions, reconstruct a crime scene, and solve a murder mystery. Due to the popularity of this class, classes will be based on grade levels (4-5, 6, and 7-8). Due to the on-line nature of this course, some materials must be provided by the student/parent. A list of materials needed will be emailed after registration. There will also be a separate "pick-up packet" of materials provided.

[Activity & Materials List](#)

## Small Team Building for Creative Problem Solving

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

This course will be dedicated to fostering the skills necessary for succeeding as a competitive small group or team among your peers (for example such as an OM team or classroom small group) from Grades 3-8. Students will be placed in groups of 4-8 members and introduced to the basic skills needed for success in and out of the classroom for anyone on a team, interested in starting a team, or just interested in a creative problem solving experience and building those related skills. Members will learn to Apply their own Creativity, Stretch their mind to become more nimble in verbal and hands-on problems. Learn New skills in Basic Woodworking and Fastening, for Engineering Structures and Vehicles creating props or performance items that will help you be successful in earning grades, completing group challenges, or competing against peer groups. This course will be taught by an executive board member of New Jersey Odyssey of the Mind and 18 yr veteran Edison OM Coach.

[Materials List](#)

## Spaghetti Architect

**Remote  
1.5 Hours**

**Grades  
5-8**

**Fee:  
\$130**

This is a course in structure engineering that uses dried spaghetti and glue as its primary building material. Students will explore the basic engineering design procedure and the physics of dynamics and energy. They will study, build, and test towers, bridges, and similar structures accounting for environmental conditions such as Hurricanes, Tornadoes, and/or Earthquakes. Participants will need to have uncooked spaghetti and glue.

[Materials List](#)

## Physics of Toy Design

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

This course looks at the physics needed for toys. Not just the playthings of children, these devices are modern technological wonders in physics and chemistry just as they are ancient applications of simple machines. It looks at how toys throughout the last 2 millennium used and still use simple materials along with complex science to captivate children's attention, inspire their imagination, and construct their foundations for vocational potential.

[Materials List](#)

# SOCIAL STUDIES ENRICHMENT

## Who's Who in History

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

Each session we will be exploring another influential person that has made the world a better place. We will be introduced to the "Who's Who" through videos, literature, speeches and much more! Can you guess who we will be studying?

## Speaking Skills

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

Speaking in public is a skill that everyone should master! Through various activities, students will learn skills and techniques to help make them better public speakers. They will witness how body language, facial expressions, tone of voice, volume of speech and eye contact can add to or detract from the content of their speeches. The students create, then deliver, speeches on a variety of topics.

## The Great Debate

**Remote  
1.5 Hours**

**Grades  
6-8**

**Fee:  
\$145**

This course, designed for grades 6-8, will allow students to discover the many facets of debate. Students will learn about and practice impromptu debate as well as interpretation speaking, which helps students to focus on verbal and nonverbal delivery in playful and fun ways. The students will also learn the basics of debate by deciding on current, relevant issues as a group and by researching and preparing cases as a team.

## Monsters in Mythology & Legends

**Remote  
1.5 Hours**

**Grades  
3-8**

**Fee:  
\$145**

Have you ever heard of the Tengu of Japan? How about the Celtic Dullahan? Each week we will explore the bizarre and unexplained myths and legends of continents across the world. Students will read age-appropriate stories, play culturally themed games, learn about monster holidays and create projects based on each legend.

## Elementary Student Leadership

**Remote  
1.5 Hours**

**Grades  
3-5**

**Fee:  
\$145**

What does it mean to be a leader? How can I improve my leadership skills? This class is designed to increase confidence through the introduction of essential leadership skills. The course will teach students how to apply important leadership skills such as problem-solving, critical thinking, team building and more that they can bring back to the classroom in September.

## Around the World in 19 Days

**Remote  
1.5 Hours**

**Grades  
3-8**

**Fee:  
\$145**

Students will "travel" around the world to explore land features, art, music, food, and cultures. With the help of today's streaming platforms, we will explore the land, "join in" festivals, and be one with the wildlife. Google Art & Culture will allow the kids to take virtual trips to the actual museums and be able to "walk" through the exhibits themselves in their current state! We will also participate in hands-on activities such as art projects and create presentations to share our knowledge with the class. Come join us on this once in a lifetime trip around the world!

# MUSIC ENRICHMENT

## Introduction to Piano

**Remote**  
**1 Hour**

**Grades**  
**3-8**

**Fee:**  
**\$95**

This course is for students who have no prior experience playing piano. Students will receive individual lessons as well as group instruction, as they learn the fundamentals of reading music and proper performance technique.

