

SCC Minutes 4.13.2021

PTA Report: Looking for new PTA members and someone who has an incoming 7th grader to be PTA co-chair. Working on teacher appreciation...will probably provide a grab and go meal and an Amazon gift card, similar to last year. Play has wrapped up filming and is in the editing stages. Much appreciation to Rachel Hafen, Nanette Kearn and Kalleen Wright for their tireless efforts with the play.

Counselor Report: Counselors working on data project and are seeing good growth. The growth could be affected by other factors (coming back to school 4 days, etc.) but counselor interventions are likely part of it.

SIC Report: SIC talked about enforcing the no hats, beanies or hoods policy as it makes it difficult to recognize students in conjunction with a mask. It also makes it easy for students to hide earbuds during class. Trust Land plan was also discussed.

Reading Intervention Data: Will Palm presented data on how the reading intervention plan was going. He found that most students are having comprehension difficulty rather than decoding problems. Many students have already progressed out of the program. The next steps are to have a more consistent focus on reading across other class periods.

Next Year's Committee: A big "thank you!" to all of the members of the committee. It has been a pleasure to work with each of you! Most members of the committee will be moving on with their children next year and so we will need to recruit new members to replace them from the community.

Other: Melissa Ford and Mary Catherine Perry expressed their gratitude to the committee for their service. Unless something specific arises the needs to be addressed, this will be the last meeting for the year.
