

Hello soon-to-be sophomores! I am running for re-election as a class officer for the 2021 - 2022 school year. Despite an unusual freshman year with many unique challenges, our class and the entire Daniel Hand Community persevered and made the best of it. As a class officer, I was able to help brainstorm and implement ways to promote class communication and unity. For example, I suggested the creation of Google Classrooms for each grade level as a way to enhance communication. These have since been established, allowing students to easily access grade-specific information and events. I am detail-oriented, organized and work well as a team player. I have truly appreciated serving as one of your Class Officers this past year and would be honored to continue to make a difference for the Class of 2024. Thank you for your support and consideration.