**\*Students must have access to a piano or keyboard at home.**

## Composer's Workshop

**Remote**  
**1.5 Hours**

**Grades**  
**3-8**

**Fee:**  
**\$145**

This course offers an introduction to music writing for both singers and instrumentalists. Subjects will include lyric writing, improvisation and arrangement and electronic music. Students will learn to compose in various styles. **Students must be able to read music and have at least one year of experience playing an instrument or singing in chorus.** Piano ability is helpful, but not required.

## Beginner Band

**Remote**  
**1 Hour**

**Grades**  
**3-8**

**Fee:**  
**\$95**

In this class, students will learn the basics of how to play band (woodwinds and brass) instruments (flute, clarinet, saxophone, trumpet, trombone, euphonium). They will learn basic music reading notation. This is ideal for those students that want to take band class, but who missed out on it in elementary school or middle school. It's also a great refresher for a student that may have taken time off in band. Students are required to have a working instrument for the start of classes. They also need Essential Elements, Book 1.

## Band

**Remote**  
**1 Hour**

**Grades**  
**5-8**

**Fee:**  
**\$95**

This course is **not** for beginner students. It is for students in grades 4-8 who have had **at least one year** of instruction. Students will be grouped according to ability and will be given ensemble and small group instruction, where applicable. Daily rehearsals will be conducted with the intent of fostering further technique and musicality building upon previous experience. Course guideline is contingent upon enrollment and instrumentation. There will be a different class for grades 5 & 6 and then grades 7 & 8.

## Beginner Guitar

(younger students or students with no musical experience)

**Remote**  
**1 Hour**

**Grades**  
**3-8**

**Fee:**  
**\$95**

Have you wanted to learn guitar and don't know where to start? You've come to the right place. Beginner guitar will introduce basics of music, how guitar works, with step by step daily instruction on how to play. You will learn songs and chords, so that you can play your favorite music. No prior music experience is required. You will need your own instrument prior to the first class. Recommended places to get a guitar are Sam Ash and Music & Arts in town. Both acoustic and electric guitars will work. Daily worksheets and instructional videos will be provided via Google Classroom. Stay tuned for 'Tuning Hours', the week before classes.

## Guitar

(older students and/or prior music experience)

**Remote**  
**1 Hour**

**Grades**  
**3-8**

**Fee:**  
**\$95**

Do you already play some guitar and/or have some music experience playing the piano, violin, viola, cello or bass and want to learn more advanced techniques such as chords, barred chords, advanced melodies, scales, and play along to recordings? This is the course for you. Although an overview will cover the basics of guitar, this course is geared towards learning at a faster pace. We will cover the more advanced techniques mentioned above to enhance your skills. Even if you have never played guitar, but have some musical experience, this is the course for you. You will need your own instrument prior to the first class. Recommended places to get a guitar are Sam Ash and Music & Arts in town. Both acoustic and electric guitars will work. Daily worksheets and instructional videos will be provided via Google Classroom. Stay tuned for 'Tuning Hours', week before classes.

# MUSIC ENRICHMENT

[Please Read: Important Information for All Orchestra Participants](#)

## Beginner Orchestra

(younger students or students with no musical experience)

**Remote  
1 Hour**

**Grades  
4-8**

**Fee:  
\$95**

Have you always wanted to learn violin, viola, cello or bass, but don't know where to start? Perhaps you missed the sign up at your school and want to try it out in the summer. This course is for you. You will learn the basics of music, how to read music, how stringed instruments work, with step by step daily instruction on how to play. You will learn songs such as Twinkle Twinkle, Mary Had a Little Lamb, Baby Shark, We Will Rock You, Jana Gana Mana and others! Daily worksheets and instructional videos will be provided via Google Classroom. **DO NOT BUY** an instrument! Please rent from <https://www.elefantemusic.com/> or <https://www.themusicshop.com/>. Buying an instrument (anything under \$700) is more trouble than it's worth, as the quality and playability are very bad. If under 5' feet tall (  $\frac{3}{4}$  violin, 13" viola,  $\frac{1}{2}$  cello, and  $\frac{1}{4}$  bass) and if over 5' tall (4/4 size violin, 14" viola,  $\frac{3}{4}$  cello, and  $\frac{1}{2}$  bass). Stay tuned for 'Tuning Hours', the week before classes.

