January 12, 2021

Dear Families,

Welcome to the Darien Public Schools! Kindergarten registration for students entering the Darien elementary schools in 2021-2022, is processed online. In order to be eligible to attend Kindergarten in 2021-2022, children must be five years of age on or before January 1, 2022.

To register your child, please go to www.darienps.org and select the “District Information” tab and then “Student Registration Process”.

There are two options for registering, with instructions listed for each. Please select the option which is applicable to your family:

Option 1: Families with currently registered students or previously registered in District and have an Aspen Portal Account. Please log into your Aspen Portal account and begin the registration process by clicking on the “Here” link under New Student Registration.

Option 2: Families new to the Darien Public Schools without an Aspen Portal Account - please follow the directions listed on the website.

Please register your child online no later than January 31, 2021. Although we are unable to hold in-person registration support, you may contact your school’s secretary for assistance with the registration process. Please note, it is important that you upload all documents. Principals will reach out to registered Kindergarten families later in the spring with more information about the Kindergarten program and how orientations will be held.

You may also contact your building’s secretary with any questions.

Sincerely yours,

Julie Droller, Hindley School
Janet Frasca, School Secretary
655-1323 X4225

Garan Mullin, Royle School
Jessica Presser, School Secretary
655-0044 X4825
