# Luck-O-the Irish

Come ye all and show your school pride! March with your fellow OC'ers in the 2015 St. Patrick's Day Parade! The Parade is March 14 at 10 a.m., and the route will be the same as last year, through the Gateway Center. The march begins on 400 West, at 200 North, and runs south through the Gateway to 200 South.

participants should plan on arriving at the line-up area no later than 8:30 am at the intersection of 400 West and 200 North. Parade Marshals will direct each entry to their line-up spot in the marshalling area. Promptly at 10:00 am, the Parade will proceed down 400 West, and turn West onto 50 North and then turn South onto Gateway Road (Río Grande Ave). The Parade will march the whole way to the end of the Gateway, a distance of approximately 9/10 of one mile.

Going Green" Is this year's theme, challenging parade entrants to design their entry celebrating the color green and expand it to include personal style and flare! Can't wait to see you there!

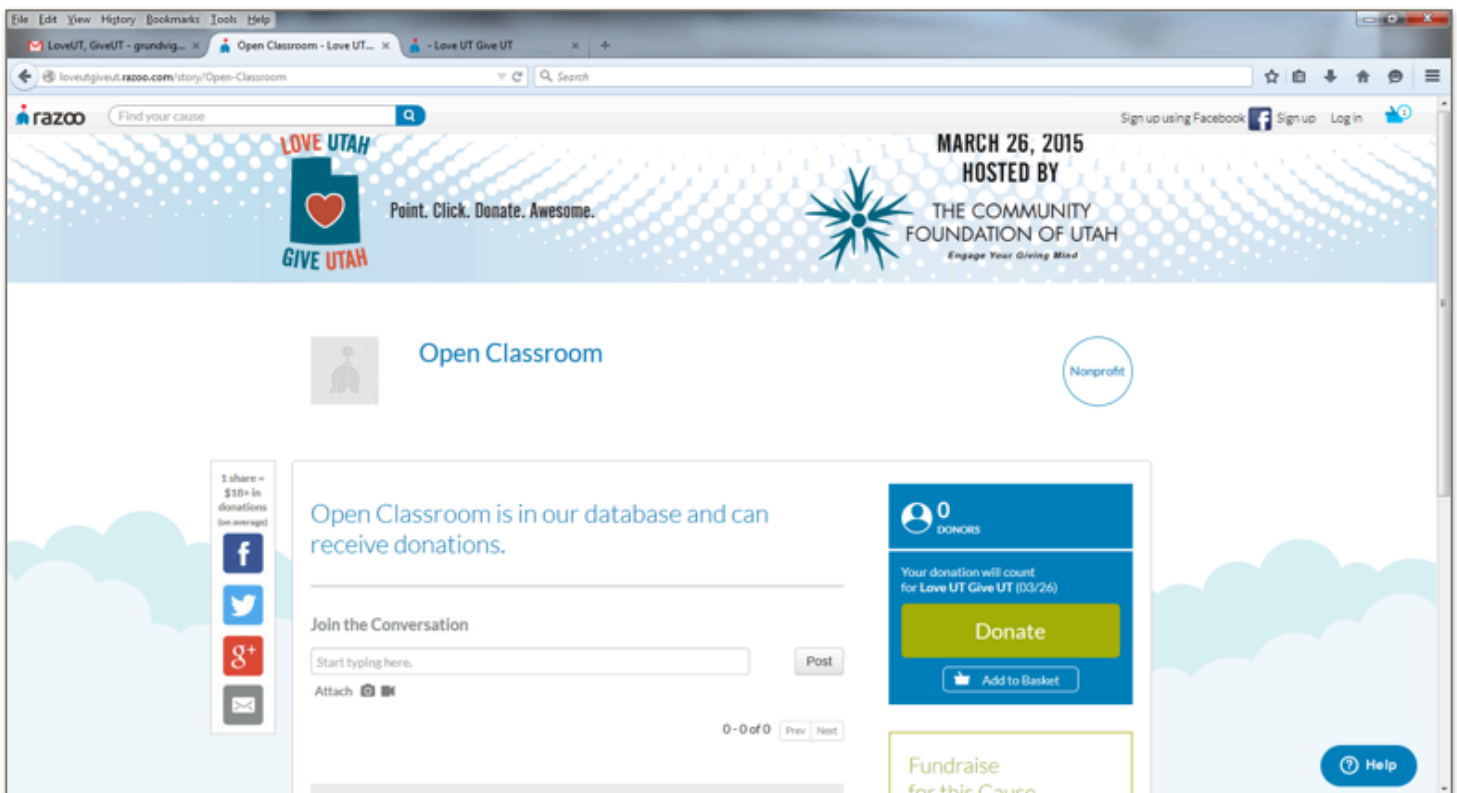

# A Message from the Friendly Fundraising Folks...

Welcome to the last three months of the 2015-16 school year! The Fundraising Committee hopes you share its excitement for the Art Stroll and T-shirt sales, the two remaining “big” fundraising events. More details on those events will be provided in future OCCN issues. For this issue, we’ll highlight a relatively new fundraising effort.

**Love UT Give UT**. Mark your calendars for **March 26, 2015!** On this day—*and this day only*—folks can donate to more than 500 local non-profit organizations that improve Utah communities, including the Open Classroom, through the Love UT Give UT web site. Every donation made during Love UT Give UT will help qualify the recipient for challenge grants and prizes, furthering the impact of your donation.

To donate to the Open Classroom, copy <http://loveutgiveut.razoo.com/story/Open-Classroom> and paste it into your web browser.

The following web page should display.

Click on the **green** “Donate” button. Doing so will cause the following web page to display:

The screenshot shows the Razoo website's 'Your Donations' page. It features two identical donation forms for 'Open Classroom'. Each form has a 'I want to give' input field (set to 10.00 and 0.00 respectively), a 'One Time' dropdown menu, and a '\$10 minimum' note. There are checkboxes for 'Dedicate This Donation' and 'Make this donation anonymously'. A note indicates the donation is scheduled for 03/26/2015. A sidebar on the right shows the 'Your Donation Basket' totaling \$10.00, with platform fees of \$0.39 and credit card processing of \$0.50, leaving \$9.11 for the charities. It also includes a 'Donation Booster' toggle (currently off) and a green 'Checkout' button. At the bottom, there is a blue button that says 'I'm not done! I want to give back to more causes.' and a 'Help' button.

Fill in the blanks and select the appropriate pull-downs, then click on the **green** “Checkout” button. In a few short minutes, you can schedule a March 26, 2015 donation to the Open Classroom. Your family and friends can donate, too! Just share with them the OC’s Love UT Give UT link (<http://loveutgiveut.razoo.com/story/Open-Classroom>).

Please note that a percentage (varies depending on the donation amount, but believed to be less than 9%) of Love UT Give UT donations support the web site’s platform and credit card processing fees. You can choose to cover these fees by toggling the **grey** button in the **blue** “Donation Booster” box just above the **green** “Checkout” button. Of course, the OC will be grateful for any amount it receives as one of Utah’s influential non-profit organizations.
