

# BILTON NEWSLETTER

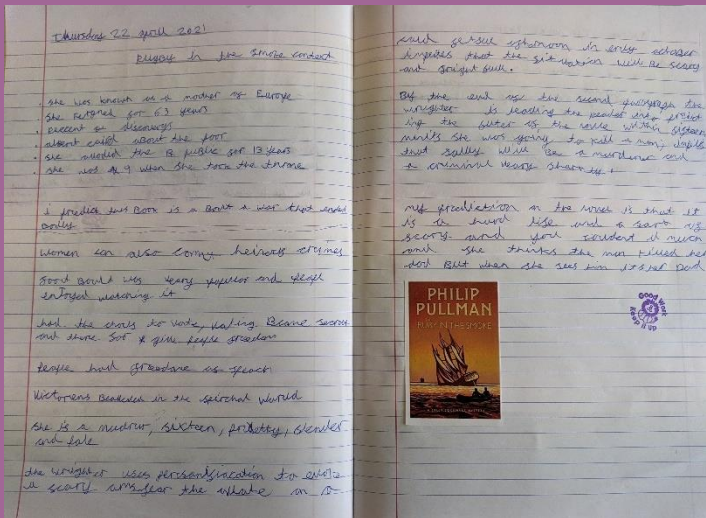

#BECAUSE WE ARE BILTON

21<sup>st</sup> May 2021

## HEAD TEACHERS BLOG

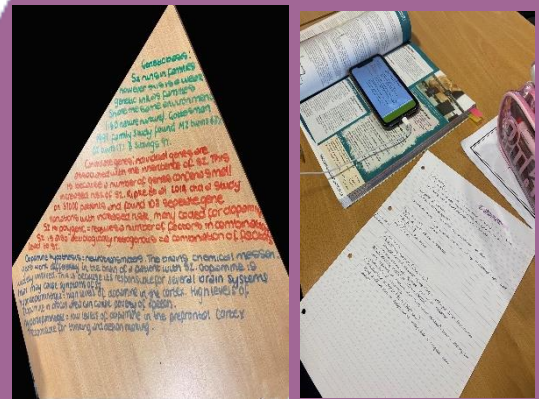

I am incredibly proud to launch the first edition of what will be our weekly newsletter. Each Friday we will send it to parents via our School Comms outlet, as well as put it on our website and twitter feed. We want to celebrate and share the work from our fantastic students that is produced throughout a typical week at Bilton school. Staff and departments will 'snap and share' work which occurs across all year groups within their areas on any given week. From this we will then see who makes it into that week's edition. Once a piece of work has made it to an edition the student names will be placed into a prize draw with one lucky name being pulled out at the end of each term.

## English Department

English work by Megan R – she works hard and keeps her book really tidy.

## Social Science Department

Revision Methods  
 Laura C YR13 Health & Social Care

## Art Department

Year 7 Art club with Mrs Burns  
 Making a Pom Pom tree...

Some of Mr Wragg's year 7 In the fitness suite today working hard on their personal plans

## PE Department

#BECAUSE WE ARE BILTON
