

Calvin Walker
Class of 2024

My name is Calvin Walker and I am running for Class Officer for the Class of 2024. Our Freshman year was not what we expected and next year we deserve to have more fun and hopefully have more events and activities. All I can promise is with your vote I will work hard, be accountable, and help our class raise money. With this money we will be able to plan more events, enjoy more time together as a Sophomore class, and make our years at DHHS the best they can possibly be. As you consider all the candidates, keep in mind I am a team player, a good student, and a great listener. I would be honored to represent our class next year.