## Orchestra

(prior experience)

**Remote  
1.5 Hours**

**Grades  
5-8**

**Fee:  
\$145**

Do you play violin, viola, cello or bass and want to continue your studies in the summer? This is the course for you. Although an overview will cover the basics of music, note reading, posture and holding the instrument, focus of this class will be on playing, learning new pieces and songs, as well as improving techniques. Topics covered will be scales, shifting, vibrato, playing melody harmony and bass of a song, as well as new pieces. Musical instruments are required prior to class. Violin and viola, shoulder rest is highly recommended (Kun or Everest). Music stand is recommended for all students. Daily worksheets and instructional videos will be provided via Google Classroom. Stay tuned for 'Tuning Hours', week before classes.

# KINESTHETIC ENRICHMENT

## Staying Fit!

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

This virtual class is designed to keep those bodies moving! Everyday we will get on down and grow stronger together by participating in a different type of exercise ranging from dance, aerobics, and body sculpting. No special materials needed--we will improvise using household items! Just need some space to move around.

## Yoga

**Remote  
1 Hour**

**Grades  
3-8**

**Fee:  
\$95**

Are school, lessons, and life stressing you out? Start your day the right way with yoga! Yoga encourages self-esteem, relaxation, and mind/body awareness in a noncompetitive and stress-free environment. Through our virtual yoga class, we learn yoga poses, breathing exercises and meditation techniques. We will practice mindfulness, affirmations, compassion and gratitude through a variety of exciting exercises. We will also learn how to relax with mandalas and exercise while learning about our muscles and bones. Students will need to wear comfortable clothing and have a yoga mat, water, small ball or balloon, paper, pencils, crayons/markers/colored pencils. Students should also have access to a printer to print out materials.

# CONSUMER SCIENCE ENRICHMENT

## Fun With Cooking

Remote  
1 Hour

Grades  
3-8

Fee:  
\$80

Students will enjoy learning to make tempting treats, basic food skills, and good nutrition. This virtual cooking class will focus on no-bake treats, microwave magic, and food prep.

**Food items that need to be available or purchased each week will be provided to you once you register.**

9:00 am Breakfast/Brunch- Please note **eggs** will be an essential component of the class.

10:00 am Appetizers

11:00 am Desserts

## Meal Prep Cooking

Remote  
1.5 Hours

Grades  
4-8

Fee:  
\$130

Students will enjoy learning to make meals and the basics of cooking skills and good nutrition. Basic math skills will be used. This virtual cooking class will focus on meal prep.

**Food items that need to be available or purchased each week will be provided to you once you register.**

## TECHNOLOGY ENRICHMENT

## Keyboarding & Google Basics

Remote  
1 Hour

Grades  
3-8

Fee: \$95

Students will learn the basic fundamentals of the computer keyboard and Google applications used for education. Control of the keyboard using touch-typing will be developed. Students will learn proper typing positions while using various programs to build skill and accuracy. Students will also learn about the formatting components of Google Documents, Sheets, and Drawings.

## Powerful Presentations

Remote  
1 Hour

Grades  
4-8

Fee: \$95

Powerful Presentations will teach students how to use readily available websites and technological skills to create effective presentations. Participants will explore and embed relevant links, videos and technological features to their presentations to keep their audience engaged.

## Introduction to Coding

Remote  
1 Hour

Grades  
4-8

Fee: \$95

This course introduces core computer science and programming concepts. The course is designed for use with grades 3-6 and will help students grasp the basic fundamentals of computer coding by introducing programming language using a Blockly format. Students will gain a deeper appreciation for technology, strengthen problem solving skills and create projects using several different coding apps to help them understand computer science and computational thinking.

## Fun, Fast, Fundamentals of Computer Science

Remote  
1.5 Hours

Grades  
6-8

Fee:  
\$145

This course is designed for Middle School students to learn all the necessary core concepts of Computer Science Fundamentals in connection with Code.org. The students will also begin to explore the connection between Computer Science and Algebra. Each day students will enhance their problem solving skills, as they aspire to build their own websites and apps.

# THEATRE ENRICHMENT

## Lights, Camera, Literacy

**Remote**  
**1.5 Hours**

**Grades**  
**3-5**

**Fee:**  
**\$145**

*You've been cast in a production! A Reader's Theater production!*

Do you want to improve your reading and speaking abilities? All while having fun, collaborating, and performing?

Well I have just what you need -- **Reader's Theater!**

In this class, you will learn what it means to be an effective reader. To read with fluency, expression, and tone! Our performances require no special props or costumes -- just you, your voice, and script! Reader's Theater offers students an opportunity to completely immerse themselves in a story, and think about how engaged readers interact with print. Together we will read, practice, and perform a reader's theater production! Materials: You will need a computer or smartphone, and headphones.

