

Trip Rizzo, 2024

I am Trip Rizzo and I once again will be running for class officer. As a fellow freshman, I will be one to admit that this year was a difficult one to navigate. The class officers and administrators have been working tirelessly to help ensure our student body had a great year. Your freshman class officers and I have helped to create an environment that will make our high school experience memorable. We have helped set up junior prom, created fundraiser ideas, and as a student body we have helped make the transition from remote learning to in person learning by developing concepts such as Wellness Wednesday. I don't want to stop there. I want to continue to be able to help my class of 2024 as a sophomore. I am confident that with the experience I have gained that I can deliver great results for the upcoming year.
