June 2021

Aysgarth School

Philip Southall retires from his post as assistant headmaster in July 2021 after a lifetime of commitment to the Aysgarth cause. As a boy at the school, a graduate gap student, junior master, head of history, parent, a spell as joint headmaster and as master in charge of football, tennis, shooting and fishing (to name but a few), he has had a major impact on the lives of so many Aysgarthians and he will be sorely missed (although Aysgarth are hoping to persuade him to stay on in a part time capacity next year). A star teacher indeed.