## Creative Theater

**Remote**  
**1 Hour**

**Grades**  
**3-4**

**Fee:**  
**\$95**

Students will explore many facets of the performing arts from improvisation to an assortment of mini-productions. Students will be introduced to basic theatre terms, stage directions, creative drama activities - including storytelling, pantomime, monologues, and children's theatre.

**Note:** Students will be asked to utilize their imagination and creativity to create character, setting, and props, from basic items which can be found in and around the home. Students will produce a weekly performance, each week, which can be viewed by peers and family.

## All the World's a Virtual Stage

**Remote**  
**1 Hour**

**Grades**  
**4-5**

**Fee:**  
**\$95**

Students will explore many facets of the performing arts from improvisation to an assortment of mini-productions. Basic theatre know-how, including: stage directions, theatre terminology, auditioning, acting methods, and children's theatre. Students will work to create virtually produced presentations of original monologues, skits, commercials, "silent movies," and children's theatre.

**Note:** Students will be asked to utilize their imagination and creativity to create character, setting, and props, from basic items which can be found in and around the home. Students will produce a weekly performance each week, which can be viewed by peers and family.

## Theatre Live - At Home

**Remote**  
**1 Hour**

**Grades**  
**6-8**

**Fee:**  
**\$95**

Students will participate in daily improvisational exercises and activities, as well as acting exercises, to establish a creative community. Students will explore various theatre genres, performance styles, acting methods, auditioning, and the process from improv to sketch comedy. Students will collaborate to create an original theatrical review, including an original script/storyline, featuring a cast of characters, comedic skits, and musical numbers, to culminate into a virtual final performance. While we are utilizing virtual media to present, we will do our best to create a cohesive performance, where all students are all featured. Mini-presentations, which encompass finished works or works in progress, will be presented weekly, for family and peers.

**Note:** Students will be asked to utilize their imagination and creativity to create character, setting, and props, from basic items which can be found in and around the home.

## **2021 SUMMER SPORTS CAMPS PROGRAMS**

The Edison Township Board of Education will once again run the Summer Sports Program for 2021. Each head coach is a highly qualified coach. In their camps, the coaches provide a mix of skills instruction and competitive fun for all ages and ability levels while maintaining a low camper-to-instructor ratio. Please pay special attention to the dates, fees and responsibilities of each camp. Camps will be held in person or remotely on Zoom or Google Meet. **The structure for the remote camps will include live sessions on Google Meet or Zoom, possibly some brief video clips and/or recorded instructional videos. Feedback will be provided to campers individually and/or in small groups.**

**CAMPERS MUST BE ENTERING GRADE 3 AS OF SEPTEMBER 2021.**

Registration will take place up until the day before each camp begins

## **2021 SUMMER SPORTS CAMPS PROGRAMS**

**UNLESS OTHERWISE INDICATED, CAMPS ARE CO-ED AND RUN FOR 5 DAYS.**

**UNLESS OTHERWISE INDICATED, CAMPERS MUST BE ENTERING GRADE 3 AS OF SEPTEMBER 2021.**

COVID-19 protocols will be followed at all times according to CDC guidelines and are subject to change. There will be temperature checks inside and outside of the building. If your child tests positive for COVID-19, a refund will NOT be issued. If your child has to be quarantined due to another camper who tests positive, you will receive a prorated refund.

The structure for these camps will include live sessions on Google Meet or Zoom, possibly some brief video clips and/or recorded instructional videos. Feedback will be provided to campers individually and/or in small groups.

<b>REMOTE Session 1 - June 28, 29, 30, July 1, 2</b>		
Yoga (Gr. 3-12)	9 a.m. - 10 a.m.	\$ 50
Zumba (Gr. 3-12)	10 a.m. - 11 a.m.	\$ 50

## DESCRIPTIONS

### Basketball

Offered during sessions: In person

Age ranges: Grades 3-12

The staff provides a fun and educational basketball experience. All aspects of the game are covered on a daily basis. Individualized and small group instruction is utilized to teach the fundamental skills of ball handling, shooting and passing. Defensive and offensive drills and strategies are also implemented. Competitive skill activities are conducted in every session.

**CAMPERS ARE RESPONSIBLE FOR SUPPLYING THEIR OWN SNEAKERS AND WATER BOTTLE.**

### Girls Lacrosse

Offered during sessions: In person

Age ranges: Grades 6-12

All campers will learn the individual fundamental skills necessary for offense, defense, face-off techniques and goalie play. Team skills will be instructed through controlled game situations. The staff incorporates fun into a learning atmosphere.

