

Susquehanna Township High School

Laptop Loan Agreement

Hello Parent/Guardian and Student,

We are excited to be able to provide a laptop computer to aid in your learning. The laptops are to be used by the student for educational purposes only and remain the property of Susquehanna Township School District. We must ensure that all student users and families understand the conditions and expectations for care and use.

Please carefully review the One-to-One Laptop Manual, available on the high school web page under the headline "High School One-to-One Information". Be sure that you understand the guidelines for this program. Frequently-Asked-Questions have also been included.

Failure to comply with all guidelines, terms, and expectations in the One-to-One Laptop Manual, the Acceptable Use Policy, and related STSD Board policies and procedures may result in disciplinary action, financial responsibility for repairs, fees, fines and other monetary consequences. Failure to agree to the terms of this Loan Agreement will result in deactivation of your child's laptop and user account.

Please return this form to the high school main office as soon as possible.

Thank you!
