

188TH COMMENCEMENT EXERCISES

**Friday
May 28, 2021**

**Saint John's Catholic Preparatory School
Buckeystown, Maryland**

WELCOME FROM THE PRESIDENT

On behalf of our Board of Trustees and our Faculty, it is my pleasure to welcome you to the Saint John's Catholic Preparatory School's 2021 Commencement Exercises.

This is the year that we have all had to adjust our lives because of the global COVID-19 pandemic. So much of our society and traditions have had to change to protect the health of our citizens. So, too, our Commencement has been modified to ensure that our graduates, their families, and our faculty and staff will remain safe while we celebrate the achievements of the Class of 2021.

As we began planning this unique ceremony we listened carefully to our graduates. True to form, they asked that we find a way to keep the entire class together on our school campus. They also asked for a memorable celebration to mark this important milestone in their lives.

We all feel a significant debt to the Class of 2021. They provided us with living examples of Saint John's pillars. This class grew in their **Faith**. They challenged us and each other in our beliefs and how we practice the truth of the Gospels. This class provided exemplary **Leadership** in all areas of student life, athletics, and through their studies. Their **Scholarship** was marked through their discovery of the beauty of our natural world, the importance of history, the mastery of new languages, the meaning of literature and arts, and the importance of scientific study. The Class of 2021 served us through their Honor and their personal responsibility. They performed extraordinary Service to our community and those less fortunate. The Class of 2021 know, more than most, that we all have an obligation to make our world better for others.

Today marks our 188th Commencement. Our graduates join a strong and active alumni serving throughout the United States and many foreign countries. Today, they are launched as virtuous citizens with good hearts and discerning spirits able to take on the challenges in their next steps of their development.

By definition commencement does not mark the end of a journey but the beginning of an on-going search for truth, beauty, and meaning in our lives. I wish these graduates much success on their new adventures and hope that they return home to Saint John's often.

We are proud of their success. It has been a privilege for me and the faculty to have been a part of this dynamic times in their lives. We all keep our graduates and their families in our prayers for good health and continued success.

May God bless the Class of 2021.

PRESIDENTIAL MEDAL HONOREES

Michele Corr was born and raised in Frederick before moving to Centreville on Maryland's eastern shore in 1978. She is a graduate of Spring Hill College, the third oldest Jesuit college in the country located in Mobile, Alabama.

After college, she returned to Centreville and during that time, she served on the Board of Directors of both the United Way of Queen Anne's County and the Red Cross of Delmarva, was the president of the Centreville Business Association and the treasurer of the Easton Business Association. In 1995, her family returned to Frederick and raised their sons Michael ('13) and Christian ('16), both graduates of St. John Regional Catholic School and Saint John's Catholic Prep. While her sons were at SJRCS, Michele was actively involved in the Home and School Association and served two terms as the vice president.

In 2007, Michele began her career at Saint John's Catholic Prep teaching photography and the Publications class which produces the yearbook. During her 10 years at the school, she had many roles including teacher; club moderator; yearbook advisor; Christmas decorator; senior retreat chaperone, school photographer, Enrollment and Social Media Specialist, Director of Development and performed Dr. Powell's famous "other duties as assigned!" In 2012, Michele was awarded the Key 103.1 radio station's Heart of Learning Teacher of the Year for Saint John's. While at SJCP, Michele was asked to serve on the Board of Trustees of Friends of Catholic Education, a local non-profit that raises money to provide scholarships for students to attend the 5 Catholic schools in Frederick County.

In December of 2016, Michele was named the executive director of Friends of Catholic Education. This role allows her the opportunity to help support all the schools and interact with faculty, staff, administration, clergy, parents, and students, which she loves! She currently serves on the Frederick County Catholic Schools Coordinating Committee and is a member of the Advisory Board for the Center for Catholic School Excellence at Mount St. Mary's University. At the 2020 St. Thomas More Academy graduation, Michele was honored to receive their School Spirit Award from co-principals Veronica Kosch and Trish Neumark.

Michele is grateful to be part of the Saint John's Catholic Prep family and for the many coworkers and mentors she had while working at the school. The hundreds of students she encountered and taught over her decade as a teacher brought her immense joy and were the very best part of her time at Saint John's!

Young Jean Lee was born in Seoul, South Korea and immigrated to the US in 1973. When her family immigrated, they moved to Maryland and she loved it so much, she hasn't left the state since.

Mrs. Lee graduated with a BS from the University of Maryland. Young began her professional career working as a registered representative for both AXA and New York Life. During this time, she married Young Ki Lee and had 3 daughters, Elisa, Esther and Ehjean.

Mrs. Lee then became an entrepreneur and operated various businesses. At the same time, she served as the Secretary General for the Korean American Association of Maryland through which she received a certificate of appreciation from the governor of Maryland. She has served as a coordinator and director of international students for a myriad of private schools throughout Maryland and Virginia area including St. John's Catholic Prep. In this capacity she has spent countless hours recruiting international student to our campus as well as 32 other countries.

Young has also served as a Sunday school teacher and director of her church choir for the past 23 years. In her free time Young enjoys calligraphy, paper arts, sewing, travelling, and learning new languages

Linda Petrie grew up living the Navy life as her family was stationed across the United States in exotic locales like San Diego, Pittsburgh and Honolulu. She attended University of Maryland, graduating with a Bachelor's in English as well as running the 400 for the Track and Field team.

While working for Hyatt Hotels, she met and married her husband, John, and they moved to Frederick, Maryland in the Spring of 1989. That fall they welcomed their son, Tim ('07) and life changed for Linda. She followed her son to kindergarten in 1994, asked in the Front Office if there was anything she could do to help out while she waited for Tim and started working for Saint John's Regional Catholic School. Recess duty, Friday folders, and band aids for cuts and bruises became part of her daily duties for the next ten years.

When her son graduated from eighth grade and moved on to Saint John's at Prospect Hall, Linda stayed behind for one more year, helping that school ready itself for the big move across town. The following year, 2004, Linda became an administrative assistant to the Dean of Academics and has spent the last 17 years at Saint John's Catholic Prep. Now serving as registrar, she is proud to have helped so many wonderful students and their families with high school and their future.

Mrs. Petrie says she loves the work she does with the families, students, staff and faculty of Saint John's Catholic Prep. However, she, has decided to retire at the end of the school year. This will give Linda more time to enjoy doing puzzles, quilting, walking her dog and spending more time with her family.

Elon University – Elon, NC

Gabriel Adam Casteel

Mt. Airy, MD

Parents: Brenda Mills and Betsy Smith

"The past four years at Saint John's Catholic Prep have been a life changing experience for me. The teachers and administration have put me on a path for a successful future. I would not trade my years here for anything, not for any other experience. This past year was not normal, and we missed out on a lot, but SJCP made in school teaching happen for us and fought hard to have fall sports. I am forever grateful to have been able to compete during my senior football season. It was a moment I had been waiting a long time for. SJCP has helped shape me into who I am today and who I will be in the future. My friendships I have made, and the memories will last a lifetime."

Westminster College – New Wilmington, PA

A FINAL FAREWELL PRAYER

May you continue to be honorable in all you do.

May you always see God's face in the face of others.

May you always sense the holy, amidst the simple.

May you discover something new about yourself every day.

May you always have the courage and wisdom to be a leader.

May you use your considerable talent to champion the needs of others; and

May you take what you have learned here at Saint John's to build just and peaceful communities -- places where we prize our interpersonal relationships, where we speak and listen carefully and respectfully to each other, and where truth, integrity and love are hallmarks.

I congratulate you.

You give all of us hope and optimism for our nation
as we continue to build our great democracy.