**ALL CAMPERS ARE RESPONSIBLE FOR SUPPLYING THEIR OWN LACROSSE STICK, GOGGLES, MOUTHGUARD, SNEAKERS, AND WATER BOTTLE. IF YOU NEED EQUIPMENT, PLEASE CHECK WITH THE COACH.**

## Soccer

Offered during sessions: In person

Age ranges: Grades 3-12

The coach is committed to teaching campers of all levels in a relaxed, fun environment. Specialized skills of dribbling, passing, trapping, shooting, defending and ball skills will be covered. Conditioning and improvement methods are also emphasized.

**CAMPERS ARE RESPONSIBLE FOR SUPPLYING THEIR OWN BALL, SNEAKERS, AND WATER BOTTLE. CLEATS ARE OPTIONAL.**

## Strength, Speed, & Agility

Offered during sessions: Remote

Age ranges: Grades 6-12

This camp's objective is to provide positive encouragement and instruction for children. Campers will understand the importance of how to successfully prepare for athletic competition by developing their body's strength, speed and agility. Proper technique and safety of various exercises that focus on and improve the body's core strength will be stressed.

**CAMPERS ARE RESPONSIBLE FOR SUPPLYING THEIR OWN SNEAKERS.**

## Stretching for Flexibility

Offered during sessions: In person

Age ranges: Grades 3-12

Move freely through stretching. Learn how the muscular system works to protect your body and add mobility to your daily life. Feel the differences between correct and incorrect form to increase your flexibility. This camp can be done indoors or outdoors.

**CAMPERS SHOULD WEAR COMFORTABLE CLOTHING AND BRING A WATER BOTTLE.**

## Tennis

Offered during sessions: In person

Age ranges: Grades 3-12

This camp is designed for the novice and intermediate player. Focus will be on the instructional skills of service, volley, lob and net play. The rules, scoring and strategies of singles and doubles are also covered. Methods on improvement of skills will be emphasized. All campers are grouped by age and ability level.

**CAMPERS ARE RESPONSIBLE FOR SUPPLYING THEIR OWN RACKETS, SNEAKERS, AND WATER BOTTLE.**

## Track

Offered during sessions: In person

Age ranges: Grades 3-12

The proper techniques of running, jumping and throwing will be introduced in an instructional sequence throughout the week. Information will be supplied on equipment, nutrition and weight training to support a complete conditioning program.

**CAMPERS SHOULD WEAR COMFORTABLE CLOTHING, SNEAKERS, AND BRING A WATER BOTTLE.**

## Volleyball

Offered during sessions: In person

Age ranges: Grades 6-9

Campers will be instructed on the basics of forearm pass, overhead pass (set) attacking, blocking, serve and serve receive. Players will be taught the most up to date techniques for beginner and advanced volleyball. Advanced players will receive further instruction in: running an offense, read blocking, floor defense, back row attacking, and jump serving. All campers will be trained on injury prevention techniques and strength training.

**CAMPERS ARE RESPONSIBLE FOR SUPPLYING THEIR OWN SNEAKERS, ATHLETIC CLOTHING, KNEE PADS, WATER BOTTLE AND SMALL TOWEL.**

## Yoga

Offered during sessions: In person/remote

Age ranges: Grades 3-12

Campers will have a fun-filled week learning new yoga poses and breathing techniques. We will practice mindfulness, affirmations, compassion and gratitude through a variety of exciting activities. We will learn how to relax with mandalas and exercise while learning about our muscles and bones. Campers will leave the week with new skills to cope with stress and ways to stay active throughout the year!

**CAMPERS SHOULD WEAR COMFORTABLE CLOTHING, HAVE A JOURNAL, A MAT OR TOWEL, AND WATER BOTTLE.**

## Zumba

Offered during sessions: Remote

Age ranges: Grades 3-12

All campers will learn the basics of Zumba® Fitness, a feel-happy workout that combines a motivating fusion of high-energy Latin and international music with unique moves and dynamic combinations that allow participants to dance away their worries. A fun and educational dance experience will be provided on a daily basis. A mixture of body-sculpting movements with easy-to-follow dance steps, the routines utilize the principles of aerobic interval and resistance training.

**CAMPERS ARE RESPONSIBLE FOR SUPPLYING THEIR OWN SNEAKERS, SHORTS, T-SHIRTS, AND WATER BOTTLE.**

## Students love Camp Invention!

Be part of a select group of parents who recognize the importance of math and science enrichment (STEM) for their children.

Camp Invention is being offered **Remotely** by Edison Staff members, July 26 – July 30, 2021. All materials needed for the program will be delivered directly to the student.

For more information and the registration please use the link below:

<https://www.invent.org/programs/camp-invention>
